The sequel to DON'T EXPECT MAGIC! Now that Delaney Collins knows she's a fairy godmother, she's ready to make magic happen. But first, she has to find her next client. And it's not as easy as she thought it would be. Delaney's spending the summer working at Treasures, a secondhand store at the mall, surrounded by cool vintage boots—and potential clients. But when she finally feels a connection with Jeni, a girl who needs a life-changing, happily-ever-after wish . . . Jeni doesn't want her help. And to make matters worse, Delaney finds

herself competing with another f.g. Glittery, sparkly Ariella is an uber-f.g., granting wishes with a flick of her lemon candy stick, while Delaney can't seem to make anything happen. Not even a summer romance with her boyfriend, Flynn. It takes more than waving a chopstick to make big wishes come true. But what good is being an f.g. if you can't make the boy you like want to be with you as much as you want to be with him? "A fun paranormal comedy."--Kirkus Reviews Praise for Don't Expect Magic: "A supernaturally touched rom-com, this is a bright, whimsical romp featuring a suitably sassy heroine with a killer pair of black leather boots . . . excellent comfort

reading.” —The Bulletin of the Center for Children’s Books “Brilliantly timed moments of situational comedy . . . plenty to like in this debut.”

—Kirkus Reviews “An enjoyable read with sprinklings of magic.”

Robin McKinley's mesmerizing history of Damar is the stuff that legends are made of. The Hero and the Crown is a dazzling "prequel" to The Blue Sword. Aerin is the only child of the king of Damar, and should be his rightful heir. But she is also the daughter of a witchwoman of the North, who died when she was born, and the Damarians cannot trust her. But Aerin's destiny is greater than her

father's people know, for it leads her to battle with Maur, the Black Dragon, and into the wilder Damarian Hills, where she meets the wizard Luthe. It is he who at last tells her the truth about her mother, and he also gives over to her hand the Blue Sword, Gonturan. But such gifts as these bear a great price, a price Aerin only begins to realize when she faces the evil mage, Agsded, who has seized the Hero's Crown, greatest treasure and secret strength of Damar.

Never Broken NYLA
From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the

excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line

that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half?

Things were looking up. And then he opened his mouth.

Daemon is infuriating.

Filthy Animals Harper Collins
 INSTANT NATIONAL BESTSELLER WINNER OF THE STORY PRIZE SHORTLISTED FOR THE DYLAN THOMAS PRIZE NAMED A BEST BOOK OF THE YEAR BY USA TODAY, NPR, VULTURE, MARIE CLAIRE, THE TIMES OF LONDON, GOOD HOUSEKEEPING, AND PUBLISHERS WEEKLY A group portrait of young adults enmeshed in desire and violence, a hotly charged, deeply satisfying new work of fiction from the author of Booker Prize finalist *Real Life* In the series of linked stories at the heart of *Filthy Animals*, set among young creatives in the American Midwest, a young man treads delicate emotional waters as he navigates a series of sexually

fraught encounters with two dancers in an open relationship, forcing him to weigh his vulnerabilities against his loneliness. In other stories, a young woman battles with the cancers draining her body and her family; menacing undercurrents among a group of teenagers explode in violence on a winter night; a little girl tears through a house like a tornado, driving her babysitter to the brink; and couples feel out the jagged edges of connection, comfort, and cruelty. One of the breakout literary stars of 2020, Brandon Taylor has been hailed by Roxane Gay as “a writer who wields his craft in absolutely unforgettable ways.” With *Filthy Animals* he renews and expands

on the promise made in *Real Life*, training his precise and unsentimental gaze on the tensions among friends and family, lovers and others. Psychologically taut and quietly devastating, *Filthy Animals* is a tender portrait of the fierce longing for intimacy, the lingering presence of pain, and the desire for love in a world that seems, more often than not, to withhold it.

From an author Amy Tan calls “a gem,” this is a witty, highly acclaimed novel that’s “part *Mean Girls*, part *Lord of the Flies*” (*The Bulletin*, Starred review) about navigating life in private school while remaining true to

yourself. Lucy is a bit of a pushover, but she’s ambitious and smart, and she has just received the opportunity of a lifetime: a scholarship to a prestigious school, and a ticket out of her broken-down suburb. Though she’s worried she will stick out like badly cut bangs among the razor-straight students, she is soon welcomed into the Cabinet, the supremely popular trio who wield influence over classmates and teachers alike. Linh is blunt, strong-willed, and fearless—everything Lucy once loved about herself. She is also Lucy’s last solid link to her life before private school, but she is growing tired of being eclipsed by the glamour of the

Cabinet. As Lucy floats further away from the world she once knew, her connection to Linh—and to her old life—threatens to snap. Sharp and honest, Alice Pung's novel examines what it means to grow into the person you want to be without leaving yourself behind. Penguin

The bestselling classic that redefined our view of the relationship between beauty and female identity. In today's world, women have more power, legal recognition, and professional success than ever before.

Alongside the evident progress of the women's movement, however, writer and journalist Naomi Wolf is troubled by a different kind of social control, which, she argues, may prove just as restrictive as the traditional image of homemaker

and wife. It's the beauty myth, an obsession with physical perfection that traps the modern woman in an endless spiral of hope, self-consciousness, and self-hatred as she tries to fulfill society's impossible definition of "the flawless beauty."
