From the
editor-at-large
of
Breitbart.com
comes a
galvanizing
and alarming
look at the
strategy and
tactics of
leftist
thuggery.
While
President
Obama and
the left like to
pretend that
they oppose

bullying with all their hearts and souls, the truth is far darker: the left is the greatest purveyor of bullying in modern American history. Bullying has morphed into the left's go-to tactic, as they attempt to quash their opponents through fear, threat of force, violence, and rhetorical intimidation on every major issue facing America today. Ben Shapiro uncovers the

simple strategy used by liberals and their friends in the media: bully the living hell out of conservatives. Play the race card, the class card, the sexism card. Use any and every means at your disposal to demonize your opposition—to shut them up. Then pretend that such bullying is justified, because, after all, conservatives are the true bullies, and need to be taught a lesson for

their intolerance. Hidden beneath the left's supposed hatred of bullying lies a passionate love of its vulgar tactics. The left has created a climate of fear wherein ordinary Americans must abandon their principles, back abhorrent causes, and remain silent. They believe America is a force for evil, that our military is composed of war criminals, and that

patriotism is the deepest form of treason. They incite riots and threaten violence by playing the race card, then claim they're advocates for tolerance. Disagree with Obama? You must be a racist. They send out union thugs and Occupy Wall Street anarchists to destroy businesses and redistribute the wealth of earners and job creators. No target is off limits as liberal

feminists declare war against stay-at-home moms, and gay activists out their enemies, destroy careers, and desecrate personal privacy. These are the most despicable people in America, bullying their opponents while claiming to be the victims. Shapiro takes on the leftist bullies, exposes their hypocrisy, and offers conservatives a reality check in the face of what has

become the gravest threat to American liberty: the left's single-minded focus on ending political debate through bully tactics.

Now a #1 New York Times Bestseller.
Human beings have never

had it better than we have it now in the West. So why are we on the verge of throwing it all away? In 2016, New York Times bestselling author Ben Shapiro spoke at the University of California–Berkeley. Hundreds of police officers were required to protect his speech. What was so frightening about Shapiro? He came to argue that Western civilization is in the midst of a crisis of purpose and

ideas; that we have let grievances replace our sense of community and political expediency limit our individual rights; that we are teaching our kids that their emotions matter more than rational debate; and that the only meaning in life is arbitrary and subjective. As a society, we are forgetting that almost everything great that has ever happened in history happened because of

people who believed in both Judeo-Christian values and in the Greek-born power of reason. In *The Right Side of History*, Shapiro sprints through more than 3,500 years, dozens of philosophers, and the thicket of modern politics to show how our freedoms are built upon the twin notions that every human being is made in God's image and that human beings were created

with reason
capable of
exploring
God's world.
We can thank
these values
for the birth of
science, the
dream of
progress,
human rights,
prosperity,
peace, and
artistic
beauty.
Jerusalem and

spiritual
purpose.
Jerusalem and
Athens built
America,
ended slavery,

defeated the
Nazis and the
Communists,
lifted billions
from poverty,
and gave
billions more
spiritual
purpose. Yet
we are in the
process of
abandoning
Judeo-
Christian
values and
Greek natural
law, watching
our civilization
collapse into
age-old
tribalism,
individualistic
hedonism, and
moral
subjectivism.
We believe we
can satisfy
ourselves with
intersectionali-
ty, scientific
materialism,
progressive

politics,
authoritarian
governance,
or nationalistic
solidarity. We
can't. The
West is
special, and in
The Right Side

Shapiro
bravely
explains how
we have lost
sight of the
moral purpose
that drives
each of us to
be better, the
sacred duty to
work together
for the greater
good,.
Culture of
Corruption
Simon and
Schuster
In Banning
Queer Blood,
Jeffrey
Bennett
frames blood

donation as a performance of civic identity closely linked to the meaning of citizenship. However, with the advent of AIDS came the notion of blood donation as a potentially dangerous process. Bennett argues that the Food and Drug Administration, by employing images that specifically depict gay men as contagious, has categorized gay men as a menace to the

nation. The FDA's ban on blood donation by gay men remains in effect and serves to propagate the social misconception about gay men that circulate within both the straight and gay communities today. Bennett explores the role of scientific research cited by these banned-blood policies and its disquieting relationship to government agencies, including the FDA. Bennett

draws parallels between the FDA's position on homosexuality and the historical precedents of discrimination by government agencies against racial minorities. The author concludes by describing the resistance posed by queer donors, who either lie in order to donate blood or protest discrimination at donation sites, and by calling for these prejudiced policies to be

abolished.

Summary of Bullies: How the Left's Culture of Fear and Intimidation Silences Americans: Conversation Starters

Blurb

The chickens are coming home to roost for the corrupt officials, mainstream media, and Democratic operatives who ruined the life of an innocent American in an attempt to subvert our democracy. Carter Page, the man at the center of one of the

worst scandals in our country's history, reveals how our nation's top law enforcement officials abused their power and framed an innocent American citizen in their effort to take down Donald Trump. Page's gripping account, which shows that the rot goes deeper than anyone realized, names the men and women who tried to pull off a coup and didn't care who got hurt.

How to Destroy America in Three Easy Steps A&C

Black
Brainwashed is the explosive exposé of the leftist agenda at work in today's colleges, revealed by firebrand Ben Shapiro, a recent UCLA graduate, syndicated columnist, and one of today's most exciting new conservative voices, who's been on the front lines of the battle for America's young minds. This book

proves once and for all that so-called higher education continues to sink lower and lower into the depths of liberal madness as close-minded professors turn their students into socialists, atheists, race-baiters, and sex-crazed narcissists. "Ben Shapiro's writing is smart, informative, and incisive. He is wise beyond his years without losing the refreshing fearlessness of youth."

Ann Coulter, best-selling author of *High Crimes and Misdemeanors*, *Slander*, and *Treason*. "In *Brainwashed*, Shapiro tells the truth that universities are forums of left-liberal indoctrination, where dissent is discouraged and penalized, with more restrictions on free speech rather any other part of American society. Parents who are paying for tuition might want to take note, and see what their hard-earned

money is paying for." Michael Barone, U.S. News & World report and co-author of *The Almanac of American Politics*. "Welcome to P.C. 101. In this trenchant insider's expose, Ben Shapiro bears witness to the modern American campus freak show. You'll get up close and personal with the Marxist loons, moral relativists, multicultural zealots, and American-haters who are corrupting

young minds. Brainwashed reveals the ignominious lows to which higher education has sunk. Get deprogrammed. Buy this book!"
 ?Michelle Malkin, nationally syndicated columnist and author of *Invasion* "Sharp thinking, tight writing, crazy-but-true stories: Ben Shapiro sees campus brainwashing and raises a national protest. This is a good book to give both freshmen who

need warning and voters/alumni who need to take action."
 ?Dr. Marvin Olasky, University of Texas professor and editor-in-chief of *World* magazine "A worthy successor to *God and Man* at Yale and *Harvard Hates America* in exploring the bely of the academic beast." ?David Horowitz, founder of *Students for Academic Freedom* and author of *Radical Son* and *Left Illusions*

"What Animal House did for the toga party, Brainwashed should do for American resistance to campus radicalism."
 ?Rusty Humphries, nationally syndicated radio talk show host *Irreversible Damage* Thomas Nelson "A gloriously good writer...Range r Games is both surprising and moving...A memorable, novelistic account."—Jennifer Senior, *New York*

Times
Intricate,
heartrending,
and morally
urgent,
Ranger Games
is a crime
story like no
other Alex
Blum was a
good kid, a
popular high
school hockey
star from a
tight-knit
Colorado
family. He had
one goal in
life: endure a
brutally
difficult
selection
program,
become a U.S.
Army Ranger,
and fight
terrorists for
his country.
He poured
everything
into achieving
his dream. In

the first hours
of his final
leave before
deployment to
Iraq, Alex was
supposed to
fly home to
see his family
and beloved
girlfriend.
Instead, he
got into his
car with two
fellow soldiers
and two
strangers,
drove to a
local bank in
Tacoma, and
committed
armed
robbery... The
question that
haunted the
entire Blum
family was:
Why? Why
would he ruin
his life in such
a
spectacularly
foolish way?

At first, Alex
insisted he
thought the
robbery was
just another
exercise in the
famously
daunting
Ranger
program. His
attorney
presented a
case based on
the theory
that the
Ranger
indoctrination
mirrored that
of a cult. In
the midst of
his own
personal
crisis, and in
the hopes of
helping both
Alex and his
splintering
family cope,
Ben Blum,
Alex's first
cousin, delved
into these

mysteries, growing closer to Alex in the process. As he probed further, Ben began to question not only Alex, but the influence of his superior, Luke Elliot Sommer, the man who planned the robbery. A charismatic combat veteran, Sommer's manipulative tendencies combined with a magnetic personality pulled Ben into a relationship that put his loyalties to the test.

How Social

Liberalism Is Corrupting Our Future

Simon and Schuster Project

President is a hilarious romp through American electoral history. From short, fat, bald John Adams' wig-throwing tantrums during the 1800 election to Abraham Lincoln's decision to grow a beard in 1860; from John F. Kennedy's choice to forgo the fedora at his inauguration to John Kerry's decision to get Botoxed for

the 2004 race; from the Golden Age of Facial Hair (1860-1912) to the Age of the Banker (1912-1960); from Washington's false teeth to George W. Bush's workout regimen, Project President tells the story of America's love affair with presidential looks and appearance, why that often matters more than a politico's positions on the issues, and what might well be coming next.

<p>"I'm constantly citing the power of dress. It's semiology: our clothes send a message about how we want to be perceived, and where is this more powerful and evident than in elected offices. In Project President, Ben Shapiro captures presidential semiotics with a potent narrative and deft analysis. It's simultaneously fascinating and hilarious!" -Tim Gunn Project</p>	<p>Runway, Liz Claiborne, Inc. "Ben Shapiro takes a romp through American history and shows how personality--and even haircuts--have elected or defeated presidential candidates. It's a tour through history that fans of both parties will enjoy-and can learn from." - Michael Barone Resident scholar, American Enterprise Institute Senior Writer, U.S. News & World Report</p>	<p>Co-author, The Almanac of American Politics "Presidential politics has always been more superficial than we'd like to admit. With a stylish and likeable touch befitting a strong candidate, Ben Shapiro takes us deep into the shallowness that has shaped American history." - Jonathan Alter Newsweek "Shapiro deftly explains how height, hair and handsomeness can affect a</p>
---	--	---

candidate's campaign as much as issues. A fun, informative read." -Glenn Beck
 Nationally syndicated talk show host
 Host of CNN's The Glenn Beck Show "A hilarious and illuminating journey through America's centuries-long fascination with presidential image-making. Whether you're left, right, moderate or apathetic, this lively book will get you ready for the

packaging of the '08 races." -Jim Hightower
 "This is a perceptive, witty-sometimes hilarious-look at the realities behind the faces and the facades, the slogans and the character assassinations , of each presidential campaign from George Washington to today - with much for us to ponder for tomorrow." - Sir Martin Gilbert Official biographer of Winston Churchill "An entertaining and illuminating

romp through the politics of symbolism and personality in our presidential politics. If you're thinking of running for president, read this book before you spend a dime on a political consultant." - Rich Lowry
 National Review
 COLMES: Who do you want [for the Supreme Court]? ANN COULTER:
 Thank you for asking. I want Ben Shapiro.
 COLMES: Ben Shapiro. ANN COULTER: Yes.

He just finished his first year at Harvard Law, 21 years old.
 COLMES: You mean for a date or for the court? ANN
 COULTER: No, for the court. He's my candidate. He's very bright. He's already written one best-selling book.
 (CROSSTALK)
 COLMES: You want to put a 21-year-old guy on the court? ANN
 COULTER: Twenty-one, and he's just finished first year of Harvard Law.
 COLMES: So

you want someone who's going to be on the court for 50, 60 years? Is that - is that the whole idea? ANN
 COULTER: No, I just happen to like Ben Shapiro. Hannity and Colmes Fox News Channel
 July 8, 2005
The Authoritarian Moment
 Anchor
 An eye-opening look at the history of national security fear-mongering in America and how it distracts citizens from the issues that

really matter
 What most frightens the average American?
 Terrorism.
 North Korea.
 Iran. But what if none of these are probable or consequential threats to America?
 What if the world today is safer, freer, wealthier, healthier, and better educated than ever before?
 What if the real dangers to Americans are noncommunicable diseases, gun violence, drug overdoses-- even hospital

infections? In this compelling look at what they call the "Threat-Industrial Complex," Michael A. Cohen and Micah Zenko explain why politicians, policy analysts, academics, and journalists are misleading Americans about foreign threats and ignoring more serious national security challenges at home. Cohen and Zenko argue that we should ignore Washington's threat-

mongering and focus instead on furthering extraordinary global advances in human development and economic and political cooperation. At home, we should focus on that which actually harms us and undermines our quality of life: substandard schools and healthcare, inadequate infrastructure, gun violence, income inequality, and political paralysis. Porn Generation

Thomas Nelson
You love a good mystery. The first one is: which book do you start with? It took Rafe Vega five years to figure out a horrific crime had been committed against his family, and another three to figure out what to do about it. The only one left standing, he thinks he knows what happened to his wife and daughters. But Fortune Flores is hiding secrets even she doesn't know. With

the FBI looking for the girl, Rafe has to make them understand he's not what they think he is. The eight-year-old is going to help him prove how his own family was methodically destroyed. Is Fortune the key he thinks she is? Or will her DNA prove him a liar? Fortune is a two book set that tells the same story from two perspectives. Learn more about the secrets eight-year-old Fortune is hiding. Find

out why was Fortune taken. . . FORTUNE'S two books follow the same timeline, so you can read either one first. We call it an "E-quel." If you can't decide which book to start with, let our randomizer pick for you! www.ReadAJS.com/Fortune/ **Bullies** Simon and Schuster "Vitaly important, devastatingly thorough, and shockingly revealing.... After reading Primetime Propaganda, you'll never watch TV the

same way again." —Mark Levin Movie critic Michael Medved calls Ben Shapiro, "One of our most refreshing and insightful voices on the popular culture, as well as a conscience for his much-maligned generation." With Primetime Propaganda, the syndicated columnist and bestselling author of Brainwashed, Porn Generation, and Project President tells the shocking true story of

how the most powerful medium of mass communication in human history became a vehicle for spreading the radical agenda of the left side of the political spectrum. Similar to what Bernard Goldberg's *Bias and A Slobbering Love Affair* did for the liberal news machine, Shapiro's *Primetime Propaganda* is an essential exposé of corrupting media bias, pulling back the curtain on

widespread and unrepentant abuses of the Hollywood entertainment industry. *Ranger Games* Threshold Editions New York Times bestselling author Ben Shapiro's new novel asks how close are we to our country's collapse—and will we be able to stop it once it begins? America is coming apart. An illegal immigration crisis has broken out along America's Southern

border—there are race riots in Detroit—a fiery female rancher-turned-militia leader has vowed revenge on the president for his arrogant policies—and the world's most notorious terrorist is planning a massive attack that could destroy the United States as we know it. Meanwhile the President is too consumed by legacy-seeking to see our country's deep peril. Brett

Hawthorne is the youngest general in the United States Army—and he's stuck, alone, behind enemy lines in Afghanistan. He's the last lost soldier of a failed war, fighting to stay alive and make it back home—but will he be able to stop the collapse of America in time?

Bullying and Me

Harper Collins
 "The most profane, hilarious, and insightful book I've read in quite a while."
 — BEN SHAPIRO

"Kevin Williamson's gonzo merger of polemic, autobiography, and batsh*t craziness is totally brilliant." — JOHN PODHORETZ, Commentary
 "Ideological minorities - including the smallest minority, the individual - can get trampled by the unity stampede (as my friend Kevin Williamson masterfully elucidates in his new book, *The Smallest Minority*)." — JONAH GOLDBERG

"The Smallest Minority is the perfect antidote to our heedless age of populist politics. It is a book unafraid to tell the people that they're awful." — NATIONAL REVIEW
 "Williamson is blistering and irreverent, stepping without doubt on more than a few toes—but, then again, that's kind of the point." — THE NEW CRITERION
 "Stylish, unrestrained, and straight from the mind of a pissed-off genius." —

THE WASHINGTON FREE BEACON Kevin Williamson is "shocking and brutal" (RUTH MARCUS, Washington Post), "a total jack**s" (WILL SALETAN, Slate), and "totally reprehensible" (PAUL KRUGMAN, New York Times). Reader beware: Kevin D. Williamson—he lively, literary firebrand from National Review who was too hot for The Atlantic to handle—come

s to bury democracy, not to praise it. With electrifying honesty and spirit, Williamson takes a flamethrower to mob politics, the "beast with many heads" that haunts social media and what currently passes for real life. It's destroying our capacity for individualism and dragging us down "the Road to Smurfdom, the place where the deracinated demos of the Twitter age

finds itself feeling small and blue." The Smallest Minority is by no means a memoir, though Williamson does reflect on that "tawdry little episode" with The Atlantic in which he became all-too-intimately acquainted with mob outrage and the forces of tribalism. Rather, this book is a dizzying tour through a world you'll be horrified to recognize as your own. With biting appraisals of

social media (“an economy of Willy Lomans,” political hustlers (“that certain kind of man or woman...who will kiss the collective ass of the mob”), journalists (“a contemptible union of neediness and arrogance”) and identity politics (“identity is more accessible than policy, which requires effort”), *The Smallest Minority* is a defiant, funny, and terrifyingly insightful book about what we human beings have done to ourselves. A *Comprehensive Guide* Simon and Schuster Ben Shapiro discusses hot-button political and social issues of the day. He calls attention to the corruption of the American future due to social liberalism. This is a collection of his nationally syndicated columns from 2014. *America 2030* Creators Publishing Democrats are pulling out all their stops to defeat President Trump and Republicans, and now they’re getting desperate. First came the screaming—“We have to do something!” Then came the whining—“This is a national disgrace!” It’s too politically useful for them to not rail at whatever they can, from the Kavanaugh nomination to the Trump-Russia collusion conspiracy. For provocative radio host Ben

Shapiro, the “voice of conservative millennials,” these tactics have made a circus out of American politics, and Trump is not the star performer. Read all about the acts under the big top in this collection of his 2018 syndicated columns. Baker Academic A lot has changed since 2015, and Ben Shapiro has something to say about it. In this curated sequel to “Facts Don’t Care About Your

Feelings,” Shapiro breaks down American politics from 2015 to today like you’ve never seen before. Review political dog fights and the Democrats’ radicalism problem through a poignant lens. Analyze the novel coronavirus and its economic implications through a perspective too often stamped out by the mainstream media. Explore the absurdities of

“anti-racism,” “mostly peaceful” protests and other leftist attempts to rewrite America. And discover pieces of the American identity—unity, free speech, capitalism and so much more—we have lost in the mayhem. What Politicians, Radicals, and the Media Refuse to Say Broadside Books Synopsis coming soon..... *Obama and His Team of Tax Cheats, Crooks, and*

Culture of Fear and Intimidation Silences Americans
 Simon and Schuster
 COURAGE > COWARDS As we approach the most important presidential election in America's history, something has been lost among all of the debates, attack ads, and super-PACs—something that Americans used to hold in very high regard: THE TRUTH. Glenn Beck likes to say that “the truth has no

agenda”—but there's another side to that: people who have agendas rarely care about the truth. And, these days, it seems like everyone has an agenda. The media leads with stories that rate over those that matter. Politicians put lobbyists and electability over honesty. Radicals alter history in order to change the future. In Cowards, Glenn Beck exposes the truth about

thirteen important issues that have been hijacked by deceit. Whether out of spite, greed, or fear, these are the things that no one seems to be willing to have an honest conversation about. For example: * How our two-party POLITICAL SYSTEM often leaves voters with NO GOOD OPTIONS. * How extremists are slowly integrating ISLAMIC LAW into our SOCIETY. *

How PROGRESSIVE “religious” leaders like JIM WALLIS are politicizing the Bible. * How the CARTEL VIOLENCE on our border is FAR WORSE than people realize. * How “LIBERTARIAN ” has been INTENTIONALLY turned into a DIRTY WORD. * How GEORGE SOROS has amassed enough MONEY and POWER to INFLUENCE entire ECONOMIES. In some cases, the truth is out there, but people simply

don’t want to hear it. It’s much easier, and certainly a lot more convenient, to keep our blinders on. After all, as a quote attributed to President James Garfield made clear, “The truth will set you free, but first it will make you miserable.” Miserable or not, the truth can no longer be something we hope for; it must be something we live. When courage prevails, cowards do not—and this book was

written to ensure that’s exactly what happens. How Universities Indoctrinate America's Youth Threshold Editions Over the last few years, culture has swum upstream of politics; social liberalism has deteriorated the American future; and the meaning of the conservative movement has been put up for grabs. Provocative radio host Ben Shapiro is the “principled gladiator”

who's militantly defending conservative ideas amid this chaos. With over 10 million podcast downloads a month and an audience that is 70 percent under the age of 40, Shapiro

has been dubbed the voice of conservative millennials. Picking apart liberal arguments and offering sharp, nuanced takes on current events is what he does best.

In this column collection, you will be both enlightened and entertained as Shapiro takes you on a journey through the losses conservatives—and America—have endured.
