Cate Glass's *A Summoning of Demons* marks the thrilling conclusion for the Chimera team, a ragtag crew who use their forbidden magic for the good of the kingdom. Catagna has been shaken to its core. The philosophists insist that a disastrous earthquake has been caused by an ancient monster imprisoned below the earth, who can only be freed with magic. In every street and market, the people of Catagna are railing against magic-users with a greater ferocity than ever before, and magic hunters are everywhere. Meanwhile, Romy has been dreaming. Every night, her dreams are increasingly vivid and disturbing. Every day, she struggles to understand the purpose of the Chimera's most recent assignment from the Shadow Lord. As Romy and the others attempt to carry out their mission, they find themselves plunged into a mystery of corruption and murder, myth and magic, and a terrifying truth: the philosophists may have been right all along. The greatest Witches of folklore practiced their craft by conjuring spirits and employing a familiar spirit. Now, centuries later, these arts—supposedly the domain of ceremonial magicians only—can be perfected by modern Witches. In this groundbreaking book, Witch and ritual magician Frater Barrabbas shares a system of Witchcraft-based magic developed for safely performing invocations and evocations, handling fallen spirits and Goetic demons, traveling in the spirit world, creating a spirit pact, and constructing your own rituals for spirit conjuring. To help you get to know the full breadth of the spirit world, *Spirit Conjuring for Witches* includes a unique list of spirits as well as techniques for working with sigils and recommendations for classical grimoires. Exploring history, folktales, and personal experiences, this book shows how to magically develop relationships with spirits and ultimately master both the spirit and material worlds. Praise: "A clear and distinct body of tools and rituals for working with a broad range of spirits. If you are a witch looking for a more formal approach to this field, this may be the book for you."—Ivo Dominguez Jr., author of *Spirit Speaks* and *Practical Astrology for Witches and Pagans* "Frater Barrabbas has made a valuable contribution to the practice of modern witchcraft...This is a very thorough and carefully developed invitation to revive the practice of magical evocation that historically played so central a role in witchcraft and magic."—Jim Baker, author of *The Cunning Man's Handbook* "Frater Barrabbas shows how modern Witches can also reclaim their ability to conjure spirits in the age-old tradition of evoking beings of the Otherworld to attain knowledge or obtain practical results in this world. With the current revival in the publication, study and use of the classical grimoires, witches who are drawn to the practice of the magical evocation of spirits now have a detailed guide to the inner preparations and outer practices necessary to evoke spirits safely and correctly."—Jonathan Nightshade, Gardnerian HP, Traditional Crafter and Sorcerer "I wish that there had a book like *Spirit Conjuring for Witches* back when; it would have saved me any number of missteps along the way. With more than forty years of experience under his cincture, Frater Barabbas speaks with a voice of wisdom, clarity and authority: truly one of the Thirteen Human Treasures of Paganistan."—Steven Posch, Traditional Witch and Host of Radio Paganistan "As Witches we all work with Deity and various spirits; but can you honestly say you communicate with them? This book is a valuable resource for every serious Witch's library. The author has outlined how to truly connect with that spirit realm, which allows us to build a relationship with those we work with."—Lady Adariana, Gardnerian HPS

The very idea that the teachings can be mastered will arouse controversy within Buddhist circles. Even so, Ingram insists that enlightenment is an attainable goal, once our fanciful notions of it are stripped away, and we have learned to use meditation as a method for examining reality rather than an opportunity to wallow in self-absorbed mind-noise. Ingram sets out concisely the difference between concentration-based and insight (vipassana) meditation; he provides example practices; and most importantly he presents detailed maps of the states of mind we are likely to encounter, and the stages we must negotiate as we move through clearly-defined cycles of insight. Its easy to feel overawed, at first, by Ingram's assurance and ease in the higher levels of consciousness, but consistently he writes as a down-to-earth and compassionate guide, and to the practitioner willing to commit themselves this is a glittering gift of a book. In this new edition of the bestselling book, the author rearranges, revises and expands upon the original material, as well as adding new sections that bring further clarity to his ideas.

Magick is easier and safer than many people believe, and pathworking is a method that takes you to the essence of power. There are many ways of working with demons. The spirits of Goetia can bring knowledge, manipulate reality, produce changes within yourself, or attract conditions and events that you desire. This is widely known. Demons are famed for their speed, dignity, and willingness to cooperate with you. What is less well known is that incredibly simple pathworking rituals enable you to make easy contact with these demons safely and reliably. Advantages of The Pathworking Method - No difficult words of power to learn or speak. - Nothing to burn, collect, or make. - No sacrifice, reward, or offering is required. - No sigils need to be drawn, and you only need to look at the sigils in this book. - No angels or divine names are used, which makes the magick feel more reliable for some people. - The method automatically creates the correct state of mind and summons elemental energy. - Pathworking can be performed in complete privacy. - The method is extremely safe and easy to learn. You ask for something, and you get it, without any backlash or payment. You will never have to learn difficult visualisation methods or train in demanding mental techniques. Based on a system of Elemental Imagery, this is a unique way to perform magick. You ask for something, and you get it, without any repercussion or payment. People say you never get something for nothing. Here, you get something because you've performed magick and filled it with your desire. That is enough to get the results you seek, from love and lust, to cursing, influence, illusion, and wealth.
