Travel with Adam Hamilton as he retraces the life and ministry of Jesus Christ. Once again, Hamilton approaches his subject matter with thoughtfulness and wisdom, just as he did with Jesus' crucifixion in 24 Hours That Changed the World and

with Jesus' birth in The Journey. Read The Way on your own or, for a more in-depth study, enjoy it with a small group or part of a 40-day church-wide emphasis during Lent and Easter or anytime of the year. Using historical information, archaeological data, and stories of the faith, Hamilton follows in the footsteps of Jesus from his baptism to the temptations to the heart of his ministry, including the people he loved, the parables he taught, the enemies he made, and the healing he brought. This 40-day focus will help you and your group grow deeper in their faith, learn more about the life of Christ, spend time daily reading and reflecting upon the Scriptures, and invite families, through the

children's and youth studies, to grow together in their faith. Additional resources include a DVD, devotional, youth and children editions, and a worship download to help with sermon planning. How would you like to travel to the place where Jesus walked on water and said, "Peace, be still"? Imagine walking where Jesus walked and fed more than five thousand men, not including women and children. Join author Major Stewart as he walks in the footsteps of Jesus: through Galilee, Bethlehem, Nazareth, Caesarea Philippi, Mount of Olives, garden of Gethsemane, and Jericho. Experience the places where Jesus performed life-altering

miracles such as healing the sick, giving sight to the blind, and turning water into wine. Experience the place where Jesus Christ was beaten and ultimately crucified for the sins of humanity, as He walked the Via Dolorosa (Way of Sorrow) and then to Calvary. During a transition in his life, Major went on a pilgrimage to the Holy Land that powerfully challenged and positively changed his life. Walking in His Footsteps was birthed out of the experiences he encountered while walking on the very roads that Jesus traveled. Embark on this journey in the "Land of Jesus." In the process, you will discover ways to grow closer in your walk with Jesus!

*In the Footsteps of Jesus* Thomas Nelson  
The ministry of Jesus has been beautifully documented in the four gospels of Mathew, Mark, Luke and John in the New Testament Bible. Because the gospels were written by four different authors at different times, his total ministry can only be understood by combining the documentation given in those gospels. "Follow the Footsteps of Jesus" presents a detailed sequential account of what Jesus did, when he did it, where he traveled, and how he lived. Numerous pictures and maps are provided to enhance this marvelous story.

*Footsteps in the Promise* FOOTSTEPS OF JESUS

How can we find the way? Since the world began people have always looked for a way out of their problems - often without success. Many have claimed they have the 'solution' to all life's problems and promise to bring happiness and meaning to life. However, when confronted with this very same questions, the Lord Jesus answered firmly, "I am the Way, the Truth, and the Life". "In The Footsteps of Jesus" is an easy-to-read book that will not only help people find their way

out of their problems, but also teach them how to get the most out of life. And most importantly, how to live forever.

From the lengthy research and pen of two lawyers, a judge and a former law professor, this book, *In His Footsteps: The Early Followers of Jesus*, is a guide to understanding the early Christian movement through a study of the lives and ministries of the first believers, most of whom had met with the risen Jesus and thus knew, without doubt, that Jesus was the Christ and Savior of

the world. The book cites accounts from Eusebius, a third-century Greek Christian historian, who also referenced testimony from first-century Christians about the almost unbelievable courage of the early followers of Jesus, who willingly and fearlessly, despite tremendous persecution and sufferings, brought to an otherwise lost world an assurance of life eternal for all believers. The book also refers to the fulfillment of many of the biblical prophecies, the principal ones being the restoration of the nation of Israel and the return of many Jewish people to their homeland. This book is an indispensable resource for all persons, as the

tremendous sacrifices of the first believers should never be forgotten. Following The Footsteps Of The Invisible Way Fifth-century Christianity was a theological battlefield. With the Messalian heretics and their experientialist spirituality on the one side and the intellectualist school on the other, representatives of both extremes found themselves condemned by the Church. In this milieu of subjectivist notions of grace and negative anthropology, there appeared a true mystic, Diadochus, Bishop of Photike in Epiros. His is a theology whose two poles are God's grace and man's ability to

cooperate with it by way of discernment of spirits. Diadochus's ability to salvage what was orthodox from the Messalians and the intellectualists proves that, rather than a reactionary, he was a true theologian capable of synthesis, open to the truth even if found in his adversary, and yet firm in his faith, unwilling to compromise. He is among the earliest witnesses of the Jesus Prayer. Diadochus is the most important spiritual writer of his century, whose influence can be found in the writings of Maximus the Confessor, Simeon the New Theologian, Gregory of Palamas, and the author of *The Way of the Pilgrim*. This is the first translation of his complete works

in English. Cliff Ermatinger is a Chicago native and works as associate pastor of two parishes in that archdiocese. He is the author of several books on Byzantine and Carmelite spirituality as well as one on philosophy. He has written articles for Spanish, English, and German language periodicals. Along with his priestly duties, he coaches rugby, fly fishes, and competes as a bagpiper in Highland Games throughout the U.S. *The Way: Leader Guide* WestBow Press Writing from the heart in conversational, friend to friend style, the author shares his gripping story of his walking in the footsteps of Jesus in the film *Matthew*. Dramatic photos from

the movie invite readers to experience this intimate adventure into the life of Christ.

Abingdon Press  
Footprints of Grace: An Intimate Portrayal of the Footsteps of Jesus is a uniquely rich, suspenseful, tender, and compelling idyllic narrative portraying the gracious footsteps of Israel's long-awaited Messiah, the man called Jesus Christ of Nazareth. In fact, this narrative captured, in graphic scenery, the magnificent signs and miracles that Israel's Messiah demonstrated on the poor, oppressed, and downtrodden in bringing release to the sick and disease. Indeed, Dr. Wright's chronicle of Jesus's teaching and healing and His complete devotion to God, is an

intimate, spirit-filled narrative with a host of refreshing dramatic expressions not duplicated in any other previous writings. His narrative not only captures the hearts of the people of Israel, but the heart of the reader as well. Therefore, through God's providential design, it is hoped that in every city, town, and village that Jesus, Israel's long-awaited Messiah, traveled, His glorious footprints of grace were forever engraved into the heart and lives of those whom He touched in seeking to save the lost in carrying out His Judean and Galilean ministries. Footsteps Thomas Nelson Inc

I never meant to write a book about Jesus. I just wanted to read the bible for myself at least once, all the way through, as an act of respect for my ancestors. After all, I am built out of these folks and their God. Sunday school taught stories to mold me into a moral human being. How? Fear-hellfire and brimstone if I misbehaved. Old Testament stuff. Churches still scare me. In fact, that seems to be their strategy.

The New Testament is different. As it turns out, Jesus is an anarchist! An anarchist is anyone that does not need the law or a cop to tell them the right thing to do. Jesus drives responsibility and freedom down to their most fundamental level, into me. What is right in this world? If I just listen, I know it in my heart. In the human heart, all is known. This is what Jesus shows me, the open door between the human heart and the Holy Ghost. I invite you to take a look into your own heart to see if what I say in *Footsteps* is true.
