Organizational Behaviour: A Modern Approach Atlantic Publishers & Dist

A less-expensive grayscale paperback version is available. Search for ISBN 9781680922875. The field of management and organizational behavior exists today in a constant state of evolution and change. Casual readers of publications like the New York Times, The Economist and the Wall Street Journal will learn about the dynamic nature of organizations in today's ever-changing business environment. Organizational Behavior is designed to meet the scope and sequence requirements of the introductory course on Organizational Behavior. This is a traditional approach to organizational behavior. The table of contents of this book was designed to address two main themes. What are the variables that affect how, when, where, and why managers perform their jobs? What theories and techniques are used by successful managers at a variety of organizational levels to achieve and exceed objectives effectively and efficiently throughout their careers? Management is a broad business discipline, and the Organizational Behavior course covers many areas such as individual and group behavior at work, as well as organizational processes such as communication in the workplace and managing conflict and negotiation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters. Finally, we all made an effort to present a balanced approach to gender and diversity throughout the text in the examples used, the photographs selected, and the use of both male and female in alternating chapters when referring to generic managers or employees.

Organizational Behaviour: Text and Cases, 3rd Edition SBPD Publications

Existing literature on organizational behaviour is either lopsided or ignores the management dimensions. This book presents a holistic perspective of the subject to develop a correct perception about it, and is divided into twenty chapters. The comprehensive text covers the following topics: Introduction to Management, Planning, Controlling, Introduction to OB, Learning, Personality, Perception, Motivation, Communication, Teams, Leadership, Conflict, Transactional Analysis, Organizational Culture/Climate, Power and Politics, Introduction to HRM, Organizational Change and Development, Attitude and Ethics, Trends in International Business and Quality of Working Life. The book conforms to the syllabi of most of the Indian Universities and would serve as a useful text for students of MBA, M.Com, MCA, B.Tech, BBM and other diploma courses in management. It meets the needs of students, practicing managers and every person having an inclination to know more about the subject.

Organisational Behaviour Galgotia Publications

Understanding Organizational Behaviour is a textbook for the subject, Organizational Behaviour for undergraduate students pursuing a Bachelor in Business as Accountancy. This book is different from the current book on Organizational Behaviour as the business practices in Asia will be highlighted and discussed. This book is also tailored for Malaysian students where the book is written at a simple level to ensure that students are able to grasp the fundamental concepts and theories and are able to understand Organizational Behaviour from an Asian perspective. The book covers three main perspectives which is at an individual

level, at a group level and at an organizational level. The book has fifteen chapters beginning with an introduction to organizational behaviour, perception and learning, personality, emotion and stress, attitudes in the workplace and motivation. Under the group level, the chapters covered consists of groups and teams, communicating, decision-making, power, influence and politics as well as leadership. Under the organizational level, the chapters consists of culture and creativity and innovation, structure and organizational design, organizational development and managing change and lastly on human resource practices and international organizational behaviour.

MANAGEMENT AND ORGANISATIONAL BEHAVIOUR. New Age International

The third edition of *Organizational Behaviour: Text and Cases* offers a concise yet comprehensive coverage of the theories that determine behaviour in organizations. The relationship between effective organizational behaviour and the effective functioning of an organization is established through a clear and lucid style of presentation. With the help of necessary concepts, tools and techniques necessary for understanding behaviour in organizations, this book attempts to unfold human behaviour at four levels; starting from the individual processes and moving on to the interpersonal, organizational, and change processes. It encourages active learning through exercises, field projects and case studies, and develops competencies that are essential for becoming successful managers and effective employees in organizations. The three new chapters—Career, Planning and Management; Performance and Reward Management; and Gender Issues in Management—help readers understand

organizational behaviour in the current Indian business scenario better. KEY FEATURES • Classroom-tested case studies pertaining to actual incidents from the workplace • Several examples from BPCL, HCL Technologies, Wipro, Infosys and SAP highlighting the best practices in the industry • Caselets focusing on behavioural issues in organizations • Field projects involving students in data collection and analysis • Marginalia summarizing crucial points and serving as quick references • A companion website featuring multiple-choice questions, learning objectives, an instructor's manual, and PowerPoint lecture slides enabling effective presentation of concepts

Organization Behaviour Gyan Publishing House

Organizational Behaviour As A Management Discipline Is A Fascinating Subject And Is Becoming Increasingly Important As People With Diverse Backgrounds And Cultural Values Have To Work Together Effectively And Efficiently. This Book Addresses All The Issues That Come In To Play In An Organization In Today S Global Economy. This Book Prescribes Methods To Manage Employees And Suggests That The Management Takes Responsibility For Everything That Might Adversely Affect An Employee S Capacity To Work Creatively And Intelligently, Irrespective Of The Place Inside The Organization Or Outside It. The Focus Of The Book Is On Holistic Development Of The Individual. Peeping Into The Human Mind, It Shows How Organizations Can Tap The Passions And Fears Of Their Employees To Make Them More Creative And Productive. The Book Prescribes A Democratic And Inclusive Management Sty. A

Special Feature Of This Book Is That There Is An Innovative Integration Of Chapter Objectives And Summaries Leading To Analysis Through Caselets. Every Point In The Objectives Has Corresponding Text And Is Supplemented By A Case. Going Through This Book Will Be A Personally Fulfilling Experience And Maybe It Succeeds To Make The Readers Better Human Beings, Better Teachers, Better Friends And May Be Even Better Managers.

Organizational Behaviour - Third Edition New Age International Culture and Organizational Behaviour is a textbook for management studies that highlights the effect of the confluence of Western and Indian cultural influences. It adheres to the syllabi of the organizational behaviour courses followed in most major universities and management institutes. The book presents basic knowledge of organizational behaviour as developed in the West, adds to these the latest global research findings, and situates them in the Indian cultural perspective. It also highlights the issues that emanate from the interface of the Indian culture and organizational behaviour. Key Features: - Contains updated case studies from Indian organizations - Focuses on current and emerging strategies in organizational structures, leadership, power and politics - Covers topics like balancing work and other responsibilities, power and politics, and conflict and negotiation, which, though extremely crucial to organizational behaviour, have perhaps not got due attention in the existing literature - Presents the relatively unexplored effects of Indian culture on organizational behaviour. Provides a platform where both theoretical and practical issues can be addressed by managers, researchers, students and teachers alike.

Organisational Behaviour APH Publishing

"This book offers perspectives, insights, techniques, and approaches for efficient and contemporary management practices in an organization. It provides a comprehensive insight into the traditional and contemporary approaches of organizational behaviour and their impact on organizational performance in the global era. Ranging from planning to staffing, and controlling to strategic decision-making, the case studies in the book incorporate relevant modern management models and correlate practices of management from organizational perspectives to allow any organization's direction and environment to be evaluated with suggested recommendations. This textbook consists of two broad parts. The first deals with management trends and functions ranging from the traditional era to the contemporary world. The second part explores the behavioural trends of organizations across domains to analyse the measures taken for improved productivity and sustainability. Drawing theories from psychology, sociology and economics, this book probes into the interrelation between behaviour and holistic management by examining the impact of teamwork, motivation, organizational power and polity, institute relevant organizational ethics and strategies to create healthy organizational culture. This book will be useful to the students, academicians, management researchers and industry professionals from the field of general management and organisational behaviour. It will

also be useful for scholars interested in management studies, behavioural studies, business and development, developmental studies, sociopsychology, management and business strategies"--

Organizational Behavior Krishna Prakashan Media

The fifth edition of this book targets undergraduates and MBA programmes. Wolves are used as a central theme because they provide an instructive metaphor for modern organizational behaviour, being adaptable, dedicated team players and great communicators. These are key attributes in the workplace
Organisational Behaviour (text, Cases & Games) Vikas Publishing House

Organizational Behaviour is the only text to use a running case study to demonstrate the application of organizational behaviour in the real world, helping students with limited or no real-life experience of the business world to engage critically and effectively with the subject.

ORGANIZATIONAL BEHAVIOUR, SECOND EDITION Atlantic Publishers & Dist

Structure of the Book: The structure is logical and easy to use. The book begins with an introductory section (Part I) which describes and illustrates the Foundations of Organizational Behaviour. The book next discusses, in Part II, Individual Processes and Behaviour. It then moves, in Part III, to examine the interactions among individuals in Group Behaviour. Part IV discusses The Organization System and, finally, in Part V, the book presents Organizational Dynamics. Numerous up-to-date examples: Because many students have limited exposure to real organizations, the book contains recent examples from a broad spectrum of organizations to illustrate the major concepts and to

help students apply the knowledge. Some Distinctive Pedagogical Features: Organizational Behaviour offers a number of distinctive, time tested and interesting features for students as well as new and innovative features. These features should facilitate the students' acquisition and retention of the material. Learning objectives focus student attention on upcoming chapter content and show what happens to the manager or organization. Cases at the end of the chapter provide students an opportunity to apply their knowledge in making managerial decisions and recommendations. Numerous review and discussion questions follow each chapter. These questions are designed to enhance student learning and interest.
