## ALESSANDRO LOWERY

*Routine maintenance for engines MAN - HIMSEN - PIELSTICK*  
 Maintenance Himsen Engines Hyundai HiMSEN Engine & Machinery Division is the world's largest marine diesel engine builder, supplying approximately 35% of the global marine diesel market. Hyundai HiMSEN is also a leading manufacturer of propellers, cargo oil pumps, ballast water treatment systems, and side thrusters. MSHS - Hyundai HiMSEN Key advantages of the HiMSEN engine include reliability, durability, long service intervals, easy maintenance, cost efficiency in operation, and environmental friendliness. Based on its leading position in engine production, HHI-EMD has become the forerunner in the sector of engine power generation as well. Welcome to Hyundai Heavy Industries Spare parts sales for MAN - HIMSEN and Pielstick

engines Every maintenance operation is specific in our world and for each maintenance operation corresponds a spare part list. Our Field experience allows Alliance Diesel Refit to propose dedicated kits including what really required and only and on top of that to prepare special packaging ... Spare part supply and technical assistance for engines MAN ... HYUNDAI-HIMSEN diesel engines Spare parts catalogs, Service & Operation Manuals. Spare parts for Hyundai-Himsen engines. Please see the Home Page with explanation how to order and receive Manuals and Code Books.. Hyundai Heavy Industries is the world's largest diesel engine builder. HYUNDAI-HIMSEN engine Manuals & Parts Catalogs It is a matter of fact that year after year maintenance manuals have turned to commercial documents. Alliance Diesel Refit is in favor of an adaptive preventive maintenance. The maker maintenance manual remains the leading line however specific site factors must be considered as they have a direct influence on the plant behavior: Routine maintenance for engines MAN - HIMSEN -

PIELSTICK Motor-Services Hugo Stamp, Inc. (MSHS) is an authorized distributor and service center for most of the world's major diesel engine and turbocharger manufacturers. We maintain an extensive inventory of spare parts and our service engineers, technicians, and parts department are on 24-hour call worldwide. Committed to staying up with technology, MSHS also offers the very latest in laser ... MSHS, diesel engine repair, maintenance and overhaul ... - Maintenance schedule & tool - Cyl. Head unit & Valve train - Fuel injection pump timing & adjustment - Instrumentation, Automation and Control system HiMSEN Global Academy curriculum Ship crew & Power plant management - Main data of HiMSEN Engine - Design & function of engine Period 3 DAYS 5 DAYS 2 WEEKS ~ 12 WEEKS HiMSEN Global Academy curriculum-20120403 (2) My Engine Manuals Engine manuals. ... Maintenance Manual. User Manual - Components Description. User Manual - Accessories (1) ... HYUNDAI-HiMSEN 6H21/32 (4-stroke diesel engine, non-reversible, turbocharged. and

intercooled with direct injection of fuel) Engine speed: 900,00 rpm. Mechanical Engineering for Everyone: My Engine Manuals The engine block is made of monoblock cast iron and has the combustion air chamber and lubricating oil channel. There is no need for maintenance normally except for cleaning in side air chamber and outside. And also this is of stiff and reliable to internal and external forces. Hi-touch Marine & Stationary Engine H25/33V For this field service, SECO provided with a supervisor as well as with mechanics. On board of a total of 3 vessels, identical in construction, several auxiliary engines of engine model MAN 23/30H were repaired and major overhauled. Besides the exchange of two crankshafts, the complete motor block of one engine was replaced as well. Service Engines are optimised for operation in the load range above approximately 60% CMCR. Continuous running at lower loads is possible, but will influence the operational parameters and engine components. The engine Operating Manual provides guidelines for low load operation. Important Service Letters and Bulletins SECO GmbH - Spare parts for Himsen 17/28, 21/32 and 25/33. SECO - The Engine People . With more than 50 years of experience in developing and producing pistons up to 500 mm in diameter, SECO is looking back upon an exceptional long tradition in the manufacturing of spare parts for powerplant- and marine Diesel engines, like f.e. pistons and cylinder liners. Spare parts for Himsen 17/28, Himsen 21/32 and Himsen 25 ... Demonstration of procedure for operating overhaul of cylinder, piston and liner Engine types: L28/32H. Demonstration of procedure for operating overhaul of cylinder, piston and liner Engine types ... L28/32H Overhaul of Cylinder, Piston and Liner Hyundai's HiMSEN 32/40 Family have simple and smart design suitable for marine applications with high reliability and performance. The key features are : Heavy Fuel Engine with same fuel of main engine (Uni-Fuel concept). Hence, the diesel fuel and heavy fuel oil of the viscosity of upto 700 cSt at 50°C is acceptable. Economical and Ecological Engine with low fuel consumption, NOx emission, and ... H32/40(V) Datasheet -- Hyundai Heavy Industries Co., Ltd ... Main Features Performance characteristics • High Output in the similar range engines • Low Fuel Oil Consumption • Quick acceleration & load response Maintenance • Easier maintenance by modularized design • Minimal the number and kind of components Heavy Fuel Engine with same fuel of main engine
