Explaining the Cross

Franciscan Media
Dozens of people claim
to know Jesus yet they

really don't know him
fully in terms of his
character, nature and
ministry. This is critical
because the whole
essence of Christianity
hinges on the
understanding of who
Jesus is, His ways,
operations and
ministry. Sadly, many

Christians grow up in church yet due to lack of revelation of God's word, they never grow in Christ. Some people mistake the identity of Christ by the chains with a cross they wear in their necks while others mistake him for the gifts they share during Christmas time. Like a toy store window the week before Christmas, Christianity has been brightly and colorfully packaged to offer free prizes to all who will come to Jesus. Yet after coming to Christ, we discover that an army of unrelenting demons which the Church has not equipped us to deal with has been unleashed against us from the Dark Kingdom. Genuine Christianity must not adapt itself to the games that the world

plays with names, labels, and positions. You will discover when you start fellowshiping deeply with the Lord Jesus Christ that many of the things people say He is are actually not true and many of the things Christians do in his name do not actually represent him in fullness. It is my prayer that through out this book, as a reader you will see, experience and encounter our Lord Jesus Christ not just as a divine personality but a real tangible person in a face to face encounter. This book does not operate in isolation, hence I urge you to read it in conjunction with my other books such as, "Understanding The Spiritual Legal Realm" because a foundational principles have already

been laid in other books. As I pondered on the deep revelations God communicated to my spirit, volumes of data opened up such that I had a massive influx of revelations pouring into my spirit concerning the reality of who Christ is. As I inundated my spirit with Throne Room Revelations form above, my knower busted forth with fresh waters from the Spirit as I was brought into an understanding of the reality of who Christ is. For this reason, this book is loaded with deep insight and revelatory nuggets into Christ-hood that will transform and catapult your life into a whole new trajectory. In this book, the Spirit of God revealed eternal

verities concerning the life, crucifixion, death and resurrection of Christ. My intent is to awaken you to a deeper knowledge of our Savior's work of redemption on behalf of all humanity. It is my sincere desire that you fall in love again with your savior Jesus Christ through what you will discover in this treatise. I believe how deep revelation is, is not necessarily defined by how strange something sounds or seems but how deep it takes the reader or listener into the things of God. I pray that the revelations encapsulated in this publication be the funnel that will take you into a depth in God that you have never experienced before. *Revelation: Beyond the Cross* Canongate U.S.

A world renowned author and scholar grapples with the problem of evil in a world supposedly ruled by a God who is all-loving and all-powerful.

Authorized King James Version Charisma Media

A dramatic tension confronts every Christian believer and interpreter of Scripture: on the one hand, we encounter images of God commanding and engaging in horrendous violence: on the other hand, we encounter the non-violent teachings and example of Jesus, whose loving, self-sacrificial death and resurrection is held up as the supreme revelation of God's character in the New Testament. How do we reconcile the tension

between these seemingly disparate depictions? Are they even capable of reconciliation? Throughout Christian history, many different answers have been proposed, ranging from the long-rejected explanation that these contrasting depictions are of two entirely different 'gods' to recent social and cultural theories of metaphor and narrative representation. The Crucifixion of the Warrior God takes up this dramatic tension and the range of proposed answers in an epic constructive investigation. Over two volumes, renowned theologian and biblical scholar Gregory A. Boyd argues that we must take seriously the full range of Scripture

as inspired, including its violent depictions of God. At the same time, we must take just as seriously the absolute centrality of the crucified and risen Christ as the supreme revelation of God. Developing a theological interpretation of Scripture that he labels a “cruciform hermeneutic,” Boyd demonstrates how Scripture’s violent images of God are completely reframed and their violence subverted when they are interpreted through the lens of the cross and resurrection. Indeed, when read through this lens, Boyd argues that these violent depictions can be shown to bear witness to the same self-sacrificial character of God that

was supremely revealed on the cross. [What Happened from the Cross to the Throne](#) Kregel Academic

A landmark in the conversation about race and religion in America. "They put him to death by hanging him on a tree." Acts 10:39 The cross and the lynching tree are the two most emotionally charged symbols in the history of the African American community. In this powerful new work, theologian James H. Cone explores these symbols and their

interconnection in the history and souls of black folk. Both the cross and the lynching tree represent the worst in human beings and at the same time a thirst for life that refuses to let the worst determine our final meaning. While the lynching tree symbolized white power and "black death," the cross symbolizes divine power and "black life" God overcoming the power of sin and death. For African Americans, the image of Jesus, hung on a tree to die, powerfully grounded their faith that God was with them, even in the suffering of the lynching era. In a work that spans social history, theology, and cultural studies, Cone explores the message of the spirituals and

the power of the blues; the passion and of Emmet Till and the engaged vision of Martin Luther King, Jr.; he invokes the spirits of Billie Holliday and Langston Hughes, Fannie Lou Hamer and Ida B. Well, and the witness of black artists, writers, preachers, and fighters for justice. And he remembers the victims, especially the 5,000 who perished during the lynching period. Through their witness he contemplates the greatest challenge of any Christian theology to explain how life can be made meaningful in the face of death and injustice.

At the cross Christ made possible a "divine exchange" for everyone who believes in him. What is this exchange? Because Jesus endured all the evil due to humankind, believers can actually partake in all the good due to him. In this meaty book, acclaimed scholar Derek Prince explores the astounding results of the atonement for followers of Christ. In place of punishment, wounding, death, poverty, shame, and rejection, Christ freely offers forgiveness, healing, life, abundance, glory, and acceptance. In addition, Prince gives biblical grounding for five areas of deliverance that are made available through the cross:

deliverance from this present evil age, from the law, from self, from the flesh, and from the world. This brand-new edition includes a new mini-study course at the end of each chapter, perfect for individual or small group study.

The Book of Revelation. The Apocalypse. Words that often call to mind bizarre creatures, strange seals, dreadful plagues, and a slew of other mystifying symbols. Most of us approach this last book of the Bible with forebodings rather than hope. To us John's vision seems more like a nightmare. But the elderly apostle begins with a statement that

doesn't seem to fit the rest of the book: "The revelation of Jesus Christ." Apparently he intends to unveil something tremendously important about Jesus. Something life-changing. Something we can't afford to miss. Larry Lichtenwalter explores a side of Revelation seldom portrayed: Christ's passionate love for humanity. This recurring theme subtly appears in the imagery and symbolism throughout John's vision. The slain Lamb. The divine protective sealing. The blood-bleached-white robes. The heart-wrenching prayer of the saints. Without Christ's love, these scenes and symbols would mean nothing. Ultimately John's vision reveals

the extraordinary love of our Savior for His rebellious, undeserving children?and the incredible reasons we can love Him in return. *Volumes 1 & 2* Autumn House Publishing

Believe it or not, as they stood at the foot of the cross, the original disciples who walked in close companionship with Jesus knew nothing of the real mission of the man they followed. They did not realize who Christ was, why He came, why He had to suffer, and what was to be gained by His suffering. They did not know what happened on the cross, or during the three days and nights in the tomb before His resurrection. They did not know why the incarnation was important, or that it even was an

incarnation. All they could see was the undeserved suffering of their friend and rabbi. Now, legendary Bible teacher E. W. Kenyon reveals hidden truths there were not fully understood until the Pauline Revelation of the Epistles. Until God revealed these truths to the apostle Paul, no one understood why Christ came...why His death on the cross was necessary...or what exactly occurred in the tomb. They did not comprehend the good news: that because of these events, we now become the righteousness of God, people who can stand in God's presence without a sense of guilt, shame, or inferiority. This is the miracle of redemption and the miracle of New

Creation. It is the confidence to overcome the devil, to heal disease, and to call Lazarus out of the tomb. To this day, far too many believers share the disciple's view of Jesus: a biographical account of the things He did, the words He spoke, and the suffering He endured. Because of this limited revelation, their Christian faith will experience the same fears and doubts the disciples were left with the day Jesus was crucified. Like the apostles at Pentecost, we must move beyond sense knowledge and into the Spirit realm. We must move beyond religion and into a living and active truth if we are to truly walk in a powerful and overcoming faith.

A deep shroud of mystery surrounds the book of Revelation, and it lends itself to a wide variety of interpretations. Its style and symbolism intimidate us and leave us bewildered; yet there is a thread of continuity and strength permeating its pages. Not just another book on Revelation, Dennis LaValley's "Revelation: Beyond the Cross" cuts through layers of poor translation and error to solve the problems presented by hundreds of years of misinformation. In a conversational style, LaValley writes to reveal Revelation's true purpose: the full, vivid story of Jesus's return to heaven after his ministry on Earth. Through meticulous

research, LaValley places Revelation back in the Bible, endows it with the authority of Scripture, and shows its relevance to the other books of the Bible and to the first-century Christian. He breaks down Revelation chapter by chapter and interprets the visions and symbols in accordance with the principles of apocalyptic literature using Scripture, not opinion. "Revelation: Beyond the Cross" shatters the bonds of tradition and superstition and strips away the mystery to reveal the pure and simple truth of the Gospel.

Revelation is often considered one of the

most confusing books of the Bible, and consequently it's regularly overlooked or ignored. But no longer. In *Between the Cross and the Throne*, Matthew Emerson walks us through the book of Revelation, unpacking its complex imagery and pointing out major themes. In conversational tone, he reminds us that Christ died, but he has risen. The Lord reigns, but evil persists. We live between Christ's ascension and his final conquest—and that should give us hope. Christian Poetry based upon thoughts from the Word of God WHICH CROSS ARE YOU ON? There are times in our lives when we will endure trials, tests, and even persecution. During those times we may question ourselves, our walk with God, and even God Himself. It was at that point in my life when these series of poems were written. I questioned God's plan, His purpose and even His presence in my life. During this period of repeatedly

asking God "Why," He pointed to the Scriptures concerning trials, persecution, and the cross. (Matthew 16:24 AMP) Then Jesus said to His disciples, "If anyone wishes to follow Me [as My disciple], he must deny himself [set aside selfish interests], and take up his cross [expressing a willingness to endure whatever may come] and follow Me [believing in Me, conforming to My example in living and, if need be, suffering or perhaps dying because of faith in Me]. As believers, we are commanded to deny ourselves, take up our crosses and follow Him. (Mat 16:24). However, we may not fully realize (as I did not realize) the significance of our

crosses and what they are truly achieving in our lives. We often forget that between the promises of God and the fulfillment of that promise is usually a cross of pain, process, and perhaps persecution. The Scriptures tell us that we are changed into His image from glory to glory (2 Cor 3:18), but we often need reminding that during this transformation we may experience distress and discomfort. The Bible states that we must crucify our flesh with the affections and lusts (Gal 5:24), and to present our bodies as living sacrifices (Rom 12:1). However, we must be aware of the fact that the process of crucifying and sacrificing is not pleasant or enjoyable.

When Jesus told us to take up our cross, we must understand that a cross is symbolic of suffering, sorrow, false accusation and persecution. In Jesus' time, those who were accused and condemned for being rebels or loathsome criminals were tortured and then crucified. The convicted was scourged or flogged to a state just short of death. They were beaten with a flagrum (a whip made of bone and metal attached to leather strands). Scourging produced deep bruising, lacerated skin and muscles, considerable blood loss and even shock. After the scourging or flogging, the condemned was forced to carry part of their own cross (top crossbeam) to the site

of the crucifixion outside the city. The cross (crucifixion) was one of the most painful, gruesome, humiliating, and disgraceful forms of execution. Some crosses (tests, trials, and tribulations) are unavoidable in our lives! As with Christ, we were predestined to face them. They must happen! Our destiny depends on them! (2 Tim 3:12 KJV "Yea, and all that will live godly in Christ Jesus shall suffer persecution.") During my time of crying out to God, wanting my

test/trial to quickly end; the Lord took me to the Word concerning His suffering, His cross, His abandonment, and crucifixion. Then He asked me the question "WHICH CROSS ARE YOU ON?" It is my prayer that as you face your cross (tests, trials, and tribulations) in life, that you sincerely seek the Lord and ask Him the meaning and the revelation of your cross. My hope and prayers are that while you are seeking the Lord that He will also reveal to you, WHAT CROSS YOU ARE ON!
