Or living a financially free life that gives you both - the time and money to live it to the fullest? Don't you want to give up the taxing 9-5 grind for a more gratifying and fulfilling life that allows

you to do everything you've ever dreamt of? What is your dream? Travelling the world? Opening a shelter for animals? Starting a dance school? Unless you are slated to receive a huge inheritance, chances are your dreams are likely to be compromised by reality, by the concept of job/financial security. How about never having to look at the menu before ordering a dish or

worrying about how your next bill will be paid? Think about a life without financial stress. Irrespective of why you want to attain financial freedom, this book hands you all the information you should know about building profitable sources of online passive income. It gives you tried and tested strategies, little known tips and step by step processes to set up businesses

you can be proud of, without much investment. The book is packed with easy to follow and actionable pointers, which you can start implementing almost immediately, even if you are a newbie. You will learn everything from how to build profitable and high-income generating blogs to cracking the secret code for creating killer membership sites to breaking it with You Tube

videos. The there are powerful tips on building an eBook empire and selling with FBA. I've tried to include a variety of online income generating channels to help you pick the ones that best suit your interests and business goals. I have both - good and bad news for you. Let's go with the bad first. Creating passive income is not an overnight process or similar to a get rich quick scheme. It

takes consistent efforts, time and innovation. Now the good news - once everything is set you need to put minimal effort to experience a surge of income in the long run. Over a period of time, your efforts will reduce and the income will swell. You can literally make money while you are travelling on a fancy cruise. Passive income will liberate you from the cycle of scarcity, inadequacy

and a life filled with compromises. The decision to break free from that cycle is yours. So, what are you going to choose?

Have you ever dreamt of earning money while you sleep? You may have read about some of the success stories and quite possibly have dismissed them as a scam. However, making money without physically working is possible! A passive income is any source of income which is received without any physical effort on your part. In fact, most forms of passive income require a large amount of work at the start of the project and will need some upkeep for as long as you continue with the income stream. It is actually passive for much of the time as once it has all been established the amount of time you would need to commit to maintaining your income is minimal. Passive income is not a new concept, it has been established for many years in the physical world, investing in shares or real estate can provide a good income if handled properly for very little work, although it does need planning and some effort at the start! This book describes in more detail

what passive income is and the main types of passive income which can be generated via the internet. The book covers the most well known income streams and provides information on what they are and how to establish your own version of these passive incomes. There are also several tips listed to assist you in planning and implementing any passive income stream. The biggest

lesson, which is repeated in the book, is that you must be prepared to put the effort in at the start to reap the rewards later. Anyone can start an online business, the majority of these business ideas and ventures can be started with little or no expenditure; the only requirement is a computer and a little knowledge of how to access the internet. The rest can be learnt from this book or by using the

services of another professional who is making a living via the power of the internet! The only limit on your business venture and potential earnings is your imagination! Start a side venture now and watch it slowly build into a self supporting income stream. You may not be able to quit your job tomorrow but follow the guidance in this book and you will be well on your way to

earning a passive income. You can take charge of your future if you act today!
