Live your dreams one coloring page at a time with Dream Home: Modern Farmhouse.

Family Life As a Key to Personal Growth Schiffer Pub Limited  
 Shortlisted for the Rathbones Folio Prize • Winner of the 2021 Kate O'Brien Award • Winner of the 2021 Dalkey Emerging Writer Award  
 Sinéad Hynes is a tough, driven, funny young property developer with a terrifying secret. No-one knows it: not her fellow patients in a failing hospital, and certainly not her family. She has confided only in Google and a shiny magpie. But she can't go on like this,

tirelessly trying to outstrip her past and in mortal fear of her future. Across the ward, Margaret Rose is running her chaotic family from her rose-gold Nokia. In the neighbouring bed, Jane, rarely but piercingly lucid, is searching for a decent bra and for someone to listen. And Sinéad needs them both. *As You Were* is about intimate histories, institutional failures, the kindness of strangers, and the darkly present past of modern Ireland; about women's stories and women's struggles; about

seizing the moment to be free. Wildly funny, desperately tragic, inventive and irrepressible, *As You Were* introduces a brilliant voice in Irish fiction with a book that is absolutely of our times.

 Discover how to style your home for a deeper sense of comfort, with guidance from the creator of the 52 Lists journal series Fans of Moorea Seal know the style influencer and online

curator for her beautiful 52 Lists journals and planners, and they love her rustic luxe aesthetic: inspired boho loveliness, dashes of inspiration, plus a twist of the adventuresome spirit of the Northwest. Now Moorea has created a home design book that's equal parts self-help guide, memoir, and décor inspiration! She'll help you explore what it means to create a relaxed, comfortable home, and you'll find which expression feels most authentic to you through

color palates, interior design modes, conversation prompts, essays, approachable DIY projects and more. Focusing in turn on one room at a time, various chapters will help you take on the living room, the dining room, bedrooms, and of course, the kitchen. Included for each room: · A personal essay penned by Moorea herself · An exclusive look into Moorea's own spaces with tips for inspired, mindful living · Two beginner-friendly DIY projects to personalize

and decorate your home on a budget · Intimate looks into the homes of a diverse set of female style curators, who share their best tips and tricks for comfortable, imaginative decor You don't need lots of money or the perfect life in order to infuse your space with your signature spark.

The Illini Union Simon and Schuster

#1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on

new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Look for Brené Brown's new podcast, Dare to Lead, as well as her ongoing podcast Unlocking Us! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and

has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires

skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences

that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown

uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing

courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read *Daring Greatly* and *Rising Strong* or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

*Singing Dragon*

For every woman who has ever been called outdoorsy comes a collection of stories that inspires unforgettable

adventure. Beautiful, empowering, and exhilarating, *She Explores* is a spirited celebration of female bravery and courage, and an inspirational companion for any woman who wants to travel the world on her own terms. Combining breathtaking travel photography with compelling personal narratives, *She Explores* shares the stories of 40 diverse women on unforgettable journeys in nature: women who live out of vans, trucks, and vintage trailers, hiking the

wild, cooking meals over campfires, and sleeping under the stars. Women biking through the countryside, embarking on an unknown road trip, or backpacking through the outdoors with their young children in tow. Complementing the narratives are practical tips and advice for women planning their own trips, including: • Preparing for a solo hike • Must-haves for a road-trip kitchen • Planning ahead for unknown territory • Telling your own story A visually stunning and

emotionally satisfying collection for any woman craving new landscapes and adventure. *Finding Your Style and Putting it All Together* Simon and Schuster Through exquisitely detailed illustrations and two double gatefolds, young readers are invited to explore some of the most unique houses from around the world. **Go the F\*\*k to Sleep** Columbia University Press Typescripts of contents and text of Steeple bush (New York, 1947), together with proof of

How Contemporary Perpetrators Rationalize What They Do John Wiley & Sons

In *How to Be Miserable*, psychologist Randy Paterson outlines 40 specific behaviors and habits, which—if followed—are sure to lead to a lifetime of unhappiness. On the other hand, if you do the opposite, you may yet join the ranks of happy people everywhere! There are stacks upon stacks of self-help books that will

promise you love, happiness, and a fabulous life. But how can you pinpoint the exact behaviors that cause you to be miserable in the first place? Sometimes when we're depressed, or just sad or unhappy, our instincts tell us to do the opposite of what we should—such as focusing on the negative, dwelling on what we can't change, isolating ourselves from friends and loved ones, eating junk food, or overindulging in alcohol. Sound familiar? This tongue-in-cheek guide will

help you identify the behaviors that make you unhappy and discover how you—and only you—are holding yourself back from a life of contentment. You'll learn to spot the tried-and-true traps that increase feelings of dissatisfaction, foster a lack of motivation, and detract from our quality of life—as well as ways to avoid them. So, get ready to live the life you want (or not?) This fun, irreverent guide will light the way.

**The Power of Personal Accountability** Black

Dog & Leventhal  
Hordes of zombies threaten to wipe out all of mankind in this first action-horror novel set in the exciting (yet horrifying) world of the Zombicide games. The zombie apocalypse has driven humanity up into the Adirondacks. Enter Westlake, hardened career criminal on the path of “the Villa”, a legendary mafia hideout where he can escape the devastation. When he’s ambushed by the undead, an old FBI “friend” and his squad of survivors rescue

him... and then force him to reveal his secrets. The jokey myth of the Villa suddenly becomes salvation for the settlements scattered around Saranc Lake. Reluctantly, Westlake is saddled with an oddball team to navigate mine fields, trip wires, and flesh-eating zombies at every turn to find their safe haven. Shame there’s already someone living there...

the Clever Girl way Join the ranks of thousands of smart and savvy women who have turned to money expert and author Bola Sokunbi for guidance on ditching debt, saving money, and building real wealth. Sokunbi, the force behind the hugely popular Clever Girl Finance website, draws on her personal money mistakes and financial redemption to educate and empower a new generation of women on their journey to financial freedom. Lighthearted and accessible, Clever Girl

Finance encourages women to talk about money and financial wellness and shows them how to navigate their own murky financial waters and come out afloat on the other side. Monitor your expenses, build a budget, and stick with it Make the most of a modest salary and still have money to spare Keep your credit in check and clean up credit card chaos Start and succeed at your side hustle Build a nest egg and invest in your future Transform your money mindset and

be accountable for your financial well-being Feel the power of real-world stories from other “clever girls” Put yourself on the path to financial success with the valuable lessons learned from Clever Girl Finance. *She Explores* Berkley Applying his deep understanding of holistic medical traditions from both East and West, Philip Weeks guides the reader through the process of restoring the body's wellbeing using a simple combination of natural techniques, diet and

herbal medicines. He explores five key interconnected areas through which wellbeing can be attained - nourishment; detoxification; lifestyle; activation; and mind, emotions and spirit - based on his analogy of the wheel of health. The author explores in depth the importance of good nutrition and detoxification, with clear explanations of specific methods and techniques and of the general principles to adhere to. He includes simple recipes

and clinically-tested detoxification plans. The health benefits of activity and physical exercise are explored, as are the effects of potentially harmful substances such as mercury, additives and plastics, and the simple steps that can be taken to avoid these. He also looks in a holistic way at specific emotional difficulties the reader may be faced with, such as anger, stress and grief, and at how to deal with these in order to achieve wellbeing on a mental, emotional and spiritual

level. Compassionate and realistic, *Make Yourself Better* will empower the reader to make more informed choices in their day-to-day life to achieve a greater level of health and vitality.

*Rules for Focused Success in a Distracted World* Dk Pub

Drawing on fifteen years of work in the antislavery movement, Austin Choi-Fitzpatrick examines the systematic oppression of men, women, and children in rural India and asks: How do contemporary slaveholders rationalize the subjugation of other human beings, and how do they respond when

their power is threatened? More than a billion dollars have been spent on antislavery efforts, yet the practice persists. Why? Unpacking what slaveholders think about emancipation is critical for scholars and policy makers who want to understand the broader context, especially as seen by the powerful. Insight into those moments when the powerful either double down or back off provides a sobering counterbalance to scholarship on popular

struggle. Through frank and unprecedented conversations with slaveholders, Choi-Fitzpatrick reveals the condescending and paternalistic thought processes that blind them. While they understand they are exploiting workers' vulnerabilities, slaveholders also feel they are doing workers a favor, often taking pride in this relationship. And when the victims share this perspective, their emancipation is harder to secure, driving some in

the antislavery movement to ask why slaves fear freedom. The answer, Choi-Fitzpatrick convincingly argues, lies in the power relationship. Whether slaveholders recoil at their past behavior or plot a return to power, Choi-Fitzpatrick zeroes in on the relational dynamics of their self-assessment, unpacking what happens next. Incorporating the experiences of such pivotal actors into antislavery research is an immensely important step toward crafting effective

antislavery policies and intervention. It also contributes to scholarship on social change, social movements, and the realization of human rights.

### A Zombicide Novel

HarperCollins

The #1 New York Times

Bestseller: "A hilarious

take on that age-old

problem: getting the

beloved child to go to

sleep" (NPR). "Hell no,

you can't go to the

bathroom. You know

where you can go? The

f\*\*k to sleep." Go the

Fuck to Sleep is a book for

parents who live in the

real world, where a few

snoozing kitties and

cutesy rhymes don't

always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.
