"Lust and Lace" is a short story collection of eight newly written Victorian romantic and sensual erotic short stories. Author's note: These short stories includes erotic themes for adult readers only, e.g. submission, debauchery, threesome, exhibitionism, mild ravishment, voyeurism, adultery, gay and lesbian erotic scenes. Reviews: "I loved this! Descriptive, sensual and a very pleasant read. I enjoyed it very much." - www.short-fiction.co.uk - "...It's a lovely story..." - www.oystersandchocolate.com - Rated four stars by readers' reviews. - www.shortstories101.com - Extracts from the stories: "...Not responsible for my actions..." she whispered slowly and stood up, tip-toe, and kissed him. He was too surprised to draw back and when he tried, she had already placed her unexpectedly strong arms around his neck and he

lacked the strength to pry them away. In fact, he felt strangely helpless, like it was someone else who acted instead of him, as he kissed her back. His hands involuntarily reached her waist and pulled her closer." - From the short story "View of a cemetery" "This, this is not really happening, is it?" Agnes whispered, breathless as Catherine started to undo her corset. "No, of course it is not," Catherine agreed, suppressing a small moan of delight as she pulled down the upper part of the linen undergarment and very attentively and experimentally kissed Agnes' soft round breasts. - From the short story "Wildflowers" "No, no, none of that..." he said teasingly, but reluctantly, as he moved her hands away. "Not yet," he added and smiled roguish at her disappointed sigh. I stayed petrified in front of the window as the scene continued before me. I felt feverish and out of breath myself, wishing with all my heart that someone would make love to me like that, but also keenly aware of that I was watching something entirely private and that it was both wicked and wrong of me to stay and look. - From the short story "Booklover" Product details: #9 on the Top 10 list of Victorian Erotica Romance

Summary: According to the rumours and secret gossip at Rochford, Miss Bellwood is a fallen woman, a despicable young lady who has lost her reputation forever due to an ill-chosen liaison and she is now more or less forced to leave London to lessen the scandal. But when Fanny Cole meets her for the first time, Miss Bellwood is absolutely nothing like she has expected. Fanny is a timid under maid who has left Ireland to escape the famine that is spreading throughout the country and she is—much to her own initial surprise—chosen to become Miss Bellwood’s lady’s maid. However, as time passes by the mystery behind Miss Bellwood’s story unravels and so does Fanny’s feelings for her new mistress... An extract from the story: “For months I had longed for her, even though I had not completely understood it myself, or perhaps was unwilling to admit it, and now when she was in my arms, kissing me and caressing my breasts through the black linen maid’s dress, it felt like my skin was on fire everywhere she touched me. My desire for her grew rapidly and perhaps even a little bit out of control as I tugged at her dress, revealing more of her soft breast. Without thinking, I acted on instinct, and tilting my head slightly, I bent down and kissed the edge of her pale breast, close to where the nipple was hiding under the lace edging of her silk chemise and the corset...”

Summary: The first snow has already fallen and covered London in white. A lone writer by the name of William is working late, when he notices a flickering light at the opposite of the street, by the neglected Winchester cemetery. He decides to investigate it further... Keywords: Yearning, vampires, vulnerability, hunger, mild ravishment. An extract from the story: “...Not responsible for my actions...” she whispered slowly and stood up, tip-toe, and kissed him. He was too surprised to draw back. When he tried, she had already placed her unexpectedly strong arms around his neck, and he lacked the strength to pry them away. In fact, he felt strangely helpless, as if it were someone else who acted instead of him as he kissed her in return. His hands involuntarily reached her waist and pulled her closer. She, on the other hand, shredded his clothes as if they were made of paper, and pulled him down toward the floor with him on top of her. Face Sitting: A Super Collection of Erotic Short Stories Jasmine Anderson

Summary: Strange dreams and suppressed desire are haunting the young master of a large and neglected mansion. Without knowing, the new servant, Victor, is the source of forbidden temptation. Keywords: Forbidden temptation, male erotica, suppressed desire, fellatio, lucky charms. An extract from the story: "Anything else, sir?" he said and just slightly leaned closer, while his mind was rebelling against his behaviour. What was he doing? Was he insane? He would lose his employment! Ah, but he had not done anything wrong. Not yet. "Anything, sir... What do you want me to do?" "Seduce me," James whispered back, breathlessly. "As you wish, Master," Victor said softly, as he gave free rein to his yearning and kissed him lightly. The kiss started gently, lips touching wet lips in short breaths, but as hands explored flesh, the kiss grew deeper and tongues met. They kissed again and half wrestled toward the old four-poster bed, ripping the bed curtains aside. Happy Ending: A Collection of Erotic Short Stories Sophie Palmer
To be a masterpiece, a work has to distinguish itself in many ways. It can offer a deeper insight, a more vivid image or a more surprising turn. Or it can be unique, truly peerless in its style. Having distinguished themselves in these ways, the works in this volume represent the very best of the Victorian imagination. There's poetry and prose, narrative and instructional guide; there's fetish, queer, s/m and vanilla; there's bawdy, tender and daring. These stories cannot fail to arouse, stimulate and amaze with their delightful sexiness and bold originality.

Master and Servant ~ The fourth story from "Lust and Lace", a Victorian Romance and Erotic short story collection Lucy Sterling "Secrets and Seduction" is a short story collection of five newly written Victorian romantic and erotic short stories and includes the following stories: The Lady in White Fallen Woman Nightly Hunting French Liaisons The Old Rose Garden Please note: These short stories includes erotic adult themes such as: Forbidden desire, romantic liaisons, debauchery, seduction, bisexual, threesome (MFF), semi-rough lovemaking, sensual erotica, and

lesbian romance themes. Extracts from the stories: "But still, this was nothing like that. It truly was the most innocent kiss. Nothing more, and nothing less," he thought as he gently pressed his lips against hers. And there was something absolutely maddening about kissing this slow and careful. Something perfectly irresistible about kissing so softly and restrained with the knowledge of what could be should they crossed the line. "Like walking on spring ice when you are tipsy," Ewan thought. Exhilarating, fun, but utterly dangerous." - From the short story "The Lady in White" An extract from the story: "For months I had longed for her, even though I had not completely understood it myself, or perhaps was unwilling to admit it, and now when she was in my arms, kissing me and caressing my breasts through the black linen maid's dress, it felt like my skin was on fire everywhere she touched me." - From the short story "Fallen Woman" "Warm, soft skin and ringlets of chestnut-coloured hair clouded his mind, obscured his vision and repeatedly diverted his focus. And when she skilfully managed to undo his coarse wool trousers so that his naked hardness suddenly was allowed to press directly against her unclad thighs and bottom, he knew that the battle was lost." - From the short story "Nightly Hunting" "At first he could not exactly identify what it was that was wrong, distracted by the combination of increasing carnal lust and the fact that his attentiveness was somewhat diminished since he had just woken up. Therefore, it was not until he felt a second female body embracing him from behind and a soft thigh entangle itself in between his own legs that Louis understood that something was very clearly amiss. "Qu'est-ce qui se passe?" he asked out loud in French, too confused to remember to speak

English. 'What is happening?' - From the short story "French Liaisons" Product details: Category: Victorian Romance and Erotica Format: Kindle eBook Written and published: 2013 Length: ~ 35500 words Proofread by Pauline Nolet Publisher: My Secret Quill About the author: Lady T. My Secret Quill

Summary: There is an old rose garden across the fields behind Halifax manor in Yorkshire where no one ever comes. Abandoned for years, moss and climbing ivy vines have long ago claimed the wooden pergolas and overgrown the white marble statues around the forgotten pond in the middle of the garden. No one ever comes there except Georgina; a young woman who everyone thinks is a little bit peculiar ever since that strange accident. But when her brother hires a couple of workers and a new gardener from the village to help clear up the gardens around the estate, everything will change... An extract from the story: "Did you not know that it is forbidden to run in the rose garden?" he mumbled and kissed my hair softly. "You made that up," I accused him and

tried to move away from him; however, he would not let me get away. Instead, he pulled me closer, and kissed and gently nibbled my earlobe. It tickled a little, but I also found it rather exciting, something that I knew he was perfectly aware of. I shivered despite the warm summer day. "There is a punishment for running in my garden," he continued and left a trail of soft kisses along my throat. I felt his grip around my waist increase slightly, and one of his hands travelled downwards and stroked my lower back. My heart beat faster, which was not entirely a result of having been running. "There is not." I giggled in protest.

"Besides, technically it is my garden and not yours! The old rose garden belongs to my family's estate, after all." "No one can own a garden, you silly girl. It belongs to the person who takes care of it, of course. Everyone knows that..." Keywords: Love story, roses, lightning storm, longing, sensual erotica.
