Oxford English Grammar Course OXFORD

Designed as both an accessible introduction and lasting reference guide to English grammar, this Dictionary contains all the accepted grammatical terms used in English today, along with some of the old traditional names. Its clear A-Z arrangement makes it easy for the user to locate an individual item. At the same time, over twenty tables and diagrams and careful cross-referencing help to explain grammar as a coherent and meaningful system. An appendix, new to this revised edition, covers many of the common problems encountered in writing English and shows you how to avoid them.
