ARMSTRONG LAYLAH

We Shouldn't Zonderkidz
From New York Times Bestselling authors Vi Keeland and Penelope Ward comes a new, sexy standalone novel. It all started with a bet. When my young son inherited half of his great grandfather's historic inn, I decided to move us both to the place where I grew up. Notice I said half of the Inn. The

other half now belonged to Levi Miller, the famous quarterback who had other ideas about what we should do with the property. We won't mention that I accidentally injured him during our first meeting, causing him to get eight stitches. You could say we got off on the wrong foot. We bickered a lot as we both moved into the property while we figured things out. He wanted to unload the rundown place which, admittedly, needed a lot of work. I wanted to restore The Palm Inn to its original beauty and

re-open it as a bed and breakfast. We couldn't agree on anything. So Levi made me a proposal. One he thought I would surely lose. If I could sell out the place by the time he had to leave for training at the end of summer, he would back off and let me run it. But in the weeks that followed, we got more than we bargained for while we were living under the same roof. Levi and I got closer, and before I knew it, my nightly fantasies about the brawny Adonis became a reality. Not to mention, he was so great with my son. We were in over our heads in more ways than one. Because not only was he the last man on Earth I should be falling for because of our deal, but Levi was also my ex's older brother. And now the inn was the least of my problems.

The Truth About Sex and Waiting ... Uncovered and Revealed Purity. Sex. Boys. Waiting. Something about those words makes everything complex in a heartbeat. Is there something wrong with me if I don't kiss a boy after a date? Or am I doomed if I did? Is waiting a one-way trip to life as a crazy cat woman? And what if I, um, think about a certain boy a certain way? It seems the lady at church and your friends have two very different opinions on the subject. And the purity talks aren't always cutting it. Bekah Hamrick Martin knows the waiting game isn't easy or straight-forward. In *The Bare Naked Truth*, she lays everything on the table—including some embarrassing moments—as she explores the honest, naked truth behind what God

means by purity. With additional entries from popular authors, you'll see the bare naked approach to waiting isn't always easy, but it's worth the risk.

Throb John Wiley & Sons
From USA Today bestselling author Jennifer Sucevic comes a steamy, second chance, enemies-to-lovers new adult sports romance that features a strong heroine and the cocky football player who falls first and hard for her. I've spent more years than I care to admit crushing hard on Colton Montgomery. The blond,

blue-eyed hottie leaves a trail of broken hearts in his wake wherever he goes. Mine being one of them. Just when I'd decided to cut my losses and move on, he appeared out of nowhere and swept me off my feet. It had all seemed like a fairytale until he dumped me. Through text message, no less. Ouch. Eighteen months and one study abroad program later, I've returned to Wesley University to finish out my senior year. And Colton? He's nothing more than a regrettable mistake I'd prefer to forget. Or so I tell myself. It only takes one run-in to realize that my feelings for him aren't as dead and buried as I'd thought. Nope, they're still there, simmering dangerously beneath the surface. He wants a second chance to make things right. That's not going to happen. But Colton has other

ideas. And part of me is afraid that if he actually puts his mind to it, he'll end up changing mine. --- "The chemistry was undeniable, it was like fireworks" -Lucy, GoodReads "Alyssa and Colton had hella hot chemistry; when they were together, nothing else mattered" -Caroline, GoodReads "This book is a page turner, and had me swooning over Colton" -Stevie, GoodReads "Colton and Alyssa's story takes you on a full amazing journey. A journey of highs and lows. A journey of self-discovery" -Brittany, GoodReads "The comical banter and sexual tension will keep you entertained and fanning your kindle" -Kate, GoodReads Read the Next Door Duet The Girl Next Door The Boy Next Door ---

The Boy Next Door Simon and Schuster
A new, sexy standalone novel from #1 New York Times Bestseller, Vi Keeland.
Terminated for inappropriate behavior. I couldn't believe the letter in my hands. Nine years. Nine damn years I'd worked my butt off for one of the largest companies in America, and I was fired

with a form letter when I returned home from a week in Aruba. All because of a video taken when I was on vacation with my friends—a private video made on my private time. Or so I thought... Pissed off, I cracked open a bottle of wine and wrote my own letter to the gazillionaire CEO telling him what I thought of his company and its practices. I didn't think he'd actually respond. I certainly never thought I'd suddenly become pen pals with the rich jerk. Eventually, he realized I'd been wronged and made sure I got my job back. Only...it wasn't the only thing Grant Lexington wanted to do for me. But there was no way I was getting involved with my boss's boss's boss. Even if he was ridiculously gorgeous, confident, and charming. It would be completely wrong, inappropriate even.

Sort of like the video that got me into trouble to begin with. Two wrongs don't make a right. But sometimes it's twice as fun.

A Murder in Time Jennifer Sucevic

A new, sexy standalone from #1 New York Times Bestseller, Vi Keeland. The first time I met Max Yearwood was on a blind date. Max was insanely gorgeous, funny, and our chemistry was off the charts. He also had the biggest dimples I'd ever laid eyes on. Exactly what I needed after my breakup. Or so I

thought... Until my real date arrived. Turned out, Max wasn't who I was there to meet. He only pretended to be until my real date showed up. To say I was disappointed would be an understatement. Before he left, he slipped me a ticket to a hockey game a few blocks away, in case things didn't work out on my actual date. I tossed the ticket into my purse and went about trying to enjoy the man I was supposed to meet. But my real blind date and I had no connection. So on my way home, I decided to take a chance and stop by the game. When I arrived, the seat next to me was empty. Disappointed again, I decided to leave at the end of the period. Just before the buzzer, one of the teams scored, and the entire arena went crazy. A player's face flashed up on the

Jumbotron. He was wearing a helmet, but I froze when he smiled. You guessed it: Dimples. Apparently, my fake blind date hadn't invited me to watch hockey with him, he'd invited me to watch him play. And so began my adventure with Max Yearwood. He was everything I needed at the time—fun, sexy, up for anything, and only around for a few months since he'd signed with a new team three-thousand miles away. Max proposed we spend the summer helping me forget my ex. It sounded like a good plan. Things couldn't get too serious when we had an expiration date. Right? Though, you know what they say about the best-laid plans.

My Favorite Souvenir J.L. Ryan
An Amazon Charts and Washington Post bestseller. From New York Times bestselling authors Vi Keeland and Penelope Ward comes an unexpected love story that started with a boy and girl and heats up when the man and

woman reconnect. I'd never forgotten him--a man I'd yet to meet. Griffin Quinn was my childhood pen pal, the British boy who couldn't have been more different from me. Over the years, through hundreds of letters, we became best friends, sharing our deepest, darkest secrets and forming a connection I never thought could break. Until one day it did. Then, out of the blue, a new letter arrived. A scathing one--one with eight years of pent-up anger. I had no choice but to finally come clean as to why I stopped writing. Griffin forgave me, and somehow we were able to rekindle our childhood connection. Only now we were adults, and that connection had grown to a spark. Our letters quickly went from fun to flirty to downright dirty, revealing our

wildest fantasies. So it only made sense that we would take our relationship to the next level and see each other in person. Only Griff didn't want to meet. He asked that I trust him and said it was for the best. But I wanted more--more Griff, in the flesh--so I took a big chance and went looking for him. People have done crazier things for love. But what I found could change everything.

The Summer Proposal Montlake
Romance

From #1 New York Times Bestseller Vi Keeland, comes a new, sexy standalone novel. Bennett Fox walked into my life on one hell of a crappy Monday morning. I was late for the first day at my new job—a job I'd now have to compete for even though I'd already worked eight years to earn it, because of an unexpected merger. While I lugged my belongings up to my new office, a meter maid wrote me a parking summons. She'd ticketed a long line of cars—except for the Audi parked in front of me, which happened to be the same

make and model as mine. Annoyed, I decided to regift my ticket to the car that had evaded a fine. Chances were, the owner would pay it and be none the wiser. Except, I accidentally broke the windshield wiper while slipping the ticket onto the car's window. Seriously, my day couldn't get any worse. Things started to perk up when I ran into a gorgeous man in the elevator. We had one of those brief moments that only happened in movies. You know the deal...your body lights up, fireworks go off, and the air around you crackles with electricity. His heated stare left me flush when I stepped off the elevator. Maybe things here wouldn't be so bad after all. Or so I thought. Until I walked into my new boss's office and met my competition. The gorgeous man from the elevator was

now my nemesis. His heated stare wasn't because of any mutual attraction. It was because he'd saw me vandalize his car. And now he couldn't wait to annihilate his rival. There's a fine line between love and hate—and we shouldn't cross it. We shouldn't—but straddling that line could be so much fun.

All Grown Up C. Scott Publishing
From #1 New York Times Bestseller Vi Keeland, comes a new, sexy standalone novel. It was just a typical Monday. Until the big boss asked me to make the pitch for a prospective new client. After two years on shaky ground at work because of my screw up, an opportunity to impress the senior partners was just what I needed. Or so I thought... Until I walked into the conference room and

collided with the man I was supposed to pitch. My coffee spilled, my files tumbled to the ground, and I almost lost my balance. And that was the good part of my day. Because the gorgeous man crouched down and looking at me like he wanted to eat me alive, was none other than my ex, Gray Westbrook. A man who I'd only just begun to move on from. A man who my heart despised—yet my body obviously still had other ideas about. A man who was as charismatic and confident as he was sexy. Somehow, I managed to make it through my presentation ignoring his intense stare. Although it was impossible to ignore all the dirty things he whispered into my ear right after I was done. But there was no way I was giving him another chance, especially now that he was a client

...was there?
