Collecting, Ordering, Governing on Apple Books
COLLECTING, ORDERING, GOVERNING. We begin with four museum displays that exemplify the connections we want to explore between how the processes of collecting in "the field" were organized, how the texts and materials brought back from such sites of collection were ordered at the centers of calculation where they were gathered

together, and how these collecting and ordering practices were shaped by, and helped to shape, practices of governing. COLLECTING ORDERING GOVERNING Collecting, Ordering, Governing is essential reading for scholars and students of anthropology, museum studies, cultural studies, and indigenous studies as well as museum and heritage pro...
