Anselm of Canterbury gave the first modal "ontological" argument for God's existence. Yet, despite its distinct originality, philosophers have mostly avoided the question of what modal concepts the argument uses, and whether Anselm's metaphysics entitles him to use them. Here, Brian Leftow sets out Anselm's modal metaphysics. He argues that Anselm has an "absolute", "broadly logical", or "metaphysical" modal concept, and that his metaphysics provides acceptable truth makers for claims in this modality. He shows that his modal argument is committed (in effect) to the Brouwer system of modal logic, and defends the claim that Brouwer is part of the logic of "absolute" or "metaphysical" modality. He also defends Anselm's premise that God would exist with absolute necessity against all extant objections, providing new arguments in support of it and ultimately defending all

but one premise of Anselm's best argument for God's existence.

Eye to the Infinite: A Jewish Meditation Guidebook (revised and expanded): An introduction to Jewish meditation, with visualisations, meditations & techniques adapted from the Talmud, Kabbalah & Classics of Jewish theology. Over 300 pages packed with techniques, meditations, esoteric secrets, complete with diagrams and tables and fully annotated. Over 700 footnotes. Have you ever wondered about a Jewish system of meditation? How is it practised? How different is it from other disciplines? Can your life be improved through

Jewish meditation? These questions and more are addressed in this unique guide. EYE TO THE INFINITE is a hands-on Jewish spiritual guidebook with introductions to the metaphysical worlds, techniques, visualisations, authentic meditations, and step-by-step instructions, enabling you to derive immediate benefit wherever you are in your spiritual journey.

"A great step-by-step walkthrough of key concepts, with an easy to understand, non-technical approach. An excellent work on Jewish meditation and focusing on God for everyone! Beautiful work."
"Reb Akiva, editor of Mystical Paths "Rabbi Rubin's work not only continues in the trailblazing path of Rabbi Aryeh Kaplan's ZT"L work, but actually and practically builds upon it."
Dr. Elliot Cohen, Director of the Ohr Menorah Centre for Jewish Meditation. "It is rare to find a book that explores Jewish meditation in depth, explains it with flair and nuance and provides practical ways to engage in Jewish meditation. Eye to the Infinite is just such a book." Rabbi Johnny Solomon, Jewish Education Consultant, BSc

(Hons)

Rise of the Dibor

Createspace Independent Publishing Platform
In a far corner of the universe, two intelligent insects races, the bee-like Polistine and the Beetleguise have been engaged in a bitter war that has lasted 500 years. In fact, the only place in the universe where they are able to co-exist is on the the asteroid prison, Minerva, home to the worst alien criminals in the galaxy. Even with

their inability to end this conflict, both races are faced with the knowledge that greater threats are on the horizon. First, an ancient gem with an insatiable appetite for energy has awoken from its long slumber. The only thing standing in its' way is Astral Engineer Kasidy Vulkner and the crew of the Mjolnir. Second, the tyrannical warlord Diabolix is making his way back into this dimension with plans for galactic conquest. And the only being that can stop him is an Abomination.

This newly edited 2nd edition of the 2006 debut, brought to you by Spearhead Books, includes a revised map, page layout, and first ever "From the Author" section. Visit

spearheadbooks.com and christopherhopper.com today! DESCRIPTION: Read the story that turned

children into warriors, and warriors into legends. The Dairne-Reih haven't been seen in Dionia for generations-their kind and their king, Morgui, banished long ago from haunting paradise. But when creation shows signs of deterioration, the kings of the seven realms converge in the sacred Gvindollion gathering to arrive at one inexplicable conclusion: Morgui has returned. In the hopes of entrusting Dionia's brave history and perilous future to a generation that has never known war, the kings decide to raise up their young sons as an elite group of warriors, known only as the Dibor. Gorn, legendary hero of the First Battle, is commissioned to teach the Dibor the art of war, leading them on a four-year adventure on the Isle of Kirstell. It is Luik, son of Lair, who soon emerges as the warband's spirited front man. But he is not the only one of his peers to grow in power; his dear friend Fane discovers hidden abilities among the Mosfar under the mentorship of Li-Saide of Ot, while Princess Anorra finds that her lifelong tutor knows as much about combat as he does about etiquette. There is little time for the Dibor to

enjoy the satisfaction of graduation, however, as a sinister plot is discovered to dethrone Dionia's kings and flatten the capital city of Adriel. The Dibor are summoned to war, along with the rest of Dionia's fighting men. It is before the gates of Adriel Palace that Luik and his army face Morgui's prince, Valdenil, as well as the unending ranks of the Dairne-Reih.

J-Novel Club

A world-class magic train route has been constructed between Belfast and Regulus, so Touya brings the whole family along on the inaugural ride! But while he enjoys his leisurely trip, things aren't going so well for his wayward children, who remain scattered across the world. Which one of them will make it to Brunhild next? What will they bring back with them? Will the wicked devout continue their vile machinations for much longer? And the most important, burning question on the minds of Touya's wives: will Lu finally be able to bake a cake with zero calories?! It's full steam ahead in this tale of swords,

sorcery, and sorcerous swords!

The Mystic Eye Marvel Entertainment

"It tells the story of a 17 year old boy who struggles between accepting the possibility that extraordinary things can happen in the world we live in or the possibility of impending insanity inherited through his mother. The novel is volume one of the Declan Peters Chronicles series; the beginning of a new epic adventure." --
Eye to the Infinite
Createspace Independent Pub

The Book of Isaiah is very Rich with Metaphors and Similes, if you are in Love with them, or not; but, most Poor People are not: beCause the Metaphors are far too "Foggy" for them to Understand, which Means that they must Practice Reading all such Books, just to get a Good Understanding of them. At any rate, this Version of Isaiah is by far the Best in the World, and is Rated as "Extremely Good" by Well-Educated People. Therefore, it is a "must read" Book, if anyone is Interested in Actually Understanding the Bible. Most People are not; but, that is not a Problem: because most People were not Born to

be Masters. Indeed, most were Born to be Good Servants of Good Masters, which is Good: because the Masters are like the Head of the Body of Good Government, which Body must have many other Working Parts and Organs, just to Function Correctly as a Body. Therefore, do not let the Hands Despise the Eyes: beCause, what could the Hands Do without Eyes to Guide them, even if the Eyes belong to some other Person, who can See what is Needed. We suggest that Readers of this Inspired Book take their Sweet Time, and read only a few Chapters each Day, and do not attempt to read the entire Book during one Day, even though it will be Tempting to Finish it, quickly, just to Discover those Precious Parts that make it so Famous and Controversial among Religious Scholars, some of whom are very Perplexed by it: because no one can Rightly Deny that God, himself, is Speaking through "Isaiah," who may have been Reincarnated! Indeed, there is the Possibility of it; but, do not let that "Buck you Out of the Saddle," as a Cowboy might say. Remember that this is a

Companion Book of: "The New MAGNIFIED Version of The Book of MOORMUN!" (The Story of the White and Dark Indians in the Americas!), Book 040, which is perhaps the Best Modern Book in the whole World! Yes, unlike the Mutilated Bible, the Book of Mormon is much more Understandable, being "a New Revelation from God," you might say; but, it is nothing quite as Enlightening as the New MAGNIFIED Version, which most Definitely contains New Revelations from the Supreme Ruler of this Heaven and Earth. Therefore, do not let the Sun Set on another Day of Deprivation; but, PLEASE, for your own Sake, Educate yourself with all such Good Books: beCause that is True Wisdom on your part, which will make you Glad that you did. Guaranteed! You Decide Neuroqueer Books

Enjoy 20 limited-detail illustrations, designed for those who would rather keep it simple. Each page was hand-drawn and edited by K J Kraemer, with you in mind. If you don't want to spend days on a project or just want room to get creative, this adult coloring book is for you!

Vision of the Beyond CreateSpace

The biggest thing on 15-year-old Tommy's mind is convincing Mom to let him go to the drive-in, but when an accident claims his mother's life and puts him in the hospital, the arrival of his estranged, alien father brings more changes than he had bargained for. It doesn't take his father long to figure out that Tommy knows nothing about who or what he is. Without any explanation, Tommy finds himself onboard his father's spaceship where he is forced to trust a man he does not know in a world he knows even less about. Adapting to his new life seems overwhelming, and his father's solution may prove to be Tommy's finest challenge yet...Jayden. A few months younger than Tommy, high strung and always in a mood, the doctor's daughter definitely didn't like being 'told' to help Tommy fit in. Jayden is not the most welcoming or patient of tutors, let alone a friend. As fate would have it, Tommy quickly learns that none of these things compare to the peril that comes from being born with amethyst eyes.

Doctor Strange Epic

Collection: Master Of The Mystic Arts

Jaico Publishing House
A marble is just a marble unless it's a magic marble. And a troubled teen is just a troubled teen, unless that teen is Mark. After watching his mother die in a terrible car accident, Mark gives up on life. He loses interest in school, family, and friends, and unexpectedly, he heads off in search of meaning and an escape from the pain he feels over the loss of his loving mom with only her favorite marble to protect him. His trip takes him as far away as Florida to San Francisco, California; all the while, his frantic father, Willis, still mourning the death of his wife, is on the search for his lost son. Willis fears the worst; he has come to expect as much. Just like his son, he finds himself in a state of disrepair over losing the love of his life. All the while, the marble glows, making Mark wonder whether the marble has a special power. Mark and the Mystic Marble is a story of surviving tragic circumstances and seeking identity even in the face of terrible challenge. Mark has choices on his lonely road.

He can choose to continue running from his painful past, or he can choose to turn back and face his problems with love, understanding, and power. It is ultimately Marks choice, but the marble may have its own ideas, as well.

Unopened Books

Createspace Independent Publishing Platform

A 20th anniversary edition of the art classic that celebrates the intersection of creative expression and spirituality—from one of the greatest living artists of our time Twenty years after the original publication of The Mission of Art, Alex Grey's inspirational message affirming art's power for personal catharsis and spiritual awakening is stronger than ever. In this special anniversary edition, Grey—visionary painter, spiritual leader, and best-selling author—combines his extensive knowledge of art history with his own experiences in creating art at the boundaries of consciousness. Grey examines the roles of

conscience and intention in the creative process, including practical techniques and exercises useful in exploring the spiritual dimensions of art. Challenging and thought-provoking, *The Mission of Art* will be appreciated by everyone who has ever contemplated the deeper purpose of creative expression.

Book Two - The Chosen Series

The Mystic Eye This is a book for the thirsty. And emphatically not a book for the faint-hearted. In a series of far-reaching exploratory conversations, Sadhguru – a living master and mystic of our times – touches on every conceivable question that a seeker might nurse about the realm of the mystical. Questions about enlightenment, liberation, death, God and the afterlife. Also those niggling but ostensibly trifling questions that so many wonder about, but are hesitant to ask: about spirits, disembodied beings, black magic, possession and the occult. And in a riveting culmination to the book, Sadhguru unfolds the story of his life mission, a saga of extraordinary commitment and courage that spans three lifetimes.

The result is the Dhyanalinga, the dream of countless yogis down the centuries: a unique energy form which sows the seed of liberation in all who visit it. This is a book to treasure. It offers an unprecedented glimpse into the world of a contemporary mystic, a prodigious living archive of knowledge. In the course of his discussions, Sadhguru probes the farthest realms of illogic, and yet his unfailingly rational and matter-of-fact tone lends credibility to the more fantastic aspects of the content.

Divine Necessity

Createspace Independent Publishing Platform

The unfathomable rate of Black males in education should result in a national call to action. Across the country Black males represent only 2% of the teaching workforce. By the year 2024, minority students will be the majority, yet our current education workforce does not reflect this growing trend in what has been called "The Browning of America." Why is it acceptable that a student can matriculate from Kindergarten through twelfth grade and not have one Black male as his or her teacher? Why has it been a challenge to

recruit and in many instances retain Black males in the classroom? *Unopened Books* explains what is referenced in the book as the Five Black Male Deterrents in Education. Through the personal narrative of Jermaine D. Gassaway, a native Washingtonian, educator, and school leader; coupled with practical solutions, *Unopened Books* provides insight to multiply the 2%. It is intended to not only be a provocative conversation starter but an actionable approach to increase the number of Black men in the classroom.
