**John Muir, in His Own Words** Bloomsbury Publishing USA

50 Essays A Portable Anthology Macmillan Higher Education

*Gods and Soldiers* Pioneer Drama Service, Inc.

Beyond black and white, native and alien, lies a vast and fertile field of human experience. It is here that Eric Liu, former speechwriter for President Clinton and noted political commentator, invites us to explore. In these compellingly candid essays, Liu reflects on his life as a second-generation Chinese American and reveals the shifting frames of ethnic identity. Finding himself unable to read a Chinese memorial book about his father's life, he looks critically at the cost of his own assimilation. But he casts an equally questioning eye on the effort to sustain vast racial categories like "Asian American." And as he surveys the rising anxiety about China's influence, Liu

illuminates the space that Asians have always occupied in the American imagination. Reminiscent of the work of James Baldwin and its unwavering honesty, *The Accidental Asian* introduces a powerful and elegant voice into the discussion of what it means to be an American.

*50 Essays from the First 50 Years* Bedford/St. Martin's

A collection by the pop culture commentator includes some of his most noteworthy profiles and trend stories, a selection of favorite opinion pieces, and a semi-autobiographical short story, in a volume complemented by twenty "hypothetical questions."

**The Oxford Book of American Essays** Bedford/St. Martin's

A one-of-a-kind collection showcasing the energy of new African literature. Coming at a time when Africa and African writers are in the midst of a remarkable renaissance, *Gods and Soldiers* captures the vitality and urgency of African writing today. With stories from northern Arabic-speaking to southern Zulu-speaking writers, this collection conveys thirty different ways of approaching what it means to be African. Whether about life in the new urban melting pots of Cape Town and Luanda, or amid the battlefield chaos of Zimbabwe and Somalia, or set in the imaginary surreal landscapes born out of the oral storytelling tradition, these stories represent a striking cross section of

extraordinary writing. Including works by J. M. Coetzee, Chimamanda Adichie, Nuruddin Farah, Binyavanga Wainaina, and Chinua Achebe, and edited by Rob Spillman of Tin House magazine, *Gods and Soldiers* features many pieces never before published, making it a vibrant and essential glimpse of Africa as it enters the twenty-first century.

**Narrative of the Life of Frederick Douglass** Longman Publishing Group

"This is a resource for strength and conditioning professionals, health and fitness instructors, and personal trainers who use resistance training exercises in their own programs or in programs designed for others. College and university faculty and students will find that this manual and the online video clips complement hands-on instruction and aid in teaching exercise technique without requiring the use of a weight room. Further, this manual is a primary preparation resource for those preparing for NSCA's Certified Strength and Conditioning Specialist (CSCS), NSCA-Certified Personal Trainer (NSCA-CPT), Certified Special Population Specialist (CSPS), and Tactical Strength and Conditioning-Facilitator (TSAC-F) certification exams"--

**50 Essays** Macmillan Higher Education

From the best-selling authors of the most successful reader in America comes *Practical Argument*. No one writes for the introductory composition student like Kirsznner and Mandell, and *Practical Argument* simplifies the study of argument. A straightforward, full-color, accessible introduction to argumentative writing, it employs an exercise-driven, thematically focused, step-by-step approach to get to the heart of what students need to understand argument. In clear, concise, no-nonsense language, *Practical Argument* focuses on basic principles of classical argument and introduces alternative methods of argumentation. *Practical Argument* forgoes the technical terminology that confuses students and instead explains concepts in understandable, everyday language, illustrating them with examples that are immediately relevant to students' lives.

*The Penguin Anthology of Contemporary African Writing* Simon and Schuster

*Narrative of the Life of Frederick Douglass* First published in 1845, *Narrative of the Life of Frederick Douglass* is an eye-opening depiction of American slavery. Part autobiography, part human-rights treatise, it describes the everyday horrors inflicted on captive laborers, as well as the strength and courage needed to survive. *Narrative of the Life of Frederick Douglass* Born into slavery on a Maryland plantation in 1818, Frederick Douglass spent years secretly teaching himself to read and write—a crime for which he risked life and limb. After two failed escapes, Douglass finally, blessedly boarded a train in 1838 that would eventually lead him to New York City and freedom. *Narrative of the Life of Frederick Douglass* Few books have done more to change America's notion of African Americans than this seminal work. Beyond its historical and social relevancy, it is admired today for its gripping stories, the intensity of spirit, and heartfelt humanity. *Narrative of the Life of Frederick Douglass* This ebook has been professionally proofread to ensure accuracy and readability on all devices. *Narrative of the Life of Frederick Douglass* Born into a life of bondage, Frederick Douglass secretly taught himself to read and write. It was a crime punishable by death, but it resulted in one of the most eloquent indictments of slavery ever recorded. His gripping narrative takes us into the fields, cabins, and manors of pre-Civil War plantations in the South and reveals the daily terrors he suffered. *Narrative of the Life of Frederick Douglass* Written more than a century and a half ago by a Black man who went on to become a famous orator, U.S. minister to Haiti, and leader of his people, this timeless classic

still speaks directly to our age. It is a record of savagery and inhumanity that goes far to explain why America still suffers from the great injustices of the past. *Narrative of the Life of Frederick Douglass*

for the AP\* English Language Course W. W. Norton

"As is usually the case with most graduation tales, this account focuses on growing up. With greater intensity than ever before, the narrator of the story is confronted with the fact that she is black. A surprising twist to the graduation ceremony helps her see what that fact means to her." -- p. 2.

*A Taste of Cuba* Waveland Press

It is said that Cuban food reflects the Cuban spirit—a hearty appetite for the sweetness and richness of life, and a respect for tradition spiced with the spark of adventure. Here are enticing spiced fish and seafood dishes: sweet, creamy flans; savory paella; warm, hearty black beans and rice; and tropical rum drinks. You'll find almost 200 recipes for appetizers, soups, salads, breads, entrees, vegetables, desserts, and drinks that celebrate the colorful cuisine of Cuba, bringing its flavorful, tropical tastes to your table. Cuban cooking honors the melding of Spanish, Portuguese, and indigenous Cuban culinary traditions in dishes that have become uniquely Cuban. There are many recipes for authentic Cuban specialties, such as pasteles (spiced meat patties), tostones (fried green plantains), churros (fried dough with sugar), and refreshing batidos (fruit milkshakes), as well as gourmet-style recipes for the contemporary Caribbean dishes found in Cuban restaurants. Included too, is an invaluable guide to finding uniquely Cuban ingredients, such as plantain, yucca, malaga, and calabaza. *A Taste of Cuba* is flavorsome testimony to the ever-growing popularity of Cuban cuisine!

*Fifty Essays* Human Kinetics

The carefully chosen selections in *50 Essays* include both classic essays and high-interest, high-quality contemporary readings to hold students' interest, inspire their writing, and prepare them to work with nonfiction at the college level. *50 Essays* will help your AP® English Language students acquire the critical thinking and academic writing skills they need to succeed. AP® is a trademark registered and/or owned by the College Board, which was not involved in the production of, and does not endorse, this product. Macmillan

The best of John Muir -- 332 quotations, the distillation of his thought, the essence of his beliefs. Muir was the foremost conservationist of his time -- nature writer, social critic, realist, a romantic, a visionary. "A long-needed collection that features an excellent subject index. Painstaking bibliographic references make this an invaluable addition to one's Muir Library." (Yosemite Association.) If asked for a succinct statement of his beliefs, Muir might have replied:

*A Portable Anthology* Macmillan Higher Education

'Substantial' excerpts from three main works: *The origins of totalitarianism*, *The human condition*, and *Eichmann in Jerusalem* as well as essays and correspondence.

*After the End of History* Macmillan Higher Education

Combining concise but thorough instruction in the methods of development with a conscientiously picked selection of classic and contemporary model readings for writers, *40 Model Essays* contains advice on forming a thesis statement alongside a wealth of captivating new writing topics to help you succeed.

*Reading Pop Culture* Macmillan Higher Education

*50 Essays: A Portable Anthology* is the best-selling value-priced reader in the country because its virtues don't stop at the price. The book's carefully chosen selections include both classic essays and high-interest, high-quality contemporary readings to truly engage students. The editorial apparatus is flexible and unobtrusive enough to support a variety of approaches to

teaching composition. In its fifth edition, 50 Essays continues to help students acquire the critical thinking and academic writing skills they need to succeed, without making a dent in their wallets.

Essential Readings for the Nonbeliever W. W. Norton

Choose from the most comprehensive collection of plays. Enjoy accessible apparatus that helps students better analyze the works. Savor an eye-catching and informative illustration program focusing on performance. All for an unbeatable price. Revised in response to suggestions from hundreds of instructors and students, the Third Edition features five NEW plays (four in the Shorter Edition), NEW critical "Perspectives" sections, and an expanded suite of free digital resources.

*A Decade of Curious People and Dangerous Ideas* Macmillan Higher Education

The Little Norton Reader presents 50 essays from the first 50 years of The Norton Reader, classics like the "Letter from Birmingham Jail" along with newer favorites such as "Is Google Making Us Stupid?" and "Fun Home." Its small size makes it portable, and its low price makes it affordable.

Chuck Klosterman IV Penguin

The Norton Introduction to Literature presents an engaging, balanced selection of literature to suit any course. Offering a thorough treatment of historical and critical context, the most comprehensive media package available, and a rich suite of tools to encourage close reading and thoughtful writing, the Shorter Twelfth Edition is unparalleled in its guidance of understanding, analyzing, and writing about literature.

*The Norton Introduction to Literature* St. Martin's Press

A key challenge in the first-year composition course is to inspire students as readers and to spark the kind of thoughtful classroom discussion that leads to solid academic writing. As series editor of "The Best American Essays" Robert Atwan constantly scours a wide range of print and online periodicals, bringing to "America

Now" an unrivaled awareness of the best writing on today's hottest issues. To make these issues especially relevant for students, Atwan also explores hundreds of campus newspapers on the Internet to find the best student writing on current topics. These models by their peers from across the country show students that they, too, can share ideas through their own discussion and writing.

A Portable Anthology Penguin Group USA

On their debut, The Clash famously claimed to be "bored with the USA," but The Clash wasn't a parochial record. Mick Jones' licks on songs such as "Hate and War" were heavily influenced by classic American rock and roll, and the cover of Junior Murvin's reggae hit "Police and Thieves" showed that the band's musical influences were already wide-ranging. Later albums such as *Sandinista!* and *Combat Rock* saw them experimenting with a huge range of musical genres, lyrical themes and visual aesthetics. *The Clash Takes on the World* explores the transnational aspects of The Clash's music, lyrics and politics, and it does so from a truly transnational perspective. It brings together literary scholars, historians, media theorists, musicologists, social activists and geographers from Europe and the US, and applies a range of critical approaches to The Clash's work in order to tackle a number of key questions: How should we interpret their negotiations with reggae music and culture? How did The Clash respond to the specific socio-political issues of their time, such as the economic recession, the Reagan-Thatcher era and burgeoning neoliberalism, and international conflicts in Nicaragua and the Falkland Islands? How did they reconcile their anti-capitalist stance with their own success and status as a global commodity? And how did their avowedly inclusive, multicultural stance, reflected in their musical diversity, square with the experience of watching the band in performance? *The Clash Takes on the World* is essential reading for scholars, students and general readers interested in a band whose popularity endures.
