June Allard and Publisher Pearson. Understanding and Managing Diversity 6th edition ...Managing diversity is about focusing on talent. It's important to think of diversity as one important component of the (so called) "talent wars." As companies compete to hire the brightest and best talent, it is important to realize that a lot of that talent will increasingly come from diverse communities and global growth markets. Why is managing diversity in the workplace a business imperative? Managing Diversity: The Reasons Why and How To Do It Managing diversity is a process by which the organization, not the employees, makes the effort to embrace differences, however, there are no standardized strategies for managing cultural diversity. An individual can appreciate differences, be free of bias, and still not know how to manage a diverse work team. It boils down to a leadership issue. UNDERSTANDING AND MANAGING DIVERSITY: THE PERSONNEL ...Managing diversity in the workplace means that businesses need to keep abreast of changing employer-related laws and trends, especially diversity-related changes. Organizations should regularly review internal policies, especially those around harassment and equal opportunity, and make sure they reflect the most current laws and regulations. GETTING IT RIGHT:
