Afrocentricity is a paradigm based on the idea that African people should reassert a sense of agency to achieve sanity. During the 1960s a group of African American intellectuals in the

newly formed black studies departments at universities began to formulate novel ways of analyzing information. Afrocentricity Essay * Essays on Controversial Topics ... (1998: 8) As a cultural theory Afrocentricity is committed to the reclamation of ancient African classical civilizations as the place for interpreting and understanding the history of African peoples, narratives, myths, spirituality, and cosmogonies. CONTEXT AND THEORY Afrocentricity is the most intellectually dominant idea in the African world, one that is having a growing impact on social science discourse. This paradigm, philosophically rooted

in African cultures and values, fundamentally challenges major epistemological traditions in Western thought, such as modernism and postmodernism, Marxism, existentialism, feminism, and postcolonialism. The Demise of the Inhuman: Afrocentricity, Modernism, and ... Summary Discussed in this cross-disciplinary work is the theory of 'Afrocentricity', which mandates that Africans be viewed as subjects rather than objects and is driven by the question: Is it in the best interest of African people? Afrocentricity, the theory of social change in SearchWorks ... Afrocentricity. In 1980 Asante published

Afrocentricity: The Theory of Social Change, which initiated a discourse around the issue of African agency and subject place in historical and cultural phenomena. He maintained that Africans had been moved off-center in terms on most questions of identity, culture, and history. Molefi Kete Asante - Wikipedia In 1980 Molefi Asante reintroduced the term Afrocentric to the scholarly world in his book Afrocentricity: The Theory of Social Change. In this book and his Kemet, Afrocentricity, and Knowledge (1990), Asante set out to define what he claimed was an entirely new discipline of academic inquiry. Despite these claims of originality,

much of what Asante argued was drawn from scholars going back to the 1800s, and more particularly from Diop. Afrocentrism | Encyclopedia.com towards the freeing of Africana peoples' thoughts and realities. Thus, Afrocentricity is the social science inquiry basis of African cultural phenomenon in practice. As a methodological frame, Afrocentricity serves as a foundation for exploratory, explanatory and descriptive research. Benefits of Afrocentricity in Exploring Social Phenomena ...
