Company  
Jack Johnston is an  
ordinary bloke with a  
seemingly ordinary  
life—until the day he feels  
a jolt, sees a bright light,  
and hears the words: The  
Department of Truth. He  
finds himself suddenly

propelled on a mystical  
roller coaster ride through  
unfamiliar and magical  
landscapes, and begins to  
learn about life, people,  
and his own personal  
longings. This young  
Australian man while  
wandering in strange

lands meets different kinds of people, each with their own unique cultures and views of life. Jack also visits deeper realities where he explores the human condition, his own thought processes, and the path to faith, which challenge him to learn and grow. Join Jack on his existential ride through life, and the poignant tale of his search, with giants, talking doorways, new worlds, magic carpets and wise new friends...

*Take a Walk on the Dark Side*  
Dark Side of the Moon

A powerful warrior and commander of the dark elf legions, Bleu is a loyal and devoted male, and one who has never failed in anything—except one thing. Love. When an elusive female dragon shifter surfaces in Hell again, giving him a mission to hurl himself into, he gladly returns to his hunt for her and the deadly blade she stole from his prince seven centuries ago, but as he closes in on his prey, fate reveals she is far more than his enemy. Having escaped from the black

market arena and her life as a slave, Taryn sets her sights back on the task she began seven hundred years ago when her brother stole a precious sword, but in the three centuries she's been a captive, everything has changed. Corrupted by a craving for power, her brother has become dangerously obsessed with finding the blade and using it to claim the ultimate treasure—the position of King of Hell. Faced with having to end her beloved twin to stop him from bringing all of

Hell to its knees before him, will Taryn be strong enough to use the very blade he seeks against him? And when Bleu finally catches his elusive prey, will he listen to his head as it demands he complete his mission or his heart as it demands he claim his eternal mate? Possessed by a Dark Warrior is the ninth novel in the Eternal Mates Romance series. This fated mates paranormal romance can be read out of order and features a dark elf hero determined to reclaim a stolen sword,

 We have all been there,  
 reading a newspaper,  
 listening to the radio,  
 watching television. There  
 was a murder today at,  
 wherever? Some criminal  
 was blasted to death in a  
 blaze of gunfire. A man  
 was shot in his driveway  
 this evening. Some person  
 has gone missing. Another  
 kid dies of a drug  
 overdose. The police are

again investigating pedophilia on the internet. This is the today's news. We look. We listen. We see. But do we care? In some cases people will exhibit apprehension. Or in the case of the criminal, mumble good riddance, and as long as it's not our kid using, we turn to the next page. Listen to the next item if it's radio or, change channels on the TV. Whatever! That is generally all we think, until you find yourself staring at the results of a gangland hit spread all

over a kitchen bench and the victim is an acquaintance. Then you find out, things about him you could never imagine. You begin to discover, what horrific things happen to ordinary people, in the place you call home. It's then you have to make a decision. Do you continue to ignore these issues or, do you try to make a difference? Well, do you?  
*Stalked Mate* Simon and Schuster  
Cupid can take the form of extraterrestrials, angel watchers, troll spirits, or

reptilians. Through several case histories and identifiable signs and symptoms, Eve Lorgen introduces a new understanding of mystically connected love relationships gone wrong. She challenges readers to enhance their awareness of the possibility of relationship interference and manipulated psychic connections, and offers practical tools for recognizing, dealing with, and healing from these traumatic soul mate connections. Whether you are a fan of paranormal

romance, someone seeking your soul mate, or simply want to know how psychic vampirism occurs in a love affair, then this book is for you.

The Dark Side of Emotional Labour e-artnow

Plagued by graphic visions and the desperate cries of murder victims, psychic Clarissa King will do anything to stop the brutal killer targeting her hometown--even work alongside the dangerously sexy FBI agent who thinks she's a fraud. He's the one man who sparks a

hunger she never imagined possible--and the one man she should fear... Vincent Valtrez knows how to get inside a serial killer's mind. But with a dangerous past and a secret to keep, he wants nothing to do with this gorgeous psychic--especially since just the thought of her luscious body ignites a dark, irrepressible desire he's determined to keep at bay. When the killer they seek turns out to be demonic and otherworldly, Vincent learns his connection to

the murderer is more than just hunter and prey. Will the darkness inside Vincent claim him...or will he save Clarissa--and himself--from the evil that threatens them both?

*The Dark Side of Paradise*  
Routledge

Just as the vampire war escalates into a full-blown demon war, Zachary finds himself responsible for a beautiful necromancer who is connected to a dark moment in his past. He had watched her mother step across the thin line and straight into the arms of a demon. It

was his job to make sure Tiara didn't choose the same lustful path... unless it was with him. Now, with the demons closing in, the last thing he expected was for Tiara to be kin to them. As tempers soar and secrets are kept, jealousy becomes a dangerous game. Someone should have warned her that when you play with fire you are bound to be burned.

A Fated Mates Dark Fae / Dragon Shifter Paranormal Romance (Eternal Mates Paranormal

Romance Series Book 9)  
 Createspace Independent Publishing Platform  
 A woman locked in her past and the fierce knight determined to set her free . . . Amanda Scott returns readers to the fourteenth century Scottish Borders, when men battled sword against sword and the hills echoed with the thunder of a thousand hooves. Unfit for marriage? Young, fair, yet mistrustful of men, Amalie Murray harbors a secret--one that could keep her single for life. At the coronation of the King of

Scots, she overhears the plotting of a terrifying act...and virtually falls into the arms of Sir Garth Napier. Moved by her plight, Garth knows she now desperately needs protection--especially from her own stubbornness. Their unexpected passion and desire make Garth coax the truth out of Amalie, and make him more determined than ever to keep her safe. For though Amalie may be an "inappropriate bride," she's a woman he would gladly die for.

*The Dark Side of Close Relationships* BHC Press/Indigo

Honey bees have been described as exceptionally clever, well-organized, mutualistic, collaborative, busy, efficient--in short a perfect society. While the colony is indeed a marvel of harmonious, efficient organization, it also has a considerable dark side. Authors Robin Moritz and Robin Crewe write about the life history of the honey bee, *Apis mellifera*, highlighting conflict rather than harmony, failure rather than success, from

the perspective of the individual worker in the colony. When one looks carefully, the honey bee colony is far from being perfect. As with any complex social system, honeybee societies are prone to error, robbery, cheating, and social parasitism. Nevertheless, the hive gets by remarkably well in spite of many seemingly odd biological features. The perfection that is perceived to exist in the honeybee's social organization is the function of a focus on the

colony as a whole rather than exploring the idiosyncrasies of its individual members. The *Dark Side of the Hive* thus focuses on the role of the individual rather than that of the collective. Moritz and Crewe dissect the various careers that individual male and female honey bees can take and their role in colony organization. Competition between individuals using both physical and chemical force drives colonial organization. This book deals with individual

mistakes, maladaptations and evolutionary dead-ends that are also part of the bees' life. The story told about these dark sides of the colony spans the full range of biological disciplines ranging from genomics to systems biology.

The Dark Side Lulu Press, Inc

This collection of essays represents a follow-up to the editors' 1994 publication, The Dark Side of Interpersonal Communication. In the preface to that collection of essays, they argued

that "To fully understand how people function effectively requires us to consider how individuals cope with social interaction that is difficult, problematic, challenging, distressing, and disruptive." In this companion volume, the focus expands from social interaction to close relationships. Aside from the inherent need to investigate the bad as well as the good of interpersonal relationships, the editors and their colleagues simply find the dark side

metaphor to be intellectually arousing. It stimulates investigation of important yet often neglected phenomena, and it especially encourages consideration of the hidden and forbidden, and the paradoxical and ironic elements of human relating. This volume assembles the cutting-edge work of first rate scholars from the ranks of communication, psychology, sociology, and cognate disciplines. As in the previous text, the subject matter and

stylistic approaches are diverse, reflecting the broad and interdisciplinary domain that is the dark side of human affairs. The selection of topics is somewhat selective, reflecting only a sample of emerging scholarship in the interdisciplinary study of relationships. These internationally recognized scholars examine various topics related to the dark side, including fatal attractions, jealousy and envy, misunderstanding, gossip, conflict, codependence, sexual

coercion, stalking, relationship termination, unrequited love, and mental health problems in relationships. Some chapters present original data and models, whereas others reconfigure the way in which the understandings of relationships can be better understood. In addition, the bookend chapters examine the ideology, nature, and problems of dark side scholarship. Collectively, the scholarly journeys made in this volume are intended to illustrate the

complexities--both moral and functional--involved in close relationship processes. The intent is neither to valorize nor demonize the darker aspects of close relationships, but rather to emphasize their importance to the day-to-day "doing" of relationships. Only by accepting such processes as integral to relationships can their role be fully understood. Primeval: Dangerous Dimension Penguin UK Many mothers have disturbing fantasies of

killing their children. Husbands imagine, with guilt, cheating on their wives. Parents stand on the brink of hitting their teenage children, or may actually do so, while the teens fabricate elaborate strategies of revenge. Hurt, pain, uncontrollable rage, and other forms of abuse also make up the dark side of love. This landmark book has a bold thesis: The denied dark side of love that can show us love's true nature. By acknowledging our "negative" feelings, we can come into the full

spectrum of emotion and hear the message of our darker feelings, without acting them out. Through this, we can increase our capacity for love. To explain her perspective, Jane Goldberg traces the development of love and hate from infancy. She debunks simplistic myths about mother love and portrays the mother/child bond in all its facets. She explores the hidden recesses of family love and romantic love and shows how the acceptance of constructive expressions

of anger, jealousy, and competition can enhance intimacy. Drawing on case histories from her psychoanalytic practice, as well as mythic stories, Goldberg offers insights into the troubling but universal nature of the dark side of love. In a highly accessible style she explores how to develop a "psychological immune system" to protect against the potentially destructive elements in relationships and allow for a constructive expression of love's dark side. Her debate-provoking book

should be read by psychoanalysts and psychotherapists, individuals who have suffered from the pains and hurts of love, and indeed, by those who are interested in human motivation and behavior. The Dark Side of the Supernatural Intl Food Policy Res Inst  
 A chilling chronicle of the often ignored history of vampirism as it has surfaced repeatedly in news articles, historical accounts, and first person interviews, this shocking account of occultist rituals

and the inhuman forces that influence them shines a light on the horrifying truth. Revealing that real vampires are not immortal, do not have fangs or sleep in coffins, and have no fear of sunlight or crucifixes, the examination dispels many myths but also confirms the truth behind several traits of real vampires, such as the insatiable thirst for blood and the dream of an eternal soul. Complete with 30 spine-tingling tales of the hideous wraiths and creatures that lurk in

shadow, this fascinating collection includes the stories of the Mexican prostitute who mesmerized an entire village, convincing them she was an Incan goddess who required human sacrifice for her magic; the three teenagers who left a trail across the South as they conducted blood-drinking rituals with animals; and the mysterious Lady in Black who draws psychic energy from men who dare approach her as she wanders through city streets and parks.

**Possessed by a Dark Warrior** Routledge

He is a fallen. She thinks him beneath her. Sometimes it's the bad boy who saves you. Cade is a fallen angel who endeavors to follow the right path. That is until the angels' ruling body decide the warrior is the perfect match to carry out their new assignment. Schooling the young, snobbish Abigail in the art of demon fighting is a challenge he could do without. The female tests him at every turn yet tempts him to show just

how bad he can really be. When Abigail is summoned by the Tribunal, she is beyond eager to finally take her place among the angels. With her eye on an elite warrior for her mate, she is determined to make him hers. But when the nephilim is thrust into a mission with a fallen angel, she is mortified. Cade is everything dark and bad, but she quickly learns the line between good and evil is very misleading. Like oil and water, Cade and Abby are constantly at odds with

each other, but Cade can't deny the attraction building for the aloof nephilim. As their mission draws to a close, he realizes Abby is keeping a secret. She is terrified and it's up to him to gain her trust. He will do anything to protect her and prove his damned soul is worthy of her.

The Sea Wolf, Moby Dick, Lord Jim, Captain Blood, Robinson Crusoe, The Pirate, Treasure Island...

Keyhole Publishing  
Kay Channon's poetry is honest and raw. She shares images and

thoughts which delicately convey the isolation, pain and melancholy of her circumstances. Yet her work echoes with a nuanced self-reflection, which draws hope and strength from the rain, a Slovenian philosopher, and ultimately, from poetry itself. This is the debut collection from a poet who is already bringing a new voice to the timeless themes of love, death and the search for meaning. 'Her voice speaks out with such feeling, ardour and memorable gentleness.'

Faysal Mikdadi PhD FRSA Kay is studying poetry in the context of disability culture, cyberculture, and the formation of hybrid identities at the University of Chichester. Born at 26 weeks, and having to deal with lifelong health issues arising from this, Kay says, -The Dark Side of Light drifted in and out of an abyss which spoke of an unavoidable silence. As I became more familiar with this space, I realised there was so much more to listen to than the inaudible beat of my heart...-

**The Department of Truth** Xlibris Corporation Lewinsky scandals, Major League performance-enhancers, and falling pop-stars aside, Western culture has historically glorified its socio-political leaders and protected the topic of leadership as a virtuous and altruistic element on some traditionalist's pedestal. This book is a cunning and frank departure from that old-school philosophy. Be prepared for a serious exploration of today's unabridged and blurred-line leadership, as defined

by the tongue-in-cheek commentary of one of America's rising stars in the topical arena. Laden with analysis of villains from Saddam Hussein to Jeffrey Dahmer, and peppered with analogies featuring bad Brad Pitt films and corporate failures, Dark Side Leadership is a new topic for boardrooms and bars alike that is set in a smart and editorial style. It is recommended reading for anyone anticipating the 'hope and change' of the 21st Century, or debating a raid of petty cash at the

same time. Aside from that, it is conventional, yet intellectual fun. [www.darksideleadership.com](http://www.darksideleadership.com)

### **The Antilaws of Politics, Persuasion & Power** Routledge

People are criticizing online dating like crazy but dating websites don't tell you that. For a lot of people, it's a big waste of money and time. For a lot of women, it's like fake flattery. A new female joins a dating website. All of a sudden, she's got 100 e-mails from guys interested in her but she

doesn't know that these guys do this to every new female member. She thinks they're interested in her because of what she said in her profile and how she looks. Let's say she goes on 50 dates. Forty eight will be frogs or no match. The guy she feels comfortable with might live three thousand miles away. It's not just that. It's the myth that if you post a profile up, love is just around the corner. You still gotta deal with the real world, meet someone face to face and start a real relationship.

There's another thing too. Your profile is up there for anyone to steal and put on youtube or to go public with it if you become a politician or famous in some way.

### **The Evolution of the Imperfect Honeybee**

Balboa Press

This wide-ranging collection of twenty-four spine-tingling stories draws on the best traditions of classic horror, from powerful myths and folktales to contemporary stories of man-made terrors. With contributions by writers of

the caliber of Philip K. Dick, Stephen King, and Edgar Allan Poe, this is a truly chilling anthology.

*The Dark Side of Knowledge* Valerie

Twombly

The Dark Side of Interpersonal Communication examines the multifunctional ways in which seemingly productive communication can be destructive—and vice versa—and explores the many ways in which dysfunctional interpersonal communication operates

across a variety of personal relationship contexts. This second edition of Brian Spitzberg and William Cupach's classic volume presents new chapters and topics, along with updates of several chapters in the earlier edition, all in the context of surveying the scholarly landscape for new and important avenues of investigation. Offering much new content, this volume features internationally renowned scholars addressing such compelling topics as

uncertainty and secrecy in relationships; the role of negotiating self in cyberspace; criticism and complaints; teasing and bullying; infidelity and relational transgressions; revenge; and adolescent physical aggression toward parents. The chapters are organized thematically and offer a range of perspectives from both junior scholars and seasoned academics. By posing questions at the micro and macro levels, *The Dark Side of Interpersonal Communication* draws

closer to a perspective in which the darker sides and brighter sides of human experience are better integrated in theory and research. Appropriate for scholars, practitioners, and students in communication, social psychology, sociology, counseling, conflict, personal relationships, and related areas, this book is also useful as a text in graduate courses on interpersonal communication, ethics, and other special topics. *The Dark Side Forever*

Marriages are under increasing strain these days, with over half of them ending in divorce. Conflict is seen as grounds to end a marriage, rather than an opportunity to grow closer to each other and to God. *The Seven Conflicts* is an excellent resource for equipping couples to learn to understand the true nature of their conflicts and deal with them in a way that will actually help their marital fulfillment. Couples will learn to identify their mutual dreams, put differences

into perspective, understand each other's underlying motives, and work together as partners who are more in love than ever.

 Diplomatic marriages  
 between two members of  
 different planets certainly  
 aren't unheard of-but for  
 Prince Mikos of Tygeria  
 and Col. Ryan Donnelly of  
 Earth, it might just be a  
 fate worse than death.  
 The union is meant to end  
 a devastating war that  
 has lasted for over a  
 hundred and fifty years,  
 but when the female bride  
 intended for the fierce,  
 sexy prince runs away,  
 her handsome brother is  
 substituted instead. Men

are for mating as far as  
 the Tygerian prince is  
 concerned, but the  
 colonel also happens to  
 be Mikos's sworn enemy,  
 not to mention being  
 completely irritating. Ryan  
 is horrified to learn that  
 the Tygerians not only  
 expect him to take the  
 place of his sister, marry  
 the Bloody Prince of  
 Tygeria, and go to live  
 with him on his  
 mysterious planet, but  
 they also expect him to  
 undergo physical  
 alteration to have the  
 man's baby! And nobody  
 is taking hell no for an

answer. Ryan's being asked to turn his whole life upside down and the handsome Tygerian gets under his skin like nobody else. But with the fate of

the universe at stake, how can he say no? Can the two enemies put aside their differences and focus on making love and not war-not to mention a

baby? As a powerful love struggles to take root, can they learn to trust each other and stand together against the forces that are trying to tear them apart?
