PHOEBE MICHAEL

[A Concise History of Modern Architecture in India](#) Routledge

This innovative book explores the grandest and longest lasting empire in Indian history. Examines the history of the Mughal presence in India from 1526 to the mid-eighteenth century. Creates a new framework for understanding the Mughal empire by addressing themes that have not been explored before. Subtly traces the legacy of the Mughals' world in today's India.

[A Concise History of the Indian Economy](#) Oxford University Press, USA

In a second edition of their successful Concise History of Modern India, Barbara Metcalf and Thomas Metcalf explore India's modern history afresh and update the events of the last decade. These include the takeover of Congress from the seemingly entrenched Hindu nationalist party in 2004, India's huge advances in technology and the country's new role as a major player in world affairs. From the days of the Mughals, through the British Empire, and into Independence, the country has been transformed by its institutional structures. It is these institutions which have helped bring about the social, cultural and economic changes that have taken place over the last half century and paved the way for the modern success story. Despite these advances, poverty, social inequality and religious division still fester. In response to these dilemmas, the book grapples with questions of caste and religious identity, and the nature of the Indian nation.

[A Concise History of South India](#) Arcadia Publishing

Expertly steering readers through the often tumultuous and exhilarating history of the United States, from its early modern Native American roots to twenty-first-century neoliberalism and the shifting political climate of the past decade, this highly readable textbook provides a compelling overview of American development over the last five centuries. This book avoids either celebratory or condemnatory rhetoric to present a critical examination of domestic America and its interaction with the rest of the world. Balancing coverage of political, social, cultural, and economic history, each chapter also includes a wealth of features to facilitate learning: Timelines situating key events in their wider chronology Lists of topics covered within each chapter for easy reference Concept boxes discussing selected issues in more detail Historiography boxes exploring key debates Chapter summaries offering condensed outlines of the main themes of each chapter Further reading lists guiding readers to additional resources Maps and images bringing to life important events and figures from America's history Clearly and engagingly written and positioning America's narrative within the wider global context, this textbook is particularly accessible for non-US students and is the perfect introduction for those new to US history. This textbook is also supported by a companion website offering interactive content including a timeline, multiple-choice quizzes, and links to selected web resources.

[A History of the Indian Subcontinent from c. 7000 BCE to CE 1200](#) Cambridge University Press

[A Concise History of India](#) Thames & Hudson

The course of south Indian history from pre-historic times to the contemporary era is a complex narrative with many interpretations. Reflecting recent advances in the study of the region, this volume provides an assessment of the events and socio-cultural development of south India through a comprehensive analysis of its historical trajectory. Investigating the region's states and configurations, this book covers a wide range of topics that include the origins of the early inhabitants, formation of the ancient kingdoms, advancement of agriculture, new religious

movements based on bhakti, and consolidation of centralized states in the medieval period. It further explores the growth of industries in relation to the development of East-West maritime trade in the Indian Ocean as well as the wave of Islamicization and the course of commercial relations with various European countries. The book then goes on to discuss the advent of early-modern state rule, impact of the raiyatwari system introduced by the British, debates about whether the region's economy developed or deteriorated during the eighteenth century, decline of matriliney in Kerala, emergence of the Dravidian Movement, and the intertwining of politics with contemporary popular culture. Well illustrated with maps and images, and incorporating new archaeological evidence and historiography, this volume presents new perspectives on a gamut of issues relating to communities, languages, and cultures of a macro-region that continues to fascinate scholars and readers alike.

[A Concise History Calcutta](#) : Progressive Publishers

[A Concise History of the Caribbean](#) Psychology Press

A Concise History of Modern India, by Barbara D. Metcalf and Thomas R. Metcalf, has become a classic in the field since it was first published in 2001. As a fresh interpretation of Indian history from the Mughals to the present, it has informed students across the world. In the third edition of the book, a final chapter charts the dramatic developments of the last twenty years, from 1990 through the Congress electoral victory of 2009, to the rise of the Indian high-tech industry in a country still troubled by poverty and political unrest. The narrative focuses on the fundamentally political theme of the imaginative and institutional structures that have successively sustained and transformed India, first under British colonial rule and then, after 1947, as an independent country. Woven into the larger political narrative is an account of India's social and economic development, and its rich cultural life. Throughout, the authors argue that despite a powerful historiographical tradition to the contrary, no enduring meaning can be given to categories such as 'caste', 'Hindu', 'Muslim', or even 'India'.

[A Concise History of Florida](#) Cambridge University Press

A History of India is a compact synthesis presenting the grand sweep of Indian history from antiquity to the present. It remains the definitive text on the nation. This new edition has been thoroughly revised, containing new research, and an up-to-date preface, index and dateline. The authors examine the major political, economic, social and cultural forces which have shaped the history of the Indian subcontinent in this survey. This classic text is an authoritative detailed account which emphasises and analyses the structural pattern of Indian history.

[CONCISE HISTORY OF INDIAN LITERATURE IN ENGLISH](#). Oxford University Press, USA

A revised edition of Watson's history of India, beginning in the 3rd millennium BC with the Indus Valley civilization and ending with a new chapter on India after Nehru. It includes the influx of pastoral nomads who established the Vedic religion, the Moghul incursions, and the British influence.

[A Concise History of Afghanistan in 25 Volumes](#) Rowman & Littlefield Publishers

Annotation This volume surveys 200 years of Indian literature in English. Written by Indian scholars and critics, many of the 24 contributions examine the work of individual authors, such as Rabindranath Tagore, R.K. Narayan, and Salman Rushdie. Others consider a particular genre, such as post-independence poetry or drama. The volume is illustrated with b&w photographs of writers along with drawings and popular prints. Annotation (c)2003 Book News, Inc., Portland, OR (booknews.com).

[A Concise History of the Indian Economy](#) Oxford University Press, USA

A quick overview of the Sunshine State's fascinating past, with photos and illustrations included. In

1513, Spanish explorer Juan Ponce de León first set foot on Florida's east coast. The land he discovered was a geographic anomaly so distinctive that one day, centuries later, astronaut Neil Armstrong would say that Florida was the first shape on earth he recognized on his return from a visit to the moon. This unique state has witnessed such momentous events as the 1959 arrival of the first Cuban exiles under Fidel Castro and the 1981 launch of the Columbia—the first space shuttle. Join historian James C. Clark as he chronicles the surprising history of the Sunshine State in this concise and captivating book.

CONCISE HISTORY OF DANISH EAST INDIA COMPANY Windhorse Publications

A Concise History of the Caribbean presents a general history of the Caribbean islands from the beginning of human settlement about seven thousand years ago to the present. It narrates processes of early human migration, the disastrous consequences of European colonization, the development of slavery and the slave trade, the extraordinary profits earned by the plantation economy, the great revolution in Haiti, movements toward political independence, the Cuban Revolution, and the diaspora of Caribbean people. Written in a lively and accessible style yet current with the most recent research, the book provides a compelling narrative of Caribbean history essential for students and visitors.

[The Concise Oxford History of Indian Business](#) A Concise History of Modern India

This volume addresses the power of ideas in the making of Indian political modernity. As an intermediate history of connections between South Asia and the global arena the volume raises new issues in intellectual history. It reviews the period from the emergence of constitutional liberalism in the 1830s, through the swadeshi era to the writings of Tilak, Azad and Gandhi in the twentieth century. While several contributions reflect on the ideologies of nationalism, the volume seeks to rescue intellectual history from being simply a narration of the nation-state. It does not seek to create a 'canon' of political thought so much as to show how Indian concepts of state and society were redrawn in the context of emergent globalized debates about freedom, the constitution of the self and the good society in the late colonial era. In so doing the contributions here resituate an Indian intellectual history that has long been eclipsed by social and political history. These essays were originally published in a Special issue of the journal *Modern Intellectual History* (CUP, April 2007).

[A Concise History](#) Trafford Publishing

An illustrated introduction to Mexico's historical and contemporary issues, problems and events.

Soldiers in King Philip's War Cambridge University Press

A Concise History of Modern India Cambridge University Press

[A History of Indian Literature in English](#) Cambridge University Press

This book provides an interpretive and comprehensive account of the history of India between the eighteenth and twentieth centuries, a crucial epoch characterized by colonialism, nationalism and the emergence of the independent Indian Union. It explores significant historiographical debates concerning the period while highlighting important new issues, especially those of gender, ecology, caste, and labour. The work combines an analysis of colonial and independent India in order to underscore ideologies, policies, and processes that shaped the colonial state and continue to mould the Indian nation.

A Concise History of Hong Kong Palgrave Macmillan

The first history of Indian literature in English to cover the 200 years from Raja Rammohan Ray to Arundhati Roy, including in its scope canonical poets and novelists, social reformers (Behramji Malabari), anthropologists (Verrier Elwin), nature writers (Sálim Ali), and writers of the Indian diaspora (Seepersad Naipaul, Shiva Naipaul, Ved Mehta).

[A Concise History of Bolivia](#) Cambridge University Press

This book deals with the history of less known east india company in main stream known as Danish East India Company. This deals about their colonies in India. Their wars, Their trade & their encounter with local people were also given in a brief account.

The Mughals of India Oxford University Press, USA

Surveys the traditions of Indian art, including the masterpieces of Buddhist and Hindu art, the culture of the Mughal court, and the golden age of miniature painting.

[A Concise History of Indian Art](#) Cambridge University Press

The Book Presents A Lucid Survey Of Major Developments In The Ancient And Early Medieval Periods Of Indian History. It Discusses Issues Like The Antiquity And Authorship Of The Harappan Civilization, The Original Home Of The Aryans And The Salient Features Of Their Life, The Emergence Of Caste System And The Process Of State Formation Culminating In The Establishment Of The Maurya Empire. Challenging The Stereotype Of An `Unchanging` India And The Myth Of The `Golden Age`, The Book Not Only Underlines The Changes In Its Social Structure Over Centuries But Also Devotes Much Space To India`S Contact With The Outside World Leading To The Enrichment Of Its Culture. Moreover, It Pays Adequate Attention To The Transformation Of India From Pre-Feudal To Feudal Society And To The Discussion Of The Contours Of Feudal Culture.
