The Amazing Munro Method is a practical
guide to a fascinating new emotional &
spiritual healing technique. Written in
large print with simple diagrams &
explanations, the book explains how
emotions are created and introduces a
fresh new, natural solution for removing
problem emotions and soothing a

troubled Soul. To journey with The Munro
Method is to sink deeply into your inner
senses and discover a fascinating
emotional ecology that powers
life. Adventurers use their own emotional
challenges and hidden hates & hurt to
transform fear, addiction, insecurity &
anger etc. into a profound sense of inner
peace. The Munro Method uses everyday
language to explain why you have
emotions, how your body makes them
and how to access, edit and change
what you feel. There's an assortment of
easy to follow meditations that help you

start healing straight away. The book also includes links to 10+ downloadable audio versions of the most popular meditations that guide you step by step through your feelings, and into a new way of living & loving life! Suitable for all levels of skill and ability.

Acclaimed by successful screenwriters and authors, Invisible Ink is a helpful, accessible guide to the essential elements of the best storytelling. Brian McDonald, an award winning screenwriter who has taught his craft at several major studios, supplies writers with tools to make their work more effective and provides readers and audiences a deeper understanding of the storyteller's art. When people think of a

screenplay, they usually think about dialogue-the "visible ink" that is readily accessible to the listener, reader, or viewer. But a successful screenplay needs Invisible Ink as well, the craft below the surface of words. Invisible Ink lays out the essential elements of screenplay structure, using vivid examples from famous moments in popular movies as well as from one of his own popular scripts. You will learn techniques for building a compelling story around a theme, making your writing engage audiences, creating appealing characters, and much more. Praise for Invisible Ink: ..".If I manage to reach the summit of my next story it will be in no small part due to having read Invisible Ink." -Andrew Stanton (cowriter Toy Story, Toy Story 2, A Bug's Life,

Monsters, Inc., and cowriter/director Finding Nemo and WALL-E) ..". Brian McDonald uses his deep understanding of story and character to pass on essential truths about dramatic writing. Ignore him at your peril." -Jim Taylor (Academy Award-winning screenwriter of Sideways and Election) ..". I recommend this fine handbook on craft to any writer, apprentice or professional, working in any genre or form." -Dr. Charles Johnson (National Book Award-winning author of Middle Passage) "If you want to write scripts, listen to Brian. The guy knows what he's talking about." -Paul Feig (creator of NBC's Freaks and Geeks, co-executive producer The Office) "With Invisible Ink Brian McDonald has written us a book to keep and heed forever because through the simple, graceful,

graspable, original wisdom of it, we might just save our screenwriting lives." -Stewart Stern (Screenwriter of Rebel Without a Cause)

The Golden Theme is the study of writing's essential commonality--the question of what makes writing and storytelling vital to human nature--by award-winning writer/director/producer Brian McDonald.

The Complete Guide to Fabrication and Animation Mars Publishing

From Brian McDonald, an expert on the narrative arts, comes a remarkable non-

fiction graphic novel about the art of storytelling. There is wisdom in the land of the dead, for it is the place that all stories lay to rest. And what is a story, if not a simulation of survival? Wielding his massive experience from film, tv, comics, and more Brian McDonald lays out a history of storytelling and shows the reader how the best tales tug at our truest biological instinct: the need to survive. Readers will see how different forms of survival--physical, emotional, spiritual--inform the arch of character development in a way that makes them more complex and compelling. And how plot and circumstance must then force your protagonist to meet their worst nightmare. Toby Cypress's electric art guides the reader through the underworld, visualizing each narrative

masterpiece, and bringing the ideas to life. Whether you're in film, books, comics, or simply a story enthusiast, this book offers a way to see character development and the crafting of plot through the lens of human questions of morality and mortality.

InkA Practical Guide to Building Stories

That Resonate Invisible Ink is a helpful, accessible guide to the essential elements of the best storytelling by award-winning writer/director/producer Brian McDonald. Readers learn techniques for building a compelling story around a theme, engaging audiences with writing, creating appealing characters, and much more. Invisible Ink A Practical Guide to Building Stories That Resonate An Ivy League degree propelled Stephen Graham into the world of corporate law. There he expected to be judged on his accomplishments-and he was. But unlike his white colleagues, Graham had to fight against a constant undercurrent of racial bias. Invisible Ink recounts Graham's experiences with bias and racism in corporate America. Unlike

racially motivated violence or overt bigotry, racial bias in the business world is usually subtle, often going undetected unless coaxed to the surface. Such racism is insidious and deeply ingrained in corporate America. Succeeding means battling against prejudice on a daily basis-all while white colleagues maintain racial bias doesn't exist or is of no consequence, dismissing attempts to confront prejudice as "playing the race card." Such is the environment Graham has navigated throughout his corporate career. His personal stories reveal the ever-changing contours of a racial bias that denigrates and demeans through continuous, low-grade attacks, grinding down its victims over time. That Graham succeeded in such an environment is a testament to his talent and dedication.

That such an environment should exist at all is indefensible.

Leave the Loser! shares inspiring stories from those who have endured unhealthy or abusive relationships and provides insights as to why some people leave while others stay. This book sheds light on some of the most common objections we have with ourselves as to why we cannot leave an unhealthy or abusive relationship, and offers a practical step-by-step guide to support the difficult choice of breaking free, if that is your choice. You will have the opportunity to evaluate your own situation and make

some empowering choices to change your life.

Do you feel overwhelmed by all the stuff in your home? Is your home office a messy file drawer of papers? Do you want to get organized, but you do not know where to start? This book will help you look at your stuff differently and put you on the right track to get organized and stay organized, so you can better enjoy life. We will consider the real value of our possessions. Is "real value" a dollar amount? Or the usefulness of the item? Or how it makes you feel? There are many ways to consider an item's value, none of them right or wrong. Everything is relative in terms of what is really important to you, whether it be

your time, your space, or your stuff.

Those lawyers lacking marketing expertise and operating with modest funds can find the help they need in this practical guide book. It provides a comprehensive overview of each element of marketing communications from advertising and branding to social media and websites. This second edition

also features a new chapter covering GDPR.

Interactive Storytelling Bloomsbury Publishing

Is this the year you are finally going to share your message with the world? Don't let the idea of having to write a book hold you back. It's easier than you think, and you don't even have to actually write the book yourself... Never thought about writing a book? Maybe you should consider it! Publishing a book will give you expert status, help spread your message and increase sales of your other products and services. It may even kick-start or boost your public speaking career. Writing, publishing and promoting a book has never been easier. You can do it in a week. This guide will teach you: The best kept secrets to a

quick start for writing, promotion and sales Smart writing process hacks Alternatives to writing the book yourself Self-publishing The keys to launching a successful book, superfast "I just published my book. What I haven't been able to achieve in the past three years I did in just 7 days!" Chris About the authors Esther Jacobs (The Netherlands, 1970) is an international (TEDx) speaker and author. Esther has given over 1000 keynotes and is (co)author of 21 books. Her workshops have helped over 400 entrepreneurs to write their book. The NO EXCUSES LADY helps leaders and entrepreneurs to transform their challenges into opportunities. Marie Stern (Germany, 1982) is an "Amazon Self-Publishing Ninja." She authored 7 bestselling Amazon books, even though

she wasn't even good at writing in school. However, she spent many hours browsing and reading in bookstores, discovering the secret behind successful books. As a former data mining analyst, she knows how important research is and how to find structure in any process. Marie helped many non-writers have their book written and likes to share her

best knowledge on how to self-publishing and sell books. Esther and Marie met at a conference, where they were giving a book writing workshop. They decided to write this book in just one day, using their own tested method. And now they're inviting you to try it, too!
