TRISTIAN STEPHANY

Pound the Stone Haynes Publications
 "Ronni's mind fell completely silent. She stopped being aware of the room around her, there was only the hateful figure of a bully and an abuser ahead of her, all else was a blur." You're in a strange city. Your friend is missing. Could you find the courage to do what is necessary? Would you even know where to start? These are the questions faced by law graduate Ronni Wong when her friend Jenny disappears after a date with a man she met online. Finding evidence suggesting that Jenny's internet lover hides the darkest of secrets, Ronni is forced to embark on a journey through social media to discover the

identity of a kidnapper, and then a dangerous race against time through the streets of Metro Manila to save her friend's life. The clock is ticking, can Ronni make it in time? Join Ronni as her investigation into one disappearance leads her into mortal danger. *Social Murder* will keep you on the edge of your seat, and at the same time challenge you to think about how you use social media. Are you safe online? *FARS Manual* Austin Macauley Publishers With an emphasis on exploratory data analysis, this title teaches students to identify trends in their data that may help them ask the right questions. It develops students' statistical intuition and nurtures the development of a statistical way of thinking.
