**Neill Lochery - Wikipedia**

This fascinating chapter of the long history of Lisbon was the focus of Lisbon: War in the Shadows of the City of Light, 1939-1945 by Neill Lochery. Lisbon had a forgotten role in World War II. It was the only European city in which the Allies and the Axis power could walk freely. Portugal had escaped the war, but the war still came to Portugal.

Lisbon War In The Shadows

Lisbon had a pivotal role in the history of World War II, though not a gun was fired there. The only European city in which both the Allies and the Axis power operated openly, it was temporary home to much of Europe's exiled royalty, over one million refugees seeking passage to the U.S., and a host of spies, secret police, captains of industry, bankers, prominent Jews, writers and artists ...

In this riveting narrative, renowned historian Neill Lochery offers a

revelatory portrait of World War II's back stage as he tells the

story of how Portugal, a relatively poor European country trying

frantically to remain neutral amidst extraordinary pressures, survived the war not only physically intact but significantly wealthier. The country's emergence as a prosperous European Union nation ...
