Encyclopedia of Islam and the Muslim World Ashgate Publishing, Ltd.

Who is Allah? What does He ask of those who submit to His teachings? Pulitzer Prize-winner Jacke Miles gives us a deeply probing, revelatory portrait of the world's second largest, fastest-growing and perhaps most tragically misunderstood religion. In doing so, Miles illuminates what is unique about Allah, His teachings, and His resolutely merciful temperament, and he thereby reveals that which is false, distorted, or simply absent from the popular conception of the heart of Islam. So, too, does Miles uncover the spiritual and scriptural continuity of the Islamic tradition with those of Judaism and Christianity, and the deep affinities among the three by setting passages from the Hebrew Bible, the New Testament, and the Qur'an side by side. In the spirit of his two previous books, *God and Christ*, and with his characteristic sensitivity, perspicacity and prodigious command of the subject, Miles calls for us all to read another's scriptures with the same understanding and accommodating eye that we turn upon our own.

The prophetic clock is ticking. We are living in tumultuous times. In this eye-opening book, Jimmy Evans examines biblical prophecies about the end times and points to their unmistakable parallels with today's world. With clear, insightful analysis of Scripture, he answers many common questions, such as: • Are we living in the end times? • How should Believers respond to increasing immorality? • Will Christians go through the Tribulation? • What role does Israel play in God's prophetic plan? • Are COVID-19 and other world events announcing the imminent return of Jesus? Ultimately, Tipping Point will help you understand current events with confidence. There is no going back, but hope and peace are possible as God's plan unfolds and we approach the end of the age. Jimmy Evans is senior pastor of Gateway Church in the Dallas/Fort Worth Metroplex and holds an honorary doctorate of literature from The King's University. Of all of the books in the entire world, there is only one that is free of errors and defects, and that Book is none other than the Noble Quran. The word 'magnificent' is a loose translation of the word that is used in the title of the original Arabic version of this book: 'Adhama. 'Adhama conveys many similar meanings, such as magnificence, grandeur, greatness, exaltedness, and splendor. In the times we live in, great masses of people are ignorant of the greatness and magnificence of the

Noble Quran; hence the dire need of books that deal specifically with the subject-matter of this work. The objective of this book is to reveal to readers certain aspects of Quran's greatness and magnificence. This book shows readers that Allah (SWT) bestowed a great favor upon the Prophet (PBUH) and the people of his nation by giving them the best and most magnificent of all divinely revealed books. The author warns Muslims not to become heedless of the Noble Quran. For it is every Muslim's duty not just to recite the Quran, but also to understand it, to reflect upon its meanings, and to implement its rulings and teachings. This book also corrects some of the more dangerous misconceptions that people have regarding the Noble Quran.

Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi'a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought!
