Successful rental property investors enjoy lasting financial freedom. Whether you are a complete beginner or want to grow an existing rental property portfolio, with Symon's expertise at your disposal you can accelerate your rental property investing journey and live the life you deserve!

[Managing Rental Properties for Maximum Profit](#) Independently Published

Rental property management is a demanding profession, no matter how many units you own or

maintain. This book, authored by H. John Fisher and produced by Way Finders - now in the fourth printing of its sixth edition - has become a standard text. Property Management Manual for Massachusetts Rental Owners, in easy-to-understand language, addresses these key topics: (1) Basic law and regulations currently governing the relationship between owners of rental property in Massachusetts and their tenants; (2) Effective legal procedures and processes; and (3) Good rental management practices.

**The Book on Rental Property Investing** Simon and Schuster

From analyzing potential properties to effectively managing your listings, this book is your one-stop resource for making a profit with short-term rentals! Airbnb, Vrbo, and other listing services have become massively popular in recent years--why not tap into the goldmine? Whether you're new to real estate investing or you want to add a new strategy to your growing portfolio, vacation rentals can be an extremely lucrative way to add an extra income stream--but only if you acquire and manage your properties correctly. Traditional rental properties are a great way to create wealth, but short-term rentals can bring in five times more cash flow than their long-term rental counterparts. Avery Carl, CEO and Founder of the Short Term Shop, will show you how to identify, acquire, and manage a short-term rental from anywhere in the country, plus how to avoid common pitfalls and overcome limitations that keep many would-be investors from ever getting started! In this book, you'll learn how to: Identify the best markets for short-term rental investing Analyze the potential income and profitability of a short-term rental property Self-manage a short-term rental right from your smartphone Build a local boots-on-the-ground team for an out-of-state investment Automate your self-management systems Use the income from short-term rentals to scale your investment portfolio

**Rental Property Investing QuickStart Guide** Nolo

Find success no matter what niche you plan to use to build your real estate empire.

**Property Management Kit For Dummies** John Wiley & Sons

Discover how Mike Butler managed 75 rental properties while working full-time as a police detective--before he hired any part-time help For many investors, landlording is a pain, but not for those who use Mike Butler's Landlording on Autopilot system. It's a simple, proven method for managing rental properties in your spare time--without the headaches. Mike Butler developed this system while he worked full time as a police officer. Before long, he was buying and managing dozens of properties--and consistently bringing in more than 100% of his rents. Includes free customizable, downloadable forms! Butler shares all the vital techniques of autopilot landlording: \* Screening and finding great tenants you can trust \* Training tenants to do your landlording work for you \* Increasing your cash flow with a simple push-button management system \* Using little-known tax breaks available to full-time or part-time landlords \* Easily complying with landlording regulations and legal stuff you might not think of \* Identifying the most profitable types of properties \* Marketing and advertising your properties at little or no cost \* Utilizing powerful, ready-to-use landlording forms \* Getting rid of bad tenants quickly, safely, and cheaply when buying properties \* Using creative tactics to consistently bring in more than 100% of the rent Once you've learned Mike Butler's system, you'll make more money in less time with less effort. Today, Mike Butler is retired from the police force and enjoys more than \$1 million a year from his rental properties. Using the techniques and strategies of Landlording on Autopilot will help you achieve your dreams.

**CreateSpace**

Updated for 2018 - includes all the tax and legislative changes announced during 2017. By the author of the UK's most popular property book, The Complete Guide To Property Investment. Please note that this book only covers letting and management of a property you already own. For a guide to buying the right property in the first place, you should buy 'The Complete Guide To Property Investment'. Take a property, throw in a tenant and watch the money roll in. This

seemingly simple formula has attracted nearly two million people in the UK to become landlords, but the reality is a whole lot more complicated. Did you know, for example, that if you forget to provide a certain piece of paper you might be unable to evict a tenant - even if they don't pay the rent? Or that you could be fined for not checking your tenant's immigration status? And don't forget the inevitable broken boilers, mysterious leaks and various tenant complaints that always seem to happen at the most inconvenient time. How To Be A Landlord is a straightforward guide to everything involved in letting and managing a property - whether you're an accidental landlord or an enthusiastic investor. In simple and entertaining language, it covers important steps like preparing the property to let, advertising for tenants, conducting viewings, doing all the paperwork, managing the tenancy, and dealing with any tricky situations that crop up (including the dreaded emergency repairs and evictions...). You'll learn: How to set yourself up for success when preparing a property to let Where to find the perfect tenants for your property The essential checks you must make to avoid a nightmare tenant Everything you need to do when setting up a tenancy to avoid problems later How to deal with the most common maintenance issues and repairs The proper legal processes to follow when you have troublesome tenants Top tips from experienced landlords for how to look after your tenants - keeping them happy, your property safe, and the rent rolling in Frequently updated and with contributions from over 50 experienced landlords, this is the most current and comprehensive book on the subject - and essential reading for anyone who wants a simple, profitable life as a landlord.

**Rethink Property Investing** Nolo

With more than 350,000 units sold worldwide, this fan-favorite will show you every strategy, tool, tip, and technique you need to become a millionaire rental property investor.

**How to Invest in Real Estate** Biggerpockets Publishing, LLC

Over the many years that we've been serving real estate investors, one of the most asked questions on our site has been, "How Do I Get Started in Real Estate Investing?" New investors will love the fundamentals and even experienced investors will appreciate the high-level view of strategies they may have never even considered. Don't let some guru tell you what the right path is for you. Read How to Invest in Real Estate and see all the paths in one place, so you can make the best choice for you, your family, and your financial future. This book will help new investors get a firm foundation to build their investing business upon. With topics ranging from how to gain a solid real estate education, real estate niches, financing, marketing, and more, this book is truly the definitive guide for helping new investors learn the ropes.

**40 Ways to Increase the Net Income of Your Rental Property** Biggerpockets Publishing, LLC Beneficial for both novices and experienced professionals, Managing Rental Housing provides practical information needed to operate your rental property efficiently, ethically, and profitably in California. Turn to Managing Rental Housing for help to successfully handle the creation, maintenance, and ending of a tenancy. This text is a key first reference when you encounter a new issue and don't know where to start or when you need a refresher on the many technical rules that apply in California. Managing Rental Housing will also let you know when you're dealing with a gray area of law or complex issue that should be handled with the help of a professional, such as an attorney. You'll want to keep this guide on your office desk or near-by bookshelf. CAA's up-close view of how California's landlord-tenant laws are created means Managing Rental Housing has the insider perspective you won't find in other reference texts.

**Long-Distance Real Estate Investing** Xlibris Corporation

**The Book on Investing in Real Estate with No (and Low) Money Down** Biggerpockets Publishing, LLC

Before you start investing in rentals, you should know what you're getting into. If you're looking to become financially free before you reach your sixties, investing in real estate is a blueprint that's been proven to work. In the past 50 years, over 70% of American taxpayers declaring more than a million dollars on their income tax returns have invested in real estate, according to the IRS. And it's not hard to see why. From fighting off inflation and generating cash flow to property appreciation and tax benefits, real estate gives investors multiple ways to build and keep wealth. And while there are several ways to invest in real estate, investing in rental properties is an ideal starting point for beginners, even those without any real estate background. Unlike flipping or wholesaling, rental properties are simple enough to understand, and with the right knowledge and research, strategies to make money off them are not difficult to implement. However, just because it's simple doesn't mean it's something you can just get into without proper education and preparation. You have a wide range of options you need to consider when investing in rental properties-from location, type of property, type of rental arrangement, financing, and investment strategy. Ultimately, the decisions will be up to you, but before you can make the right one, you need to have all the information you need. In *Rental Property Strategies*, you'll find valuable knowledge and helpful advice based on years of experience in real estate. Inside, here is just a fraction of what you will discover: How to get other people to pay for your mortgage, while you

continue to stay in your own house The simple method to figure out how many rental properties you need to invest in to achieve financial freedom Why you should never buy a rental property based on its potential for appreciation How to grow your portfolio from one rental property to six in less than 10 years, while keeping your debt obligations down How to peacefully and compassionately deal with tenants who fail to pay rent on time How to legally defer paying taxes on your investment property when you upgrade your investment Quick and easy ways to increase your rental income without any additional effort or expenditure The must-have back-up for every rental property to ensure you can continue your mortgage payments, no matter the economic situation And much more. Although real estate can be very lucrative, there are still quite a number of real estate investors who lose money in their investments. Whether it's taking on too much risk, getting into more than they can manage, or not studying the market beforehand, there's a lot that can go wrong when you are ill-prepared to take on a big investment. By equipping yourself with the right knowledge and surrounding yourself with the right people, you can protect yourself from losses and set yourself up for financial independence, sooner rather than later. If you want to build up your rental property portfolio in a sustainable and profitable way, then scroll up and click the "Add to Cart" button right now.
