Chunky, kawaii, blocky and adorable, these 16 clever folded paper animals all conceal a secret—they double as containers to store precious objects or small gift items like money, candy or notes. Though they're perfect for those special gifts to friends and loved ones, these cute animal models are almost too sweet to give away! You'll want to fold up the entire collection and display it proudly on your own desk or shelf. Each animal model has its own distinct personality: The pointy-nosed Collie is eager to please, sitting at attention waiting for you to put something in the recess on her back Two different Fat Hippo models appear to be wading, open-mouthed and hungry for something to eat A two-toned Chunky Whale has enough room in its belly for little candies, folded money or secret notes A pair of friendly Box Dragons stand ready to guard whatever you entrust to them, be it a golden treasure or a special keepsake A chicken family—complete with Hen, Rooster, their cute Little Chick and a Baby Hatchling And many more! The full-color book in this kit contains detailed step-by-step folding instructions for each model as well as a clear overview of the origami paper folding basics. There is enough colorful folding paper provided with the kit to allow you

to create each of the models. This kit includes: A full-color 64-page instruction book Step-by-step folding instructions 48 high-quality single-sided origami sheets that can be printed and folded

"Through the intricate art of origami, LaFosse and Alexander succeed in educating all ages about wildlife conservation and the importance of preserving our Earth's endangered animals." --Jack Hanna A portion of the proceeds benefit wildlife conservation. An interactive way to foster appreciation and understanding of our planet's endangered species! Origami Endangered Animals Kit, from master origami artists Michael LaFosse and

Richard Alexander, is designed to educate and entertain in equal measure. This origami kit includes everything you need: 48 large sheets of high-quality double-sided folding paper A full-color 64-page instruction book Free online video demonstrations Educational notes about endangerment and threatened species The 12 animals featured in this kit range from the diminutive Macaque to the massive Blue Whale, and also include: The Leopard: These big cats are the victims of shrinking habitats and trophy hunters. Only 12,000 to 14,000 remain in the world. The Rhinoceros: These animals are frequent targets of poachers. There are 28,000 to 30,000 individuals remaining. The Macaque: These clever primates suffer from disease and shrinking habitats as farmlands expand. The Gorilla: These critically endangered primates are being rapidly hunted to extinction. The Sea Turtle: Ungainly on land, these reptiles are victims of beach development, bycatch, poaching, marine debris, and more. The Tiger: A ferocious apex predator, these big cats suffer from shrinking habitats, hunting, and poaching. Only 8,000 to 10,000 individuals remain, half of them in captivity. The Elephant: The largest land mammal, these massive herbivores are threatened by habitat loss and poaching. The Great White Shark: These impressive predators are critically endangered due from overfishing, and slow reproductive maturity. Only around 3,500 individuals remain. The Blue Whale: The largest animal on earth, tipping the scales at over 120 tons! These giants were nearly hunted to extinction and are now recovering their numbers, but face many environmental challenges. There are estimated to be 10,000 to 25,000 individuals remaining

in the world. The Emperor Penguin: These majestic flightless birds live exclusively in the southern hemisphere. Not yet endangered, but severely threatened. The Giant Panda: These cuddly bears are threatened by habitat pressure and low birthrates. Only around 1,200 remain in the world. The Australian Sea Lion: These mammals spend most of their time in the water and are heavily hunted, their food sources heavily fished out until recently. Fewer than 15,000 individuals remain. These fun-to-fold paper animals are an ideal way to bring natural beauty into your home or office, while also highlighting the plight of endangered wildlife species. Animal figures are the most popular form of origami, and now anyone can use them to learn more about these important species.

Macaws squawk, snakes coil, and monkeys swing. Follow true-to-size rain forest animals as they journey through a noisy, colorful ecosystem like no other on Earth. Bright, realistic illustrations of a busy Amazon rain forest depict a plethora of creatures-- all drawn at life size!-- going about their daily lives, from a family of three-toed sloths to a four-page, forty inch wide, foldout of an anteater. Simply-written, intriguing descriptions accompany the rich artwork, revealing the animals' habitats and introducing fascinating trivia about the creatures and their ecosystem. A two-page key reveals how all the illustrated spreads fit together into one huge panorama showcasing all four layers of an Amazonian rainforest. Readers can retrace their steps and follow the journey, from the forest floor to the heights of the canopy, revisiting all the unique creatures along the way. Budding conservationists will love this immersive introduction to one of the most biodiverse places on Earth. Over half the world's plant and animal species live in tropical rain forests such as the Amazon. Protecting rain forests from the devastating effects of logging, mining, and climate change is essential to ensure the survival of so many fascinating creatures. A glossary, description of the four layers of the rainforest, an index, a map of rainforests worldwide, and a section on protecting rain forests are included in the backmatter of this well-researched, beautiful picture book. For another life-size journey through a fascinating ecosystem, don't miss Roxie Munro's Dive In! A Booklist Top 10 Sci-Tech Book for Young Readers Animal Origami for the Enthusiast Tuttle Publishing
