Foul Trouble Hachette Books

A portrait of legendary golfer Arnold Palmer from a New York Times–bestselling sportswriter, with numerous photos included. Over a career spanning more than half a century, Arnold Palmer amassed an astounding record of ninety-two worldwide titles, four Masters championships, a US Open crown, and back-to-back British Open victories, truly earning his nickname “the King”—as well as a legion of loyal fans who came to be known as “Arnie’s Army.” He exuded a charisma that America loved—and even had a drink named after him. In this chronicle of one of the greatest players ever to swing a club, renowned sportswriter John Feinstein provides a vivid biographical portrait of golf’s most beloved icon. Accompanied by Walter looss’s superb photographs, The Classic Palmer lets golf lovers travel with Palmer on his journey from amateur to pro, from pro to master, and from master to legend.

When a group of middle-class buddies obsessed with golf set up a bet to see who can finagle their way onto the nearby private course, their friendship is tested in ways they had never expected in this humorous novel from Rick Reilly, one of America’s most popular sportswriters. Missing Links is the story of four middle class buddies who live outside of Boston and for years have been 1) utterly obsessed with golf and 2) a regular

foursome at Ponkaquoque Municipal Course and Deli, not so fondly known as Ponky, the single worst golf course in America. Just adjacent to these municipal links lies the Mayflower Country Club, the most exclusive private course in all of Boston and a major needle in their collective sides.

Frustrated by the Mayflower's finely manicured greens and snooty members, three of Ponky's finest and most courageous—Two Down, Dannie, and Stick—set up a bet: \$1,000.00 apiece, and the first man to somehow finagle his way on to the Mayflower course takes all. Lying, cheating, and forgery are encouraged, to put it mildly, and with the constant heckling and rare aid of Chunkin' Charlie, Hoover, and Bluto—a few more of Ponky's elite—the games begin. One of the three will eventually play the Mayflower's course, but their friendships--and everything else--will change as various truths unravel and the old Ponky starts looking like the home they never should have left.

Unplayable Lies Little, Brown

How we walk, where we walk, why we walk tells the world who and what we are. Whether it's once a day to the car, or for long weekend hikes, or as competition, or as art, walking is a profoundly universal aspect of what makes us humans, social creatures, and engaged with the world. Cultural commentator, Whitbread Prize winner, and author of Sex Collectors Geoff Nicholson offers his fascinating, definitive, and personal ruminations on the literature, science, philosophy, art, and history of walking. Nicholson finds people who walk only at night, or naked, or in the shape of a cross or a circle, or for thousands of miles at a time, in costume, for causes, or for no reason whatsoever. He examines the history and traditions of walking and its role as inspiration to artists, musicians, and writers like Bob Dylan, Charles Dickens, and Buster Keaton. In The Lost Art of Walking, he brings curiosity, imagination, and genuine insight to a subject that often strides, shuffles, struts, or lopes right by us.

Beyond golf's polished surface there lies a world not often seen by the average fan. The caddy sees everything - the ambition, the strategy, the rivalries, the jealousies - that occurs behind the scenes. Award-winning John Feinstein, America's favourite sportswriter, got one of golf's legendary caddies to reveal the secrets behind the most popular sport of our time. Bruce Edwards was diagnosed with Lou Gehrig's disease in January 2003, a progressive disease that attacks nerve cells in the brain and the spinal cord, but he dominated coverage of the 2003 US Open. This is a position not usually bestowed on a caddy, but Edwards was no ordinary caddy. In 1973, after forgoing college, Edwards walked on the course behind a young Tom Watson and never looked back. Watson would go on to win eight major titles with Bruce Edwards by his side. Edwards continued to do the job he had dedicated more than half his life to right up to his death in April 2004, aged 49. This is a moving, dramatic and thoughtful book about a life devoted to sports.

Newton on the Tee Villard

Based on dozens of shocking interviews with some of the most influential names in sports, this is the urgent and revelatory examination of racial inequality in professional athletics America has been waiting for. Commentators, coaches, and fans alike have long touted the diverse rosters of leagues like the NFL and MLB as sterling examples of a post-racial America. Yet decades after Tommie Smith and John Carlos raised their fists in a display of Black power and pride, and years after Colin Kaepernick shocked the world by kneeling for the national anthem, the role Black athletes and coaches are expected to perform—both on and off the field—still can be determined as much by stereotype and old-fashion ideology as ability and performance. Whether it's the pre-game moments of resistance, the lack of diversity among coaching and managerial staff, or the consistent undervaluation of Black quarterbacks, racial politics impact every aspect of every sport being played—yet the gigantic salaries and glitzy lifestyles of pro athletes often disguise the ugly truths of how minority players are treated and discarded by their White bosses. John Feinstein crisscrossed the country to secure personal interviews with quarterbacks, coaches, and more, revealing the stories none of us have heard (but all of us should know). Seventy-five years after Jackie Robinson broke baseball's color line, race is still a central and defining factor of America's professional sports leagues. With an encyclopedic knowledge of professional sports, and shrewd cultural criticism, John Feinstein uncovers not just why, but how, pro sports continue to perpetuate racial inequality.

After winning 6 of the 12 Majors from 2000 to 2002, Tiger Woods struggled in 2003. Four unknown golf players -- Mike Weir, Jim Furyk, Ben Curtis, and Shaun Micheel -- would seize the day, rising to become champions in his wake. Mike Weir -- considered a good golfer but not a great one -- triumphed in The Masters, becoming the first Canadian to win a Major. Jim Furyk emerged victorious in the U.S. Open. In the British Open, Ben Curtis became the only player since Francis Ouimet in 1913 to prevail on his first time out, and Shaun Micheel came from nowhere to prevail at the PGA Championship. How does one moment of glory affect the unsung underdog for years to follow? In *Moment of Glory*, John Feinstein returns to the unlikely year of 2003 and chronicles the personal and professional struggles of these four players. With great affection for the underdog and extraordinary access to the players, he then looked to the 2008 season, giving readers an insider's look into how winning (and losing) major championships changes players' lives.

It is the tournament that separates champions from mortals. It is the starting point for the careers of future legends and can be the final stop on the down escalator for fading stars. The annual PGA Tour Qualifying Tournament is one of the most grueling competitions in any sport. Every fall, veterans and talented hopefuls sweat through six rounds of hell at Q school, as the tournament is universally known, to get a shot at the PGA Tour, vying for the 30 slots available. The grim reality: If you don't make it through Q school, you're not on the PGA tour. You're out. And those who make it to the sixday finals are the lucky ones: hundreds more players fail to get through the equally grueling first two stages of the event. John Feinstein tells the story of the players who compete for these coveted positions in the 2005 Q school as only he can. With arresting accounts from the players, established winners, rising stars, the defeated, and the endlessly hopeful, America's favorite sportswriter unearths the inside story behind the PGA Tour's brutal all-or-nothing competition.
