New Cutting Edge Upper Intermediate(Class Tape 3□) Longman
 This is a special title that will be both technically useful and visually stimulating to the reader.

Cutting Edge Gold Eagle

A chilling noir collection featuring fifteen crime and mystery tales and six poems from female authors. Joyce Carol Oates, a queen-pin of the noir genre, has brought her keen and discerning eye to the curation of an outstanding anthology of brand-new top-shelf short stories (and poems by Margaret Atwood!). While bad men are not always the victims in these tales, they get their due often enough to

satisfy readers who are sick and tired of the gendered status quo, or who just want to have a little bit of fun at the expense of a crumbling patriarchal society. This stylistically diverse collection will make you squirm in your seat, stay up at night, laugh out loud, and inevitably wish for more. With stories by: Joyce Carol Oates, Margaret Atwood (poems), Valerie Martin, Aimee Bender, Edwidge Danticat, Sheila Kohler, S.A. Solomon, S.J. Rozan, Lucy Taylor, Cassandra Khaw, Bernice L. McFadden, Jennifer Morales, Elizabeth McCracken, Livia Llewellyn, Lisa Lim, and Steph Cha. Praise for Cutting Edge "The indefatigable Joyce Carol Oates gathers a strong list of names . . . Emerging and established authors provide attention-grabbing short works: especially notable are Edwidge Danticat's story on the quotidian horror of domestic violence,

Bernice L. McFadden's comic take on the appropriation of racial friendship, and Lisa Lim's illustrations of a grotesque marriage." —Alfred Hitchcock Mystery Magazine "But of course, in the end, it isn't the themes or the innovations on the format of the short story anthology that make the tales collected in Cutting Edge most "feel" as if you were reading Joyce Carol Oates herself. It is the writing. The tight plots and fresh, flowing prose that go about their business until—snap!—the story's well-oiled mousetrap does its job." —New York Journal of Books "The 15 stories and six poems in this slim yet weighty all-original noir anthology . . . are razor-sharp and relentless in their portrayal of life, offering snapshots of dysfunction, everyday toil, and brief joy. It is unusual, however, in its scope, zeroing in not only on what the female characters

endure but what they dish out . . . Each story sears but does not cauterize, leaving protagonists and readers raw . . . Fans of contemporary crime fiction won't want to miss this one." —Publishers Weekly
New Cutting Edge Longman
DANGEROUSLY GOOD. DISTINCTIVELY DEEVER. Lincoln Rhyme and Amelia Sachs return to New York City to confront a killer terrorizing couples at their happiest--and most vulnerable. In the early hours of a quiet, weekend morning in Manhattan's Diamond District, a brutal triple murder shocks the city. Lincoln Rhyme and Amelia Sachs quickly take the case. Curiously, the killer has left behind a half-million dollars' worth of gems at the murder scene, a jewelry store on 47th street. As more crimes follow, it becomes clear that the killer's target is not gems, but engaged couples themselves. The Promisor vows to take the lives of men and women during their most precious moments--midway through the purchase of an engagement ring, after a meeting with a wedding planner, trying on the perfect gown for a day that will never come. The Promisor arrives silently, armed with knife or gun, and a time of bliss is transformed, in an instant, to one of horror. Soon the Promiser makes a dangerous mistake: leaving behind an innocent witness, Vimal Lahori, a talented young diamond cutter, who can help Rhyme and Sachs blow the lid off the case. They must track down Vimal before the killer can correct his fatal error. Then disaster strikes, threatening to tear apart the very fabric of the city--and providing the perfect cover for the killer to slip through the cracks.

New Language Leader Cambridge University Press

Teachers are obsessed with telling you what to learn. The problem is, nobody teaches you how to learn. This is all about to change. In his new book, *How To English*, Adam David Broughton shares a revolutionary and powerful system that teaches you exactly how to make incredible progress in all aspects of English. In *How To English*, you will learn 62 practical techniques to become an independent learner in 31 days, and everything you will ever need to get the level you've always wanted in English and enjoy the process. How to master English fluency How to listen perfectly in English How to stop making mistakes in English How to improve your pronunciation How to expand your vocabulary in English How to have perfect English grammar How to stay motivated, be disciplined and create a habit ...and 55 other amazing techniques. Everyone knows that it's not what you do in class that determines your progress in

English, it's what you do when you are not in class. However, English learners often don't know what to do. As a result, at some point, every English learner stops making progress. Then they get frustrated. *How To English* is the antidote to this frustration. When you learn how to learn English, you never need to worry about what you learn in English.

Cutting Edge Elementary Cambridge University Press

This is an elementary level text for learners of the English language.

Cutting Edge Longman

Engaging texts, new video content and a comprehensive digital package are just some of the features that make this fully revised edition even more effective.

How To English Simon and Schuster
face2face is the flexible, easy-to-teach General English course that helps adults and young adults to speak and listen with confidence. **face2face** is informed by Cambridge English Corpus and its vocabulary syllabus has been mapped to the English Vocabulary Profile, meaning students learn the language they really need at each CEFR level. The course improves students' listening skills by drawing their attention to the elements of spoken English that are difficult to understand. The free DVD-ROM in the Student's Book includes consolidation activities and electronic portfolio for learners to track their progress with customisable tests and grammar and vocabulary reference sections.

Get more out of your legacy systems: more performance, functionality, reliability, and manageability Is your code easy to change? Can you get nearly instantaneous feedback when you do change it? Do you understand it? If the answer to any of these questions is no, you have legacy code, and it is draining time and money away from your development efforts. In this book, Michael Feathers offers start-to-finish strategies for working more effectively with large, untested legacy code bases. This book draws on material Michael created for his renowned Object Mentor seminars: techniques Michael has used in mentoring to help hundreds of developers, technical managers, and testers bring their legacy systems under control. The topics covered include Understanding the mechanics of software change: adding features, fixing bugs, improving design, optimizing performance Getting legacy code into a

test harness Writing tests that protect you against introducing new problems Techniques that can be used with any language or platform—with examples in Java, C++, C, and C# Accurately identifying where code changes need to be made Coping with legacy systems that aren't object-oriented Handling applications that don't seem to have any structure This book also includes a catalog of twenty-four dependency-breaking techniques that help you work with program elements in isolation and make safer changes.
