Leviticus used to be the first book that Jewish children studied in the synagogue. In the modern church it tends to be the last part of the Bible that

anyone looks at seriously. Because Leviticus is largely concerned with subjects that seem incomprehensible and irrelevant today — rituals for sacrifice and regulations concerning uncleanness — it appears to have nothing to say to twenty-first-century Christians. In this excellent commentary on Leviticus, Gordon Wenham takes with equal

seriousness both the plain original meaning of the text and its abiding theological value. To aid in reconstructing the original meaning of the text, Wenham draws from studies of Old Testament ritual and sacrifice that compare and contrast biblical customs with the practices of other Near Eastern cultures. He also closely examines the work of social anthropologists

and expertly utilizes the methods of literary criticism to bring out the biblical author's special interests. In pursuit of his second aim, to illumine the enduring theological value of Leviticus, Wenham discusses at the end of each section how the Old Testament passages relate to the New Testament and to contemporary Christianity. In doing so, he not only shows how pervasive Levitical ideas are in the New Testament but also highlights in very practical ways the

enduring claim of God's call to holiness on the lives of Christians today.

Genesis: Genesis 1-15
Createspace Independent Publishing Platform

Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On

The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is

abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's own words and nothing relevant to today's reader has been omitted.

The Message of Genesis

1-11 Zondervan

Academic

WBC series delivers the best in biblical scholarship, from the leading scholars who share a commitment to Scripture as divine revelation. It emphasizes

a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology.

A 365 Day Devotional

Wm. B. Eerdmans
Publishing

Creation and Blessing is an exceptionally helpful guide for pastors and teachers. Its literary, exegetical, and theological analyses will enrich any exposition of Genesis. The author's

purpose is to "help the reader appreciate the major literary and theological motifs that form the theological ideas in the narratives, and to demonstrate how these theological ideas can be developed into clear and accurate expository ideas." To accomplish this goal, he divides Genesis into more than sixty units, discussing each unit's theological ideas, describing its structure, and synthesizing its message, as well as providing an exegetical outline, an expository

outline, and a bibliography.

Dive into the first 11 chapters of Genesis by following three critical stages of understanding: comprehension, interpretation, and application. Teaching videos are key to the understanding of this study. Revisit familiar stories, challenge your basic knowledge, and discover deeper meanings in the text. As God reveals Himself through Scripture,

we can only begin to understand ourselves when we first glimpse the character, attributes, and promises of our Creator. (10 sessions)

Hamilton's study on the first 17 chapters of the Book of Genesis is part of The New International Commentary on the Old Testament. Like its companion series on the New Testament, this commentary devotes considerable care to achieving a balance

between technical information and homiletic-devotional interpretation. *Genesis 16-50, Volume 2* Word Biblical Commentary

There is little doubt that in recent years the nature of the Genesis narrative has sparked much debate among Christians. This Counterpoints volume introduces three predominant interpretive genres and their implications for biblical understanding. Each contributor identifies their position on the genre of Genesis 1-11, addressing

why it is appropriate to the text, and contributes examples of its application to a variety of passages. The contributors and views include: James K. Hoffmeier: Theological History Gordon J. Wenham: Proto-History Kenton L. Sparks: Ancient Historiography General editor and Old Testament scholar Charles Halton explains the importance of genre and provides historical insight in the introduction and helpful summaries of each position in the conclusion.

In the reader-friendly Counterpoints format, this book helps readers to reflect on the strengths and weaknesses of each view and draw informed conclusions in this much-debated topic.

Genesis to Revelation

Westminster John Knox Press

The book of Genesis contains some of the most beautiful and well-known stories in the Bible: the garden, the flood, the tower of Babel, and the lives of the patriarchs. But these are more than just good stories. They lay the

groundwork for God's relationship with humanity and for his plan for our salvation, making Genesis foundational to understanding everything else that happens in the Bible. Genesis reveals much about human nature and the nature of God. From the actions of the first man and woman, we see where our rebellious, sinful nature originates. And through the whole book we see the hand of a sovereign God who is loving and merciful, but also just and holy. Time and again in

Genesis, God showers his grace upon undeserving humanity, giving us our first tastes of God's enduring faithfulness that shines throughout the entire Bible. R. Kent Hughes, respected pastor and author of many other commentaries in the Preaching the Word series, takes readers back to the beginning of the Bible and moves through Genesis with careful exegesis. He explores the superbly crafted structure of the book as well as the weighty themes it contains. For those who

preach, teach, and study God's Word, this exceptionally detailed work will reveal much about the beginnings of God's great story. Part of the Preaching the Word series. Genesis 1-15 The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological

evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction-

-covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: Pericope Bibliography--a helpful resource containing the most important works that pertain to each particular pericope. Translation--the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words,

phrases, and tenses, yet in reasonably good English. Notes--the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure/Setting--a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the

structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment--verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation--brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of

the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography--occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary. Genesis 1-15, Volume 1 The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture

Every chapter of the Bible summarised in 140 characters or less. These summaries originally appeared as the @biblesummary project on Twitter. For three-and-a-half years, Chris Juby posted one tweet per chapter, one chapter per day to 30,000 followers, finishing the project in November 2013. This edition is the full archive of all 1,189 summaries. *Genesis 1-11* Lifeway Church Resources

In his clear and readable, style Walter Brueggemann presents Genesis as a single book set within the context of the whole of biblical revelation. He sees his task as bringing the text close to the faith and ministry of the church. He interprets Genesis as a proclamation of God's decisive dealing with creation rather than as history of myth. Brueggemann's impressive perspective illuminates the study of the first book of the Bible. Interpretation: A Bible

Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church. Planned and written specifically for teaching and preaching needs, this critically acclaimed biblical commentary is a major contribution to scholarship and ministry. Genesis Through Deuteronomy Living Stream Ministry This NIV Value Outreach Bible is a low-cost softcover Bible perfect for churches and ministries buying in bulk to present

to first-time Bible readers. *Genesis* Wipf and Stock Publishers Each chapter is summed up in its contents, each paragraph reduced to its proper heads, the sense given, and largely illustrated with practical remarks and observations. God of Creation - Bible Study Book InterVarsity Press The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external

demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave Study Bible-ESV InterVarsity Press Genesis uncovers the origins of evil, illuminates the meaning of freedom and expresses the harmony of creation. Genesis shows us how and why we are—and offers hope for our future. David Atkinson, trained as both a scientist and a

pastor, examines the opening chapters of Genesis in this Bible Speaks Today volume.
