Organizational Behavior Pearson South Africa
 For introductory courses in Organizational Behaviour, Organizational Psychology, Industrial Psychology, and Human Relations in departments of management, public administration, psychology, social work, political science, and education. Organizational Behaviour, 6ce is the most

student-engaging comprehensive book in the market. It makes OB relevant to students, no matter what their background, work experience or their career goals. MyOBLab is not included with the purchase of this product.

Global and Southern African Perspectives Pearson

The authors provide an authoritative and practical introduction to organisational behaviour. Coverage of topics and issues combined with a wealth of learning tools help students experience organisational behaviour and guide them to becoming better managers.

Concepts, Controversies, Applications, Sixth Canadian Edition, Pearson College Division

"Our target readers are students who are new to the social sciences and to the study of organizational behaviour. This is a core subject on most business and management degree, diploma and masters programmes. Accountants, architects, bankers, computer scientists, doctors, engineers, hoteliers, nurses, surveyors, teachers and other specialists, who have no background in social science, may find themselves studying organizational behaviour as part of their professional examination schemes"--

Pearson New International Edition Ingram

For one-semester, undergraduate/graduate level courses in Organizational Behavior. This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content which is especially relevant to students outside the United States. Vivid examples, thought-provoking activities—get students engaged in OB. George/Jones uses real-world examples, thought- and discussion-provoking learning activities to help students become more engaged in what they are learning. This text also provides the most contemporary and up-to-date account of the changing issues involved in managing people in organizations. The sixth edition features new cases, material addressing the economic crisis, and expanded coverage of ethics and workplace diversity. Accompanied by mymanagementlab! See the hands in the air, hear the roar of discussion—be a rock star in the classroom. mymanagementlab makes it easier for you to rock the classroom by helping you hold students accountable for class preparation, and getting students engaged in the material through an array of relevant teaching and media resources.
