Tell Me Your Dreams

Harper Collins

A spellbinding debut novel about the trailblazing Iranian poet Forugh Farrokhzad, who defied society's expectations to find her voice and her destiny. "Remember the flight, for the bird is mortal." All through her childhood in Tehran, Forugh Farrokhzad is told that Persian daughters should be quiet and modest. She is taught only to obey, but she always finds ways to rebel, gossiping with her sister among the fragrant

roses of her mother's walled garden, venturing to the forbidden rooftop to roughhouse with her three brothers, writing poems to impress her strict, disapproving father, and sneaking out to flirt with a teenage paramour over café glacé. During the summer of 1950, Forugh's passion for poetry takes flight, and tradition seeks to clip her wings. Forced into a suffocating marriage, Forugh runs away and falls into an affair that fuels her desire to write and to achieve freedom and

independence. Forugh's poems are considered both scandalous and brilliant; she is heralded by some as a national treasure, vilified by others as a demon influenced by the West. She perseveres, finding love with a notorious filmmaker and living by her own rules, at enormous cost. But the power of her writing only grows stronger amid the upheaval of the Iranian revolution. Inspired by Forugh Farrokhzad's verse, letters, films, and interviews, and including original translations of her

poems, this haunting novel uses the lens of fiction to capture the tenacity, spirit, and conflicting desires of a brave woman who represents the birth of feminism in Iran, and who continues to inspire generations of women around the world.-- Amazon.

Nothing Lasts Forever is a delicate story of love, loss and endurance. It is an epic love story and intimate depiction of post-World War II life to the

present. A story that crosses fantasy and reality and addresses a truth each person must face during his or her lifetime. It is a story of dreams gone awry, truths forsaken and is heart-wrenchingly honest.

Club, Nylon, The Week, The Rumpus, The Millions, The Guardian, Publishers Weekly, and more. "A lyrical work of self-discovery that's shockingly intimate and

insistently universal...Not so much briefly gorgeous as permanently stunning.” —Ron Charles, The Washington Post Poet Ocean Vuong’s debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling On Earth We’re Briefly Gorgeous is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family’s history that began before he was born — a history

whose epicenter is rooted in Vietnam — and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and

tenderness, On Earth We’re Briefly Gorgeous is as much about the power of telling one’s own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. Named a
