The classic "All Series" books have graced the shelves of pastors, students, and laypeople alike for decades. "All about the Holy Spirit" continues in the series tradition of offering a faithful and comprehensive treatment of biblical subjects. In this work, Dr. Lockyer examines virtually every biblical reference to the Holy Spirit. He explores the Holy Spirit as part of the Trinity and the Holy Spirit in relationship to the believer. As part of the divine Trinity, the

Holy Spirit is one with the Father and the Son and yet has a unique personality and function. "He who is the breath of God" also has a special relationship to the believer; He enables the believer to live a Spirit-filled life evidenced by the fruit and fullness of the Spirit. Lockyer's careful study is coupled with a warm pastoral approach, making this book food for the mind and heart.

The Practical School of the Holy Spirit - Part 4 of 8, Activate Dreams and Visions; Secure Fruitfulness, Multiplication and Dominion in the Secret Place What is my motivation for writing this book and why would you want to read it? As we engage the marketplace as ambassadors of Christ - 2 Corinthians 5:21, never before has there been a need to be led by the Spirit of God than it is now. As we race towards the end, activities in the realm of the spirit continue to be heightened because the destiny of the human race hangs in the balance. Our ministry of reconciliation cannot be done on human wisdom, intellect, tactics or strategy devoid of the power and the working of the Holy Spirit. As Christians, we should realize that we are spirit with a mind

using our bodies as containers to execute. As Christians, our spirit has joined with the Spirit of God at conversion. To be motivated in body, we have to first be motivated in our spirit. The Spirit then communicates to our spirit and this to our minds and our minds instructs our body to take action based on the instruction sent to us by God's Spirit in us. But for lack of understanding and knowledge of the working and ways of the Holy Spirit, some of us have either ignored or grieved the Holy Spirit. As a result, our sensitivity to Him has died or He has chosen not to lead us any longer. This series on the school of the Holy Spirit will help heighten our sensitivity and working with our best friend who is ready and willing to help us be all that

God has called us to be and to do. At the end of this series, some of us will begin to dream dreams with more clarity and poise, we will be activated in the realm of visions again, we will begin to pick up promptings, voices, flows from the Holy Spirit and interpret them accurately what the Holy Spirit is saying to us the churches so that we can be effective in the mission field of life. We developed these 41 series and further broke these up into 6 easy to read chapters of 8 books of which this one is our fourth in the series. We hope you like it and we pray it will make you an effective kingdom disciple-maker, operating powerfully in the Spirit realm in Jesus name, Amen

A Complete Guide to Hearing God Harper Collins  
Six years ago, I wrote my dissertation on who the Holy Spirit is in order to

obtained my doctorate degree. I chose a topic that not one faculty member at Bethel Christian College had written on. The reason why I chose this topic is that one day, one of my children asked me a question about who the Holy Spirit is, and that is how this came to birth. I wondered, since my children asked me so many questions about the Holy Spirit, how many other Christians had the same questions but were afraid to ask. What I learned from researching on this topic was that very little was written on this subject. So after completing my dissertation, I wanted to share what I learned and discovered with others. The more I put it off, the more restless I became. It has taken me nine years to complete this task. There are four questions I will be addressing in the

book: 1. Who the Holy Spirit is 2. The Holy Spirit and spiritual growth 3. The Holy Spirit and the nine fruit of the Spirit 4. The silent active roles the Holy Spirit had in the Old Testament

The Lord through the Holy Spirit is raising up an invincible, unstoppable, unconquerable, and overcoming Army to bring in an end-time harvest. The Lord is calling. Are you part of God's army? In his new book, *Activating the Present-Day Ministry of the Holy Spirit*, author Dr. Lon Stettler is calling those the Holy Spirit is recruiting into action to minister in these last days. This second book in his two-part Activation series outlines the three perspectives of the Holy Spirit's present-

day ministry. The first perspective focuses on understanding scripturally how a person enters into the ministry of the Holy Spirit through the baptism in the Holy Spirit, speaking in tongues, and manifesting spiritual gifts. This leads into the second perspective, which is understanding the restoration ministry of the Holy Spirit to bring the church into maturity and number. The final perspective is the actual activation process to mobilize each ministry of the Holy Spirit - the baptism in the Holy Spirit with speaking in tongues, accelerating the development of the fruit of the Spirit, and activating gifts of the Spirit in your ministry. Dr. Stettler felt God leading him to write a two-part series at the start of 2020, with the first book discussing a righteousness

consciousness through the identifying of Christ in us. This book then focuses on the ministry of the Holy Spirit and how to activate it in our lives and ministries. His hope is that those reading become aware of what God has gifted them with after they accepted Jesus in their hearts, the awakening of the Holy Spirit in their lives. With this new understanding, readers will begin to activate their divine gifts and ministries to be a minister in the marketplace, the public square, and the local church.

The promise of the Holy Spirit came on the day of Pentecost which was marked by the distinctive appearance of fire. And from that day, the Lives of the disciples was marked by the power and the fire of

Man has a problem and God has an answer in Christ. How do we respond? Dr. Graham gives the answer in simple, direct, and dynamic language. But he does not stop with the moment of the new birth, for newborns have a lot of growing to do. Here also is essential guidance to take them further, for they can scarcely realize so soon the potential of the new power God can release from deep within them. How to Be Born Again is at once universal and personal, for the new Christian and for the Christian along the way - an irresistible primer for finding salvation, a guidebook for continuing growth.

Spirit Activating God's Power in Your Life

Who Is the Holy Spirit—and Why Do You Need Him in Your Life? After His

crucifixion and resurrection, Jesus gave

His disciples an assignment to change

the world—but told them to wait until

the power of the Holy Spirit had come

upon them before setting out. His charge

to modern-day believers is no different:

To do the works that Jesus did (and even greater ones, as He said), it is imperative

that we operate from the indwelling power of the Holy Spirit. But Who is this mysterious Third Person of the Trinity? How do we get this power, and what are we to do with it when we receive it? Pat Robertson, founder of the Christian Broadcasting Network and beloved longtime host of The 700 Club, tackles these questions and many others in this, the final book of a life that is now in its ninth decade. Robertson traces the path

of the Holy Spirit through both the Old and New Testaments, and shares stories from his own life and that of many 700 Club viewers testifying to how the power of the Holy Spirit has miraculously freed and healed them today. If you want a better understanding of the Holy Spirit and are hungry to know more about the power that is available through Him to every Christfollower today, this book is for you.
