With that perspective the expert authors of *Encyclopedia of Holocaust Literature* undertake profiling 128 of the most influential first generation authors who either survived, perished, or were closely connected to the Holocaust. Arranged alphabetically by author, the entries are organized into three primary divisions: (1) an opening section on why the author's work is significant or distinctive; (2) a section containing biographical information, followed by (3) a critical examination of the highlights of the author's work. The *Encyclopedia* is intended for all students and teachers of the Holocaust, regardless of their levels of learning.
