Tutto bene! is an

entertaining and
comprehensive multi-
level Italian language
course for beginners,
uniquely designed for
both the classroom and
a high degree of
independent learning.
Based on the

communicative approach, the course comprises a combination of components in a range of media. Book 1 is for beginners. In this level you will learn the survival language you need to get by in Italy. Learn to greet people and introduce yourself. Get to know someone by discussing where they're from and exchanging contact details. Be able to describe yourself and others. Order food like an Italian and express your likes and dislikes. Arrange an outing or a dinner. Book a hotel room and make sure it has what you need at the right price. Tutto bene! Book 1 provides the perfect balance, enabling you to enjoy the language while developing an understanding of the

grammar. It will give you a strong foundation and the confidence to further develop your Italian. The key components for each level of Tutto bene! are as follows: Tutto bene! book The book presents the Tutto bene! course in a format designed primarily for the classroom but accessible to the independent learner and complementary to the app. Each level of the course comprises a book with ten self-contained yet progressively linked lessons. Each lesson is carefully structured to introduce new language via an episode of the sitcom series followed by graduated conversation practise, ranging from limited to more open-ended

dialogues where students apply the language they've acquired. Listening and responding activities are integral to each lesson, as are the simple explanations and deductive activities enabling students to understand the grammar. Writing activities are given at the end of every lesson and may be completed in class or later. Tutto bene! sitcom In the Tutto bene! sitcom series we follow an almost-normal group of friends through their quotidian ups and downs living and working in Rome and on holidays in other parts of Italy. The off-beat humour, original soundtrack and idiosyncrasies of the characters in these short episodes are both entertaining and a

great stimulus for learning, while importantly also serving to make the language memorable. By viewing an episode multiple times at intervals and particularly before starting a new lesson, students will recognise their progress with the language and gain a sense of accomplishment. The sitcom series is the foundation of the course, with a short episode of under four minutes' duration introducing the new language and themes for each lesson in the book and on the app. All episodes of the series can be easily accessed in and out of the classroom: search for Lingopont Tutto bene! on YouTube or download the Lingopont Italian app.

Lingopont Italian app: Tutto bene! The app delivers the Tutto bene! course in an interactive mobile format allowing maximum learning flexibility. It is both a vibrant alternative to the classroom for wholly independent learners as well as a rich resource for classroom students to further revise, consolidate and practise. The app offers an engaging and culturally-immersive learning experience with instant feedback for students to monitor their progress. With a transparent structure and supported step-by-step learning in all the skills, students have the choice of working progressively through the course or working selectively on a particular area. Each

lesson comprises an episode of the Tutto bene! sitcom series followed by vocabulary building, speaking, listening, pronunciation and writing activities and culminates in a quiz. There is also a grammar reference for each lesson. Download the Lingopont Italian app from the app store.

Encore Tricolore Nelson Thornes

A compulsively readable debut novel about marriage, immigration, class, race, and the trapdoors in the American Dream—the unforgettable story of a young Cameroonian couple making a new life in New York just as

the Great Recession upends the economy
New York Times Bestseller • Winner of the PEN/Faulkner Award • Longlisted for the PEN/Open Book Award • An ALA Notable Book NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The New York Times Book Review • San Francisco Chronicle • The Guardian • St. Louis Post-Dispatch • Chicago Public Library • BookPage • Refinery29 • Kirkus Reviews Jende Jonga, a Cameroonian immigrant living in Harlem, has come to the United States to provide a better life for himself, his wife, Neni, and their six-year-old son. In the fall of 2007, Jende can hardly believe his luck when he lands a job as a

chauffeur for Clark Edwards, a senior executive at Lehman Brothers. Clark demands punctuality, discretion, and loyalty—and Jende is eager to please. Clark's wife, Cindy, even offers Neni temporary work at the Edwardses' summer home in the Hamptons. With these opportunities, Jende and Neni can at last gain a foothold in America and imagine a brighter future. However, the world of great power and privilege conceals troubling secrets, and soon Jende and Neni notice cracks in their employers' façades. When the financial world is rocked by the collapse of Lehman Brothers, the Jongas are desperate to keep Jende's job—even as their marriage

threatens to fall apart. As all four lives are dramatically upended, Jende and Neni are forced to make an impossible choice. Praise for *Behold the Dreamers* "A debut novel by a young woman from Cameroon that illuminates the immigrant experience in America with the tenderhearted wisdom so lacking in our political discourse . . . Mbue is a bright and captivating storyteller."—The Washington Post "A capacious, big-hearted novel."—The New York Times Book Review "Behold the Dreamers' heart . . . belongs to the struggles and small triumphs of the Jongas, which Mbue traces in clean, quick-moving paragraphs."—Entertainment Weekly "Mbue's writing is warm and

captivating.”—People (book of the week)
 “[Mbue’s] book isn’t the first work of fiction to grapple with the global financial crisis of 2007–2008, but it’s surely one of the best. . . . It’s a novel that depicts a country both blessed and doomed, on top of the world, but always at risk of losing its balance. It is, in other words, quintessentially American.”—NPR “This story is one that needs to be told.”—Bust “Behold the Dreamers challenges us all to consider what it takes to make us genuinely content, and how long is too long to live with our dreams deferred.”—O: The Oprah Magazine “[A] beautiful, empathetic novel.”—The Boston Globe “A witty, compassionate, swiftly

paced novel that takes on race, immigration, family and the dangers of capitalist excess.”—St. Louis Post-Dispatch “Mbue [is] a deft, often lyrical observer. . . . [Her] meticulous storytelling announces a writer in command of her gifts.”—Minneapolis Star Tribune

Festivals and the French Revolution--the subject conjures up visions of goddesses of Liberty, strange celebrations of Reason, and the oddly pretentious cult of the Supreme Being. Every history of the period includes some mention of festivals; Ozouf

shows us that they were much more than bizarre marginalia to the revolutionary process.

Students learning modern foreign languages often comment that it is just too hard to learn, and remember, all of vocabulary presented to them. Yes, there is a lot of content that needs to be covered, and a lot of vocabulary that needs to be learned. But there is a way of making this process engaging and motivating. Language lessons needn't be full of grammar worksheets, endless drilling and rote learning lists of vocabulary. Learning

languages isn't always fun and games. But these aren't games; they are fun learning activities. And they can help revolutionise language teaching; enabling teachers to authoritatively impart knowledge while fostering a thirst for knowledge and love of learning in their students. First, the Vocab Fun Learning Activities (VFLAs) learn the vocabulary in ways which will improve recognition and recall. Then, the Fun Learning Activities use this vocabulary knowledge to build sentences and paragraphs; explore and use this language while keeping the whole class engaged and actively learning. The activities are designed to encourage all students to participate and learn

more through enjoyment. Based on the author's extensive classroom experience, and underpinned by research into how students learn best, each activity comes complete with a detailed explanation and plenty of ideas for variations, differentiations and extensions. The activities come with example vocabulary lists in French, German and Spanish as a starting point, which are all available for download via a link provided in the book. However, the activities will work effectively in any language and with any vocabulary list of the teacher's choosing, and can be adapted to suit every topic, learning objective and age range. Discover ready to use activities

which will make for outstanding lessons in every class and ensure engagement, motivation, rapport, progress and attainment over time.
