J.S. Bach's Well-tempered Clavier Routledge
 Freedom and Necessity in Modern Trinitarian Theology examines the tension between God and the world through a constructive reading of the Trinitarian theologies and Christologies of Sergii Bulgakov (1871-1944), Karl Barth (1886-1968), and Hans Urs von Balthasar (1905-1988). It focuses on what is called "the problematic of divine freedom and necessity" and the response of the writers. "Problematic" refers to God being simultaneously radically free and utterly bound to creation. God did not need to create and redeem the world in Christ. It is a contingent free gift. Yet, on the other side of a dialectic, he also has eternally determined himself to be God as Jesus Christ. He must create and redeem the world to be God as he has so determined. In this way the world is given a certain "free necessity" by him because if there were no world then there would be no Christ. A spectrum of different concepts of freedom and necessity and a theological ideal of a balance between the same are outlined and then used

to illumine the writers and to articulate a constructive response to the problematic. Brandon Gallaher shows that the classical Christian understanding of God having a non-necessary relationship to the world and divine freedom being a sheer assertion of God's will must be completely rethought. Gallaher proposes a Trinitarian, Christocentric, and cruciform vision of divine freedom. God is free as eternally self-giving, self-emptying and self-receiving love. The work concludes with a contemporary theology of divine freedom founded on divine election.

"An outstanding piece of work---illuminating, attractively written, and stimulating. It is a book that will be welcomed by scholars of Russian music, readers interested in the cultural life of the Soviet Union, and interested listeners to a remarkable body of repertory." Michael Steinberg --Book Jacket.

Performance Guide for 24 Preludes for Piano, Op. 41 by Lera Auerbach PediaPress

In Excess of Being, Russian-American poet and musician Lera Auerbach revitalizes the form of aphorisms. Her writing is provocative, dark, ironic and humorous, dealing with a wide range of subjects. Excess of Being is Lera's first book published in

English.

Mastering the Works of Great Composers Knopf (DSCH). Includes: Suite from the Opera Lady Macbeth of the Mtsensk District, Op. 29a; Five Interludes from the Opera Lady Macbeth of the Mtsensk District (Katerina Izmailova) Op. 29/114 (a); Interlude between Scenes 6 and 7 from the Opera Katerina Izmailova, Op. 114 (b) Full Score. These volumes are the first releases of an ambitious series started in 1999 by DSCH, the exclusive publisher of the works of Dmitri Shostakovich. Each volume contains new engravings; articles regarding the history of the compositions; facsimile pages of Shostakovich's manuscripts, outlines, and rough drafts; as well as interpretations of the manuscripts. In total, 150 volumes are planned for publication.

A is for Oboe: The Orchestra's Alphabet Alfred Music

This deeply imaginative and entertaining poetry collection details the pleasures of the orchestra, from strong-willed A to satisfied Z. Two widely acclaimed poets--one a composer and classical pianist as well--have come together to create this extraordinary portrait of the orchestra in all of its richness and fascination, using the structure of the alphabet in a way that's entirely new and delightful. A is for the first note you hear as you take your seat in the concert hall, played by the headstrong oboe. B is for the bassoon, "the orchestra's jester, complaining impatiently through his nose." And C is for the conductor, "like the captain on the bridge of a great ship, navigating the composer's musical charts." Onward the text goes, soaring in reverie and making thought-provoking observations while not taking itself too seriously--illuminating all the various details that flow together to create the nourishing experience of playing or listening to music.

Intertextuality in Music ARC Publications

(Piano Solo Songbook). Cool, jazzy arrangements of 23 most-requested standards at the piano lounge, including: Blue Moon * Cocktails for Two * Dream a Little Dream of Me * Fly Me to the Moon (In Other Words) * Georgia on My Mind * Hey There * I Left My Heart in San Francisco * I'm in the Mood for Love * The Lady Is a Tramp * Lullaby of Birdland * Mack the Knife * More (Ti Guardero Nel Cuore) * Over the Rainbow * Puttin' on the Ritz * Speak Low * The Very Thought of You * and more.

First 50 Classical Pieces You Should Play on the Piano

Warner (CA)

How does music reflect the key moments in our lives? How do we choose the works that inspire, delight, comfort or console? Fiona Maddocks selects 100 classical works from across nine centuries, arguing passionately, persuasively and at times obstinately for their inclusion, putting each work in its cultural and musical context, discussing omissions, suggesting alternatives and always putting the music first.

Children's Album For Piano Alfred Music

Dmitri Shostakovich Catalogue Oxford University Press, USA
Katerina is stifled by her loveless marriage to a bitter man twice her age, whose family are cold and unforgiving. When she embarks on a passionate affair with a young worker on her husband's estate, a force is unleashed inside her, so powerful that she will stop at nothing to get what she wants. Leskov's wrote the novella in the Kiev university's punishment room. He described how his hair stood on end as he worked on it alone in that cold place and swore he would never describe such horrors again. It was published in Dostoyevsky's Epoch magazine in 1865 and is a picture of almost unrelieved wickedness and passion. Ignored at first by contemporaries it is now regarded as a masterpiece.

A Life Oxford University Press

Dmitri Shostakovich (1906-75) was one of the greatest composers of the 20th century, as well as the first major Soviet composer. In the fourth edition of Dmitri Shostakovich Catalogue: The First Hundred Years and Beyond, Derek C. Hulme names and describes all known musical compositions of the Russian composer. More than 175 major works are annotated and discussed, including such comprehensive details as titles and subtitles, dates of composition, instrumentation, and duration; information on dedications and premieres; arrangements by the composer and others; publication details; notes on bibliographical references and the location of the autograph score; and comprehensive chronological lists of vinyl, compact disc, and visual recordings. The entries are presented chronologically and by opus number, while indexes of names and compositions provide full accessibility. Several appendixes supplement the volume, guiding readers to further information in published sources and providing information on the composer's film, radio, television, and theatre productions; his abandoned projects and obscure works; and his recordings, including box sets and special USSR recordings. An appendix also discusses the monogram DSCH, a musical motif based on his name that permeates his compositions. This new edition also includes a comprehensive chronological chart of Shostakovich's works and historical events and several plates of memorabilia.

24 Preludes and Fugues For Piano, Op. 87, vol. 1 Siglind Bruhn

The BBC Proms is the world's biggest and longest-running classical music festival and one of the jewels in the crown for the BBC. Held every summer at the Royal Albert Hall in London, it is one of the strongest brand names in the music world and attracts a glittering array of artists and orchestras. Whether you're a first-time visitor or an experienced Prommer, watching at home or listening on radio or online, the BBC Proms Guide will be an excellent companion to a remarkable summer of music, which you can treasure and return to in years to come. Filled with the latest programme details and illuminating articles by leading experts, journalists and writers, the BBC Proms Guide gives a wide-ranging insight into the performers and repertoire, as well as thought-provoking opinion pieces about audiences, music and music-making. The contents for 2021 include a specially commissioned short story by award-winning author Chibundu Onuzo; an exploration of music and silence by author, commentator and broadcaster Will Self; a celebration of the history and influence of the iconic Royal Albert Hall 150 years after its opening by historian, author, curator and television presenter Lucy Worsley; a tribute to anniversary composer Igor Stravinsky; and an article spotlighting the remarkable Kanneh-Mason siblings (spearheaded by royal-wedding cellist Sheku).

Music for Life Dsch

Keith Jarrett is one of the great pianists of our times. Before achieving worldwide fame for his solo improvisations, he had already collaborated with Art Blakey, Charles Lloyd and Miles Davis. His 'Köln Concert' album (1975) has now sold around four million copies and become the most successful solo recording in jazz history. His interpretations of the music of Bach, Händel, Bartók or Shostakovich, have also received much attention in later years. Jarrett is considered difficult and inaccessible, and has often abandoned the stage during his concerts due to restless audiences or disturbing photographers. Few writers have come as close to Keith Jarrett as Wolfgang Sandner, who has not only closely followed Jarrett's remarkable career from the 1960s, but has also had the opportunity to visit him in his home in the United States. For this biography, which is full of detailed musical analysis and cross-references to other artistic genres, Sandner

has collected new information about Jarrett's family background, much of which is thanks to the translator, Keith Jarrett's youngest brother Chris. The book explores Jarrett's work with other musicians, in particular the members of his American and European Quartets and his Standards Trio, it charts the development of his solo concerts, and it also investigates his work in the classical sphere, as well as the highly original music he has created in his own home studio. It also covers his associations with his various record labels and producers, notably his unparalleled relationship with ECM and its founder Manfred Eicher. This English edition is a significantly extended and updated version of the German original.

Composer and the Brutal Dictator Hal Leonard Corporation

(Easy Piano Songbook). A great collection of 50 must-know classics for all pianists, including: Arabesque, Op. 100, No. 2 * Ave Maria * Can Can * Canon in D * Clair de Lune * Eine Kleine Nachtmusik * Fur Elise * Hallelujah Chorus * Hungarian Dance No. 5 * La Fille Aux Cheveux De Lin (The Girl with the Flaxen Hair) * Largo from Symphony No. 9 ("New World") * Meditation * Minuet in G * Ode to Joy * Pavane Pour Une Infante Defunte * Pomp and Circumstance * Sonata No. 11 in a Major, K 331, Third Movement ("Rondo Alla Turca") * The Surprise Symphony * Waltz in a Minor * William Tell Overture * and more. Each arrangement is simple and streamlined, yet still captures the essence of the tune!

For Piano Haus Pub

An intriguingly illustrated passionate portrayal of the most controversial Russian composer of Soviet times

Complete Works for Pianoforte Solo Penguin

Most previous books about Dmitri Shostakovich have focused on either his symphonies and operas, or his relationship to the regime under which he lived, or both, since these large-scale works were the ones that attracted the interest and sometimes the condemnation of the Soviet authorities. "Music for Silenced Voices" looks at Shostakovich through the back door, as it were, of his fifteen quartets, the works which his widow characterized as a "diary, the story of his soul." The silences and the voices were of many kinds, including the political silencing of adventurous writers, artists, and musicians during the Stalin era;

the lost voices of Shostakovich's operas (a form he abandoned just before turning to string quartets); and the death-silenced voices of his close friends, to whom he dedicated many of these chamber works. Wendy Lesser has constructed a fascinating narrative in which the fifteen quartets, considered one at a time in chronological order, lead the reader through the personal, political, and professional events that shaped Shostakovich's singular, emblematic twentieth-century life. Weaving together interviews with the composer's friends, family, and colleagues, as well as conversations with present-day musicians who have played the quartets, Lesser sheds new light on the man and the musician. One of the very few books about Shostakovich that is aimed at a general rather than an academic audience, "Music for Silenced Voices" is a pleasure to read; at the same time, it is rigorously faithful to the known facts in this notoriously complicated life. It will fill readers with the desire to hear the quartets, which are among the most compelling and emotionally powerful monuments of the past century's music.

The Well-tempered Clavier, Vol. 1 Boosey & Hawkes Incorporated

The piano works of Dmitri Shostakovich (1906-1975) are among the most treasured musical compositions of the 20th century. In this volume, pianist and Russian music scholar Sofia Moshechik provides detailed interpretive analyses of the ten major piano solo works by Shostakovich, carefully noting important stylistic details and specific ways to overcome the numerous musical and technical challenges presented by the music. Each piece is introduced with a brief historic and structural description, followed by an examination of such interpretive aspects as tempo, phrasing, dynamics, voice balance, pedaling, and fingering. This book will be an invaluable resource for students, pedagogues, and performers of Shostakovich's piano solos.

12 Preludes & Fugues, Piano, Op87 Vol 2 Faber & Faber

In *The Pianist's Craft*, Richard Anderson collects from his fellow pianist-scholars 18 articles on the teaching, preparation, and performance of works by the greatest composers in the standard piano repertoire. The contributors—all recognized nationally and internationally for their contributions as performing artists, teachers, recording artists, and clinicians—write thoughtfully about the composers whose work they have studied and played for years, examining questions of phrasing, tempo, articulation, dynamics, rhythm, color, gesture, lyricism, instrumentation, and genre. *The Pianist's Craft* is intended for teachers and students of the intermediate and advanced levels of piano, instructors and performers at the university level, and those who love piano and piano music generally.
