From Cherie Priest, the author of *The Family Plot* and *Maplecroft*, comes *The Toll*, a tense, dark, and scary treat for modern fans of the traditionally strange and macabre. Take a road trip into a Southern gothic horror novel. Titus and Melanie Bell are on their honeymoon and have reservations in the Okefenokee Swamp cabins for a canoeing trip. But shortly before they reach their destination, the road narrows into a rickety bridge with old stone pilings, with room for only one car. Much later, Titus wakes up lying in the middle of the road, no bridge in sight.

Melanie is missing. When he calls the police, they tell him there is no such bridge on Route 177 . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Bannicula Strikes Again! Aladdin Paperbacks

First there is the omen: A relentless rain stops suddenly at 3:00 am and Chester shows Harold and Howie a cat carrier, open and waiting, by the front door. Chester, who has been reading avidly about the paranormal, predicts that they will soon be traveling someplace, and chances are they are not going to like it. Indeed they are not, as the very next day, with the sun shining bright and clear, the Monroes finally leave for their vacation, dropping Chester, Harold, and Howie off at the scene of some previous harrowing experiences -- *Chateau Bow-Wow*, the boarding kennel that Chester so aptly had dubbed "Howliday Inn." And this visit promises to be no less harrowing than the last one. The three are greeted by a whole new group of temporary residents. There's Hamlet, the Great Dane, whose sadness grows deeper with his certainty that his

beloved master Archie will never return to pick him up. And Bob and Linda, a pair of yuppie puppies from fashionable Upper Centerville who have been left at *Chateau Bow-Wow* with a more than adequate supply of gourmet treats, also seem to have been left with a more than adequate supply of worries. Then there are Felony and Miss Demeanor, sinister sisters in crime who pride themselves as cat burglars, and *The Weasel* who tries almost too hard to make a good impression. Chester is certain that nothing bodes well and he is right. Unexplained voices, buried bones, a collar with the name *Rosebud* on it, and a secret code all make for a paranormal experience that none of the guests at *Chateau Bow-Wow* will ever forget.

Return to Howliday Inn HarperCollins Kids who get called the worst names oftentimes find each other. That's how it was with us. Skeezie Tookis and Addie Carle and Joe Bunch and me. We call ourselves the Gang of Five, but there are only four of us. We do it to keep people on their toes. Make 'em wonder. Or maybe we do it because we figure that there's one more kid out there who's going to need a

gang to be a part of. A misfit, like us. Skeezie, Addie, Joe, and Bobby -- they've been friends forever. They laugh together, have lunch together, and get together once a week at the Candy Kitchen to eat ice cream and talk about important issues. Life isn't always fair, but at least they have each other -- and all they really want to do is survive the seventh grade. That turns out to be more of a challenge than any of them had anticipated. Starting with Addie's refusal to say the Pledge of Allegiance and her insistence on creating a new political party to run for student council, the Gang of Five is in for the ride of their lives. Along the way they will learn about politics and popularity, love and loss, and what it means to be a misfit. After years of getting by, they are given the chance to stand up and be seen -- not as the one-word jokes their classmates have tried to reduce them to, but as the full, complicated human beings they are just beginning to discover they truly are. An overnight camping trip! Not Harold's idea of fun. Too many mosquitoes, ticks and cockleburrs. But when the Monroe

family set out, their faithful dog Harold was with them, mostly because he remembered that camping could also bring s'mores and toasted marshmallows. Howie, the other family dog, and Chester the cat were also included in the trip. Only Chester thought the idea was completely insane. The woods, he informed Harold, were not only full of cockleburrs and ticks, but of spirits, evil spirits who prey on the innocent. And on this, the worst night of the year -- St. George's Eve, when all spirits are set loose -- who knew what could happen. What Harold knew was that Chester was a well read, over-stimulated cat, full of weird ideas. He did not take Chester's worries too seriously. He had s'more to think about. But then, the Monroes set up camp near two strange men and their even stranger dog, and things began to happen that made even Harold wonder. Could Chester be right? This begins a long night, full of terrors and alarms, full of Chester's horrifying tale of how Bunnacula, the vampire bunny, was born and came to America, full of storms and a total sense of danger; and at the end came surprises that even Chester could not have predicted. Once again, the

Monroe family may be the victims of evil forces or only of Chester's strange imagination. But whichever, the result is suspenseful and very, very funny. [\(the Collected Letters\)](#) Simon and Schuster

Though scoffed at by Harold the dog, Chester the cat tries to warn his human family that their foundling baby bunny must be a vampire.

Bunnacula in a Box Simon and Schuster
"Let's just say the matter is under control," Chester slyly tells his pals Harold and Howie. But what on earth does he mean? It seems that Bunnacula, the vampire rabbit, is back to his old ways -- or so Chester thinks, having found pale vegetables drained of their juices scattered about the Monroe family kitchen. And now, once and for all, Chester is determined to save the world from this

threat. But why has Bunnacula -- so frisky just a short time ago -- been so listless and tired of late? Is this part of Chester's scheme? Can Harold let Chester get away with hurting an innocent bunny, no matter what his harebrained suspicions are? It is not long before the Monroes notice Bunnacula's condition and rush him to the vet, and then the chase is on, ending up with a dramatic confrontation in a most unusual (and dangerous!) location.

Bud Barkin, Private Eye Simon and Schuster

A collection of epistolary poems that exorcises and explores the material violence and generational trauma of colonization and systemic racism stored within queer Latinx memory. In *DESGRACIADO*, Angel Dominguez navigates a visceral constellation of language and memory, illuminating the ongoing impacts of misremembered and missing histories, and their lasting impacts. Dominguez unravels a critical and tender language of lived experience in letters addressed to their ancestral oppressor, Diego de Landa, (a Spanish friar who attempted to destroy the written Maya language in Mani Yucatán, on July 12th 1562), to articulate an old rage, dreaming of a futurity beyond the wreckage and ruin of the colonial imaginary. This collection doesn't seek to heal the incurable wound of colonization so much as attempt to re-articulate a language towards recuperation.

 Dear possible reader of this book, My editor asked me to write a third book in my series, *Tales from the House of Bunnacula*. And did I have trouble getting started! I was afraid I used up all my ideas. But faster than a writer can say "What if?" I came up with a story! It's about a lovable and smart (not to mention cute) orphan wirehaired dachshund puppy named Howie, who has a mysterious pain in his leg and is mysteriously invited to attend the Dogwiz Academy for Canine Conjurers.
