Pass the First Time. The *CompTIA Security+ Get Certified Get Ahead*

*SY0-601 Study Guide* is an update to the top-selling SY0-201, SY0-301, SY0-401, and SY0-501 study guides, which have helped thousands of readers pass the exam the first time they took it. Free Online Resources. Buyers have access to free online resources, including additional practice test questions using an online testing engine via a browser, online labs (including a lab to create a bootable USB to boot into Linux), and downloadable extras. Links to the FREE online resources are in the Exam Topic Reviews at the end of every chapter. This book covers all of the SY0-601 objectives and includes the same elements readers raved about in the previous versions. Each of the eleven chapters presents topics in an easy-to-understand manner and includes real-world examples of security principles in action. The author uses many of the same analogies and explanations that he honed in the classroom and have helped hundreds of students master the Security+ content. With this book, you'll understand the important and relevant security topics for the

Security+ exam without being overloaded with unnecessary details. Additionally, each chapter includes a comprehensive Exam Topic Review section to help you focus on what's important. Over 300 realistic practice test questions with in-depth explanations will help you test your comprehension and readiness for the exam. The study guide includes a 75 question pre-test, a 75 question post-test, and practice test questions at the end of every chapter. Each practice test question includes a detailed explanation helping you understand why the correct answers are correct and why the incorrect answers are incorrect. If you plan to pursue any of the advanced security certifications, this guide will also help you lay a solid foundation of security knowledge. Learn this material, and you'll be a step ahead for other exams. This SY0-601 study guide is for any IT or security professional interested in advancing in their field and a must-read for anyone striving to master the basics of IT systems security.

CompTIA Security+ All-in-One Exam Guide, Sixth Edition (Exam SY0-601)

McGraw-Hill Education

Consolidate your knowledge base with critical Security+ review

CompTIA Security+ Review Guide, Fourth Edition, is the smart candidate's secret weapon for passing Exam SY0-501 with flying colors. You've worked through your study guide, but are you sure you're prepared? This book provides tight, concise reviews of all essential topics throughout each of the exam's six domains to help you reinforce what you know. Take the pre-assessment test to identify your weak areas while there is still time to review, and use your remaining prep time to turn weaknesses into strengths. The Sybex online learning environment gives you access to portable study aids, including electronic flashcards and a glossary of key terms, so you can review on the go. Hundreds of practice questions allow you to gauge your readiness, and give you a preview of

the big day. Avoid exam-day surprises by reviewing with the makers of the test—this review guide is fully approved and endorsed by CompTIA, so you can be sure that it accurately reflects the latest version of the exam. The perfect companion to the CompTIA Security+ Study Guide, Seventh Edition, this review guide can be used with any study guide to help you: Review the critical points of each exam topic area Ensure your understanding of how concepts translate into tasks Brush up on essential terminology, processes, and skills Test your readiness with hundreds of practice questions You've put in the time, gained hands-on experience, and now it's time to prove what you know. The CompTIA Security+ certification tells employers that you're the person they need to keep their data secure; with threats becoming more and more sophisticated, the demand for your skills will only continue to grow. Don't leave anything to chance on exam day—be absolutely sure you're prepared with the CompTIA Security+ Review Guide, Fourth Edition.
