Thor has returned from The Hundred as a hardened warrior, and now he must learn what it means to battle for his homeland, to

battle for life and death. The McClouds have raided deep into MacGil territory -- deeper than ever before in the history of the Ring -- and

as Thor rides into an ambush, it will fall on his head to fend off the attack and save King's Court. Thor's friendships deepen, as they journey to new places, face unexpected monsters and fight side by side in unimaginable battle. Thor journeys to his hometown and, in an epic confrontation with his father, he learns a great secret of his past, of who he is, who his mother is -- and of his

destiny. THE WEIGHT OF HONOR is book #3 in Morgan Rice's bestselling epic fantasy series *KINGS AND SORCERERS* (which begins with *RISE OF THE DRAGONS*, a free download)! In *THE WEIGHT OF HONOR*, Kyra finally meets her cryptic uncle, and is shocked to discover he is not the man she expected. She embarks

on a period of training which will test her stamina and her frustration, as she soon encounters the limits of her power. Unable to summon her dragon, unable to search deep within, and feeling an urgency to help in her father's wars, Kyra doubts if she will ever become the warrior she thought she was. And when she meets a mysterious boy, more powerful than her, deep in

the forest, she wonders what her future really has in store for her. Duncan must descend the peaks of Kos with his new army and, vastly outnumbered, launch a risky invasion on the capital. If he wins, waiting behind its ancient walls, he knows, will be the old king and his nest of nobles and aristocrats, all with their own agendas, all of them as quick to betray as they are to embrace. Unifying Escalon may,

indeed, be harder than freeing it. Alec, in Ur, must tap his unique skills in the forge to aid the resistance if they have any chance of defending against the looming Pandesian invasion. He is awestruck when he encounters Dierdre, the strongest girl he has ever meet.
