**Regarding Roderer** John Wiley & Sons  
Jeremiah Alberg's fascinating book explores a phenomenon almost every news reader has experienced: the curious tendency to skim over dispatches from war zones, political battlefields, and economic

centers, only to be drawn in by headlines announcing a late-breaking scandal. Rationally we would agree that the former are of more significance and importance, but they do not pique our curiosity in quite the same way. The affective reaction to scandal is one both of interest and of embarrassment or anger at the interest. The reader is at the same time

attracted to and repulsed by it. Beneath the Veil of the Strange Verses describes the roots out of which this conflicted desire grows, and it explores how this desire mirrors the violence that undergirds the scandal itself. The book shows how readers seem to be confronted with a stark choice: either turn away from scandal completely or become enthralled and thus trapped by it. Using

examples from philosophy, literature, and the Bible, Alberg leads the reader on a road out of this false dichotomy. By its nature, the author argues, scandal is the basis of our reading; it is the source of the obstacles that prevent us from understanding what we read, and of the bridges that lead to a deeper grasp of the truth.

Editorial Fundamentos  
 “Allende can spin a yarn with the grace of a poet.”—Entertainment Weekly  
 AN INSTANT NEW

YORK TIMES BESTSELLER, NOW WITH A NEW DEAR READER LETTER From the New York Times bestselling author of *A Long Petal of the Sea* and *The House of the Spirits*, an enthralling and suspenseful coming-of-age story about a teenage girl who must unravel the mysteries of her past in order to save herself. Nineteen-year-old Maya Vidal grew up in a rambling old house in Berkeley with her grandmother Nini—a force of nature whose formidable strength

helped her build a new life after she emigrated from Chile in 1973—and Popo, an African-American astronomer and professor whose solid, comforting presence helps calm the turbulence of Maya's adolescence. When Popo dies of cancer, Maya comes undone and turns to drugs, alcohol, and petty crime. When she becomes lost in the dangerous underworld of Las Vegas, Maya becomes caught in the crosshairs of deadly warring forces. Her one chance for survival is Nini, who helps her

escape to a remote island off the coast of Chile. Here, Maya tries to make sense of the past to discover the truth about her life and her family, and embarks on her greatest adventure: a journey of self-discovery and forgiveness.

**Mexico** MSU Press  
 Brasilia, Caracas, Mexico City, Rio de Janeiro ... these are cities synonymous with some of the most innovative and progressive architecture of the twentieth century. The period between 1930 and 1960 in particular,

when many Latin American economies expanded rapidly, was an era of incomparable inventiveness and creative production, as the various governments strove to shake off their colonial pasts and make public their modernising intentions. This book focuses on major state-funded architectural projects, featuring not only the high-profile prestigious building like the House of Representatives in Barsilia but also social architecture such as

schools and low-cost housing developments. Architects like Pani, Costa, Reidy and Niemeyer, who undertook this work with considerable autonomy and significant financial resources, in effect became social planners, their avant-garde aesthetic and technical experimentation often being teamed with radical social agendas. By 1960, the year in which Brasilia was inaugurated, economic growth in the region was slowing and faith in the modernist project in general was

faltering. The English-speaking world, which had previously endorsed and even envied Latin American architectural production, changed its opinion and largely dismissed it from the history of twentieth-century architecture. *Building the New World* redresses the balance. It provides an accessible introduction to the most important examples of state-funded modernism in Latin America during a period of almost unimaginable optimism, when politicians and

architects saw architecture as, literally, a way of building themselves out of underdevelopment and into the new world of a culturally rich and socially inclusive future . Hollywood Planet Routledge  
 Repase y escriba, 7th Edition combines solid grammar coverage with contemporary readings from a variety of sources, including literature, magazines, and newspapers. Readings are preceded by a short passage introducing the author

and the context, and are followed by vocabulary, comprehension questions, and conversation prompts. The Sección léxica teaches students proverbs, idioms, and word families. There are also topics for creative compositions with guidelines. With updated literary and cultural readings, *Repase y Escriba* includes an “oral exchange,” to make the text more useful when stressing conversation. **Achtung-Panzer!** Verso Latina superstar Thalia is back with *Radiante!*, a

gorgeous guide for women seeking a fit and fabulous pregnancy. Having just enjoyed the same herself, Thalia is the perfect woman to advise and inspire, sharing nutrition advice, fitness tips, fashion dos and don'ts, and so much more. She's broken the book down into trimesters (including the little acknowledged but very real "fourth" trimester). Each section addresses a woman's state of mind, body, and spirit. Thalia and her personal ob-gyn, Dr. Kramer, advise first

time moms on the importance of prenatal care, what tests will be offered when, and how best to cope with any attendant anxieties. With its sound advice and Thalia's bright personality stamped on every page, *Radiante!* is a go-to resource for moms-to-be. *The Lynch Mob, the Popsicle Kings, Chalino, and the Bronx* Routledge Stories of life in modern Mexico reveals the spirit, drama, and humor of surviving daily life in and around Mexico's system of political, economic, and

social organizations.

### **Repase Y Escriba**

Greenwood Publishing Group

From the internationally bestselling author of *The German Girl*, an unforgettable, "searing" (People) saga exploring a hidden piece of World War II history and the lengths a mother will go to protect her children—perfect for fans of *Lilac Girls*, *We Were the Lucky Ones*, and *The Alice Network*. Seven decades of secrets unravel with the arrival of a box of letters from the distant past, taking

readers on a harrowing journey from Nazi-occupied Berlin, to the South of France, to modern-day New York City. Berlin, 1939. The dreams that Amanda Sternberg and her husband, Julius, had for their daughters are shattered when the Nazis descend on Berlin, burning down their beloved family bookshop and sending Julius to a concentration camp. Desperate to save her children, Amanda flees toward the South of France. Along the way, a

refugee ship headed for Cuba offers another chance at escape and there, at the dock, Amanda is forced to make an impossible choice that will haunt her for the rest of her life. Once in Haute-Vienne, her brief respite is interrupted by the arrival of Nazi forces, and Amanda finds herself in a labor camp where she must once again make a heroic sacrifice. New York, 2015. Eighty-year-old Elise Duval receives a call from a woman bearing messages from a time and country that she

forced herself to forget. A French Catholic who arrived in New York after World War II, Elise is shocked to discover that the letters were from her mother, written in German during the war. Her mother's words unlock a floodgate of memories, a lifetime of loss un-grieved, and a chance—at last—for closure. Based on true events and “breathtakingly threaded together from start to finish with the sound of a beating heart” (The New York Times Book Review),

The Daughter's Tale is an unforgettable family saga of love, survival, and redemption.

*The Daughter's Tale*

Metropolitan Museum of Art

After the modern Mexican state came into being following the Revolution of 1910, hyper-masculine machismo came to be a defining characteristic of "mexicanidad," or Mexican national identity. Virile men (pelados and charros), virtuous prostitutes as mother figures, and minstrel-like gay men were held out as

desired and/or abject models not only in governmental rhetoric and propaganda, but also in literature and popular culture, particularly in the cinema. Indeed, cinema provided an especially effective staging ground for the construction of a gendered and sexualized national identity. In this book, Sergio de la Mora offers the first extended analysis of how Mexican cinema has represented masculinities and sexualities and their relationship to national identity from 1950 to

2004. He focuses on three traditional genres (the revolutionary melodrama, the cabaretera [dancehall] prostitution melodrama, and the musical comedy "buddy movie") and one subgenre (the fichera brothel-cabaret comedy) of classic and contemporary cinema. By concentrating on the changing conventions of these genres, de la Mora reveals how Mexican films have both supported and subverted traditional heterosexual norms of Mexican national identity.

In particular, his analyses of Mexican cinematic icons Pedro Infante and Gael García Bernal and of Arturo Ripstein's cult film *El lugar sin límites* illuminate cinema's role in fostering distinct figurations of masculinity, queer spectatorship, and gay male representations. De la Mora completes this exciting interdisciplinary study with an in-depth look at how the Mexican state brought about structural changes in the film industry between 1989 and 1994 through the work of the Mexican

Film Institute (IMCINE), paving the way for a renaissance in the national cinema. Mass Media and Free Trade Grand Central Publishing Presents a series of essays which examine the impact of telenovelas and their portrayals of racism, sexism, immigration, and classism. *Curso avanzado de gramática y composición* Milne Open Textbooks This advanced book focuses on Spanish grammar and composition. It has been

revised to offer new introductory readings featuring more recent authors and magazine articles dealing with contemporary issues, as well as new interactive exercises and activities. Death and the right hand HarperCollins Describes the prostitution industry from Poland to Argentina from the 1880s to the 1930s. The text follows the life and career of Raquel Liberman, a Polish Jewish prostitute and victim of the white slave trade. Thalia, Belleza! John Wiley

**The Orbis Pictus of  
 John Amos Comenius** U  
 of Nebraska Press  
 Although TV distribution  
 has undergone a massive  
 increase in volume and  
 value over the past fifty  
 years, there is a  
 systematic lack of both  
 curiosity and knowledge  
 on the part of both  
 industry and scholars  
 about this area. This book  
 assists in the filling of this  
 gap by studying what, in  
 fact, occurs in global

trade in TV program  
 formats within  
 international markets  
 such as Cannes, Las  
 Vegas and Singapore. The  
 study investigates key  
 components of this trade,  
 thereby elucidating the  
 crucial dynamics at work  
 in the most significant  
 contemporary  
 transnational cultural  
 industry.  
Tesla's Attic Arms &  
 Armour  
 As United States  
 television programs,  
 movies, music, and other  
 cultural products make  
 their way around the

globe, a vigorous debate  
 over "cultural  
 imperialism" is growing in  
 many countries. This book  
 brings together experts in  
 economics, sociology,  
 anthropology, the  
 humanities, and  
 communications to  
 explore what effects the  
 North American Free  
 Trade Agreement will  
 have on the flow of  
 cultural products among  
 Mexico, the United States,  
 and Canada. After an  
 overview of free trade and  
 the cultural industries, the  
 book covers the following  
 topics: dominance and

resistance, cultural trade and identity in relation to Mexico and to French Canada, and intellectual property rights. Based on present trends, the contributors predict that there will be a steadily increasing flow of cultural products from the United States to its neighbors. This book grew out of a 1994 conference that brought together leaders of the cultural industries, policy makers, and scholars. It represents state-of-the-art thinking about the global influence of U.S. cultural industries.

**Soap Operas Around the World** Routledge  
 Much has been written about Tommy Mottola, one of the most powerful, visionary, and successful executives in the history of the music industry. He discovered, developed and launched the careers of many superstars, including Mariah Carey, Celine Dion, Shakira, Jennifer Lopez and Gloria Estefan, and is credited with creating the "Latin Explosion." He has had the privilege of working alongside Bruce Springsteen, Billy Joel,

Bob Dylan, Beyonce, Michael Jackson, Barbara Streisand, the Dixie Chicks, Pearl Jam, Aerosmith, Tony Bennett, and Ozzy Osbourne, amongst other music giants. This is his story--a story of the modern music industry, from Elvis to the iPod--through the eyes of the man who made much of it happen. HITMAKER recounts how a kid from the Bronx--and a college dropout--became one of the music industry's most creative and controversial CEOs. For the first time, Tommy lays bare the

facts behind the most sensational aspects of his life, such as being married to and developing the career of Mariah Carey, managing Michael Jackson's emotional ups and downs, and the power struggle with his onetime boss and mentor Walter Yetnikoff. **HITMAKER** will take you inside this world of power, money, and fame as he recounts the fascinating dealings with countless icons, and what it was like to be at the top when the business suddenly changed. Tommy's story is one that

will never be duplicated-- and here it is, in his own voice, for the first time.

### **A Tale of Mystery** ABC-CLIO

The Television Studies Reader brings together key writings in the expanding field of television studies, providing an overview of the discipline and addressing issues of industry, genre, audiences, production and ownership, and representation. The Reader charts the ways in which television and television studies are

being redefined by new and 'alternative' ways of producing, broadcasting and watching TV, such as cable, satellite and digital broadcasting, home video, internet broadcasting, and interactive TV, as well as exploring the recent boom in genres such as reality TV and docusoaps. It brings together articles from leading international scholars to provide perspectives on television programmes and practices from around the world, acknowledging both television's status as a global medium and the

many and varied local contexts of its production and reception. Articles are grouped in seven themed sections, each with an introduction by the editors: Institutions of Television Spaces of Television Modes of Television Making Television Social Representation on Television Watching Television Transforming Television

**Reading Scandalous**

**Texts** UNM Press

The intimate and revealing memoir of the multi-award-winning

telenovela and music superstar. In *Growing Stronger*, international superstar Thalia opens up for the first time about her rewarding and sometimes devastating life experiences. She reveals her most personal struggles-the loss of her father when she was just five years old, the shocking kidnapping of her sister, and her battle with a life-altering disease-and reflects on her greatest blessings, like husband Tommy Mottola and their daughter Sabrina.

Through this process, Thalia discovers that only she could permit herself to accept the joys of life, let go of painful obstacles, and find her true balance.

This empowering story will resonate with her millions of fans and new readers alike.

The Development of

Armoured Forces, Their  
Tactics and Operational  
Potential University of  
Texas Press

The popularity of American television programs and feature films in the international marketplace is widely recognized but scarcely understood. Existing studies have not sufficiently explained the global power of the American media nor its actual effects. In this volume, Scott Robert Olson tackles the issue head on, establishing his thesis that the United

States' competitive advantage in the creation and global distribution of popular taste is due to a unique mix of cultural conditions that are conducive to the creation of "transparent" texts-- narratives whose inherent polysemy encourage diverse populations to read them as though they are indigenous. Olson posits that these narratives have meaning to so many different cultures because they allow viewers in those cultures to project their own values, archetypes,

and tropes into the movie or television program in a way that texts imported from other cultures do not, thus enabling the import to function as though it were an indigenous product. As an innovative volume combining postcolonial and postmodern theory with global management strategic theory, Hollywood Planet is one of the first studies that attempts to account theoretically for numerous recent ethnographic studies that suggest different interpretations of

television programs and film by a variety of international audiences. Relevant to studies in media theory and other areas of the communication discipline, as well as anthropology, sociology, and related fields, Hollywood Planet contains a powerful and original argument to explain the dominance of American media in the global entertainment market.

*Encyclopedia of Television News* St Martins Press  
 "Original and illuminating."—The New

York Times Book Review  
 In her most ambitious work since *In the Time of Butterflies*, Julia Alvarez tells the story of a woman whose poetry inspired one Caribbean revolution and of her daughter whose dedication to teaching strengthened another. Camila Henriquez Urena is about to retire from her longtime job teaching Spanish at Vassar College. Only now as she sorts through family papers does she begin to know the woman behind the legend of her mother, the revered Salome Urena,

who died when Camila was three. In stark contrast to Salome, who became the Dominican Republic's national poet at the age of seventeen, Camila has spent most of her life trying not to offend anybody. Her mother dedicated her life to educating young women to give them voice in their turbulent new nation; Camila has spent her life quietly and anonymously teaching the Spanish pluperfect to upper-class American girls with no notion of revolution, no knowledge

of Salome Urena. Now, in 1960, Camila must choose a final destination for herself. Where will she spend the rest of her days? News of the revolution in Cuba mirrors her own internal upheaval. In the process of deciding her future,

Camila uncovers the truth of her mother's tragic personal life and, finally, finds a place for her own passion and commitment. Julia Alvarez has won a large and devoted audience by brilliantly illuminating the history of modern Caribbean

America through the personal stories of its people. As a Latina, as a poet and novelist, and as a university professor, Julia Alvarez brings her own experience to this exquisite story. Julia Alvarez's new novel, *Afterlife*, is available now.
