Grab your dice and pencil, sit your pets down, teach them to play... and immediately regret your choices. Hilarious collection of Dungeons & Dragons-themed pet jokes by acclaimed comics creators Andi Ewington, Rhianna Pratchett, Calum Alexander Watt and Alex de Campi If there are two things all geeks love, it's roleplaying games, and their pets. So why not fuse the two? It's time to grab your dice, dust off that character sheet, and let your cat or dog (or guinea pig, or iguana, or budgie) accompany you on an epic adventure! It'll be great! ...unless your pets are jerks. Written by comics and videogames writers Andi Ewington (Forty-Five45) and Rhianna Pratchett (Tomb Raider), Campaigns & Companions is edited by Alex de Campi (Madi) and beautifully illustrated by Calum Alexander Watt (The Rise of Skywalker). *Crockatiel - An O.C.L.T.  2085 The world recovers from War. A squeal of tires chases Dr. Dieter Karnak, as he creates artificial life under his corporate partner's begrudging nose. Dr. Robert Dunlevy doesn't buy into such spiritual nonsense. He builds god damned machines, the way their Conglom overlords want. 2155 AD-001 swims to the shore of Vancouver Island. Lieutenant Max Allard is tasked to drag AD-001 back, before the Mater Machine claims 'it' for her own. AI meets genetic engineering, when the Idless, a collective of anti-label anarchists led by Dr. Karnak's intern Baiko, attempt to free Dr. Karnak's android Lieben from the Conglomerate. 70 years later, gene-spliced super soldier AD-001 sees humans for the first time. A spiral of origins chase Lieben's ghost in this sci-fi cyberpunk adventure... 'Come at your leisure. My love is free. My abundance is yours.'

 "All that grows must decompose." —Cletus J. Diggs. When Cletus J. Diggs gets a visit from his buddy Jasper and learns about the dead man sticking boot-first out of the fishing hole, he has no idea what it will lead to. How could he? Old Mill is famous for a lot of things, good fishing, barbecue, over-sized satellite dishes and disappearing beer; it is not known for genetic research, ancient rituals, or alien abduction. From the moment Cletus and Sheriff Bob drag the corpse from the fishing hole to the final moments of terror, the action is non-stop, tense, and filled with surprises. Between the Reverend Dozier and his church, the swamp witch, the albino twins, and the local lodge's well-hidden secrets, the strange events in Old Mill, NC are pretty much out of control. Only Cletus, ordained minister, common law attorney, journalist, private investigator and jack of all trades can draw together the people and resources necessary to set things right. The question is, can he do it before it's too late? This special digital Edition includes the short story "The Not Quite Right Reverend Cletus J. Diggs & The Fruit of Another Vine," as well as interior illustrations

by Zach McCain AND by the author, David Niall Wilson. Also included is the author's introduction to "The Not Quite Right Reverend Cletus J. Diggs & The Crazy Case of Foreman James," as well as an excerpt from that novel!

 Donovan DeChance is a collector of ancient manuscripts and books, a practicing mage, and a private investigator. He is also a very private man, and he is in love. When he invites his partner and lover, Amethyst, for a quiet dinner, she has no idea of his true intention. Donovan has planned a sharing - a vision that will give her the keys to his early life - the origins of his power - and a lot more than she bargained for. The story leads to the town of Rookwood in 1842, an old wagon, a traveling charalatan, a cat, a horse, and a boy named Bones. It leads through the history of other stories, and back to Donovan's home, giving Amethyst, and fans of Donovan DeChance, a glimpse into the man, and his magic. Join young Donovan as he fights to keep his soul, save a town, and learn the roots of his teacher and guardian - and meet his familiar, Cleo. Magic, mayhem, and books - always the books. Welcome to the world of Donovan DeChance.

 Sometimes the world is a very dark place. You know the magic is still out there, but it feels distant, or displaced. Voices in the Darkness is an attempt to create a link, to bring some of those voices together in a single work of art. Six award-winning authors lent their talent to this work. The stories are unique, and dark, filled with wonder and emotion. Included are: Nadia Bulkin's "Vide Cor Meum (See My Heart)" is a unique twist on true crime as fiction. Kathe Kojas's "Pursuivant Island" will resonate differently with every reader, has meaning on different levels, and touches on an actual artistic event. Elizabeth Massie's "Baggie" explores the horror of losing control of one's life, self, everything to another. Cassandra Khaw takes you on a journey through the pain of bad relationships, while reminding her readers of their own self worth. Nick Mamatas takes on the historical character behind the old, old song "Mack the Knife," in his tale, titled appropriately "Ba boo Dop doo Dop boo ree" Brian A. Hopkins' novella "La Belle Époque," explores history, Winchester rifles, and addiction of a very personal persuasion. We all hear voices in the darkness; in the pages of this book you will hear six of them very clearly.

Nevermore is a dark, historical fantasy filled with romance, southern charm, and all the trappings of a classic historical romance. Walking the line between the occult, the paranormal, and the reality of 1800s life in The Great Dismal Swamp, Nevermore is also chock full of action and adventure. Follow Edgar Allan Poe and Lenore into The Great Dismal Swamp and experience one version of the birth of Poe's famous poem, "The Raven." On the banks of Lake Drummond, on the edge of The Great Dismal Swamp, there is a tree in the shape of a woman. One dark, moonlit night, two artists met at The Lake Drummond Hotel, built directly on the borderline of North Carolina and

Virginia. One was a young woman with the ability to see spirits trapped in trees and stone, anchored to the earth beyond their years. Her gift was to draw them, and then to set them free. The other was a dark man, haunted by dreams and visions that brought him stories of sadness and pain, and trapped in a life between the powers he sensed all around him, and a mundane existence attended by failure. They were Eleanore MacReady, Lenore, to her friends, and a young poet named Edgar Allan Poe, who traveled with a crow that was his secret, and almost constant companion, a bird named Grimm for the talented brothers of fairy-tale fame. Their meeting drew them together in vision, and legend, and pitted their strange powers and quick minds against the depths of the Dismal Swamp itself, ancient legends, and time. Once, upon a shoreline dreary, there was a tree. This is her story. AUTHOR'S NOTE: This novel is a direct spin-off from "Kali's Tale," the fourth book in the DeChance Chronicles - initially it was going to be the prologue to book V - but is now a fully separated, stand-alone work - though the stories tie together, and are all one big story - as novels, over time, tend to become. Book One, "Heart of a Dragon," is only .99 and books 2-4 are now available in a single omnibus edition. If you enjoy Nevermore, you may find The DeChance Chronicles to your liking. Book V - "A Midnight Dreary," will be available in 2015 and draws directly on elements of Nevermore.

There are incidents and emergencies in the world that defy logical explanation, events that could be defined as supernatural, extraterrestrial, or simply otherworldly. Standard laws do not allow for such instances, nor are most officials or authorities trained to handle them. In recognition of these facts, one organization has been created that can. Assembled by a loose international coalition, their mission is to deal with these situations using diplomacy, guile, force, and strategy as necessary. They shield the rest of the world from their own actions, and clean up the messes left in their wake. They are our protection, our guide, our sword, and our voice, all rolled into one. They are O.C.L.T. BROUGHT TO LIGHT - by Aaron Rosenberg - When a world-renowned scientist with a high-level security clearance goes missing in Uppsala, Sweden, and then a trained CIA operative follows suit, the DIA (Defense Intelligence Agency) taps Reed Christopher Hayes ("R. C." to his friends and "Crease" to his teammates) and the rest of his Military Intelligence unit to investigate. What they find lurking in the shadows of that quiet little city defies belief. The real question, though, is can they take it down before more lives are lost—including their own? THE PARTING - by David Niall Wilson - A vision from ancient Egypt and a call from an old acquaintance send Rebecca York, mystic, occult expert, and adventurer to Arizona, and then Jerusalem and the Dead Sea to prevent a horrifying attack from the annals of history. Rebecca and computer expert Wendell "Mack" Macklemore team up with a renegade Vatican monk, a street

urchin from Jerusalem, and an agent of the Mossad to prevent Amunet, an Egyptian sorceress, from exacting an ancient revenge and unleashing a terrorist attack that could plunge the Middle East into an era of darkness. **THE TEMPLE OF CAMAZOTZ** - Headless bodies are turning up along the Mexican border. The Mexican government blames overzealous US Border guards. The border guards blame drug runners. In a village just on the Mexican side of the border, they have other ideas. There are legends, older even than the Mayan civilization that has died away, of a God. A bat-headed vengeful demon. Someone is fanning the flames of that superstition, and the piles of bodies continue to grow. Geoffrey Bullfinch, folklorist, dabbling in the occult, and Wendell "Mack" Macklemore, computer genius and extreme sports enthusiast are called down to investigate. There are plenty of questions, but can they find the answers before the body count gets too high? Is it possible that they should have let sleeping gods lie? **INCURSION** - R.C. Hayes has settled into his job with the FBI, and put behind him the strange incident that ended his military career. But when he and his partner are sent to the Flathead Indian Reservation in Montana to look into a murder, events take an unsettling and eerily familiar turn. R.C. struggles to solve the case as deaths pile up around him and as the situation takes a decidedly unnatural cast. With the help of a mysterious new ally, he may finally come to terms with what happened to him long ago—and enter a strange new career he is uniquely suited for. Provided he can survive the incursion of supernatural elements into his supposedly safe and mundane world.

Each of these works introduces another facet of team, which is formally introduced in the O.C.L.T. novel by Aaron Rosenberg : *Incursion*.

**The O.C.L.T. Omnibus** Rebellion

When Captain Hunter and the crew of the Endeavor come across an alien ship, they have no idea what caused the deaths of its entire crew. Could they be infected with some unknown virus? Or did they simply all go mad and kill each other? Once Dr. Klein rules out infection, it seems like they're in the clear. Until, that is, some strange phenomenon invades the ship. Suddenly, crew members are acting strangely and the ship's course keeps changing against orders. To make matters worse, Commander Bishop and Captain Hunter port down to the aliens' home world to investigate, and end up imprisoned. Now, it's up to the rest of the crew to free them and save the ship...and themselves.

Foreman James has always walked the streets of Old Mill, North Carolina, standing tall on street corners and booming his "story" to the world. Not many know where he comes from, or where he goes - no one knows the whole story. When an old, hand-written journal Foreman has carried since childhood goes missing, his carefully preserved world begins to crumble, and Old Mill takes notice. When Cletus J. Diggs' buddy Jasper drops by to tell him how the crazy man was accosting pedestrians on the street, nearly got picked up by the sheriff, and drew the attention of one of the most powerful, and potentially evil men in ten country miles, Jarrod Pope, Cletus is interested. You see, Cletus found a book that day - a very old book - and it has bits and pieces of a very personal, very dark mystery tucked into its weathered pages. Can Cletus, investigator, common-law lawyer, journalist,

ordained minister and self-taught jack of all trades unravel that mystery despite the years that separate him from it before something very bad happens? Will Jasper ever get to go fishing? Will Foreman get his book back - and just what happened, decades in the past, when the old peanut oil factory burned down - the Day Jarrod Pope was a hero? Find out in the pages of *The Crazy Case of Foreman James* - the second Cletus J. Diggs supernatural mystery. Welcome to Old Mill.

In this shocking exposé, investigative researcher and author S. K. Bain reveals the truth behind the mass-murdering psychopaths responsible for the events of September 11, 2001, and reconstructs the occult-driven script for this Global Luciferian MegaRitual. As Bain uncovers, the framework for the entire event was a psychological warfare campaign built upon a deadly foundation of black magick and high technology. The book details the sinister nature of the defining event of the 21st century and explains the vast scope of the machinery of oppression that has been constructed around us.

The Essential Cult TV Reader is a collection of insightful essays that examine television shows that amass engaged, active fan bases by employing an imaginative approach to programming. Once defined by limited viewership, cult TV has developed its own identity, with some shows gaining large, mainstream audiences. By exploring the defining characteristics of cult TV, The Essential Cult TV Reader traces the development of this once obscure form and explains how cult TV achieved its current status as legitimate television. The essays explore a wide range of cult programs, from early shows such as Star Trek, The Avengers, Dark Shadows, and The Twilight Zone to popular contemporary shows such as Lost, Dexter, and 24, addressing the cultural context that allowed the development of the phenomenon. The contributors investigate the obligations of cult series to their fans, the relationship of camp and cult, the effects of DVD releases and the Internet, and the globalization of cult TV. The Essential Cult TV Reader answers many of the questions surrounding the form while revealing emerging debates on its future.

When Jasper tells him two fishermen they know saw a dinosaur in The Great Dismal Swamp, Cletus is ready to chock it up to shadows and too much beer. When he and Jasper are out fishing themselves and find a bass boat jammed nose first into the bottom of the Perquimans River with nothing left of the other two men but a boot with a leg protruding from it and one big-assed track in the mud, things get serious. Joined by Geoffrey Bullfinch, Wendell "Mack" Macklemore, and Isabella Ferrara of the O.C.L.T., two genetic scientists with a strange story of hurricanes and DNA splicing, and a strange cast of others (including a very loud cockatiel)- Cletus has to solve the mystery of where the monster killing people in the swamp came from, where it's gone and find a way to stop it before it kills again. Unfortunately for the team, taking down a forty foot sixteen ton dinosaur no one believes in is no easy task, and the clock is ticking... This is the Fifth book in the O.C.L.T. series, following the novella "Brought to Light," By Aaron Rosenberg, the novel "The Parting," by David Niall Wilson, the novella "The Temple of Camazotz," also by David Niall Wilson, and the novel "Incursion," by Aaron Rosenberg (in which the existence of the O.C.L.T. as a cohesive unit is finalized). Fat, fruit-stuffed confections lined the booths at state and county fairs, cooled in the windows of kitchens across the world, sprouted blackbirds in nursery rhymes and rose to iconic glory as a symbol of goodness and patriotism. That was then. Pies, as so many other things, have been in a slump for quite a while. This book is one man's attempt to restore them to their former glory, at least for his family. Contained in this book are a short history of pies, along with shared memories of growing up in 1950s, 60s, and 70s America, making stops at every pastry-coated fruity treat along the way. There is baking—the author baked a total of thirteen pies in preparing the book, including the soon-to-be-famous "American Pie" shown on the cover—a pie that should become a FOURTH OF JULY FAVORITE. Along the way he shares bits of his life, some dry humor, and a whole lot of useful tips and tricks for baking the perfect fresh-fruit pie.

*Stories Inspired by the Music of Rush* Brimstone

The music of Rush, one of the most successful bands in music history, is filled with fantastic stories, evocative images, thought-provoking futures and pasts. In this anthology, notable, bestselling, and award-winning writers each chose a Rush song as the spark for a new story, drawing inspiration from the visionary trio Geddy Lee, Alex Lifeson, and Neil Peart. From stark dystopian struggles to uplifting triumphs of the human spirit, the characters populating 2113 find strength while searching for hope in a world that is repressive, dangerous, or just debilitatingly bland. Most of these tales are science fiction, but some are fantasies, thrillers, even edgy mainstream. Many of Rush's big hits are represented, as well as deeper cuts . . . with wonderful results. This anthology also includes the seminal stories that inspired the Rush classics "Red Barchetta" and "Roll the Bones," as well as Kevin J. Anderson's novella sequel to the groundbreaking Rush album 2112. 2113 contains stories by New York Times bestselling authors Kevin J. Anderson, Michael Z. Williamson, David Alan Mack, David Farland, Dayton Ward, and Mercedes Lackey; award winners Fritz Leiber, John McFetridge, Steven Savile, Brad R. Torgersen, Ron Collins, David Niall Wilson, and Brian Hodge, as well as many other authors with their imaginations on fire.

Donovan DeChance is a collector of ancient manuscripts and books, a practicing mage, and a private investigator. When, despite the finest in natural and supernatural security, a sexy and well-loved, three hundred year old lady vampire is kidnapped right out from under her lover's nose, Donovan is called in to investigate. He soon finds that there is much more to the case than a simple abduction when an unknown intruder invades his home and steals a very rare, very ancient manuscript. There will be no ransom for the kidnap victim, and if Donovan doesn't prevent an ancient, forbidden ritual from reaching its culmination, far more than a single vampire's undead existence will be at stake. Calling on his lover and partner, Amethyst, and an odd assortment of contacts, informants, and connections, Donovan follows the ghostly trail of the kidnapper through a winding maze of intrigue-always a step behind-through magical battles, murders, and confrontations with a rogue band of young vampires intent on beating Donovan at his own game. *Vintage Soul* is a dark urban supernatural mystery with a hint of romance. Set in an underground society, a city within the city of San Valencez, California, it opens portals to the unknown darkness that surrounds us. Fast-paced, strewn with clues, investigation, and magic, this is a book sure to slake the appetites of fans of mystery and the supernatural. Welcome to the darkness; welcome to The DeChance Chronicles.
