HULL SPENCE

One Well New York
Review of Books
When penniless
businessman Mr
Bedford retreats to the
Kent coast to write a
play, he meets by
chance the brilliant Dr
Cavor, an absent-
minded scientist on the

brink of developing a
material that blocks
gravity. Cavor soon
succeeds in his
experiments, only to
tell a stunned Bedford
the invention makes
possible one of the
oldest dreams of
humanity: a journey to
the moon. With
Bedford motivated by
money, and Cavor by
the desire for
knowledge, the two

embark on the expedition. But neither are prepared for what they find - a world of freezing nights, boiling days and sinister alien life, on which they may be trapped forever.

The Story of Horatio and Anna Spafford Tor Books

INSTANT NEW YORK TIMES BESTSELLER! "If you liked *Where the Crawdads Sing*, you'll love *This Tender Land*...This story is as big-hearted as they come." —Parade The unforgettable story of four orphans who travel the Mississippi River on a life-changing odyssey during the Great Depression. In the summer of 1932, on the banks of Minnesota's Gilead River, Odie O'Banion is an orphan confined to the Lincoln Indian

Training School, a pitiless place where his lively nature earns him the superintendent's wrath. Forced to flee after committing a terrible crime, he and his brother, Albert, their best friend, Mose, and a brokenhearted little girl named Emmy steal away in a canoe, heading for the mighty Mississippi and a place to call their own. Over the course of one summer, these four orphans journey into the unknown and cross paths with others who are adrift, from struggling farmers and traveling faith healers to displaced families and lost souls of all kinds. With the feel of a modern classic, *This Tender Land* is an enthralling, big-hearted epic that shows how the magnificent American landscape

connects us all, haunts our dreams, and makes us whole.

An Easy & Proven Way to Build Good Habits & Break Bad Ones Anchor
I treat eating pancakes on patios like it's a personality trait. Brunch is my jam. I like the beach, shopping, carbs, and reading naughty books on the train during my commute. I wear pink. Lots of it. If Tinder were an olympic sport, I'd take home the gold. I can rock stilettos like they're a pair of Nike joggers. I'm basically a basic bitch. I'm in the prime of my life. I've got my dream job as the head of marketing at a sex toy company, and I've been steadily dating myself for the better half of the last decade. I'm thirty,

flirty, and thriving, dammit. Or at least I was, until some fucker had the audacity to turn me into a vampire. I don't do blood and doom and gloom. I sure as hell don't like sleeping in a coffin, avoiding garlic bread, and these ridiculous vamp politics. And don't get me started on Diego. He's vampire royalty and a pain in my ass. A very sexy pain in the ass. When he's not driving me crazy with all his rules, he's turning my panties into Niagara falls. I absolutely refuse to live the rest of my immortal life in some wannabe nineties grunge music video. *The Shadow Well* HarperCollins
Pinocchio, The Tale of a Puppet follows the adventures of a talking

wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated

marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

You Wouldn't Want to Live Without

Clean Water Penguin The Well of Loneliness, first published in 1928, is a timeless portrayal of lesbian love. The thinly disguised story of Hall's own life, it was banned outright upon publication and almost ruined her literary career as the subject was that of an obscenity trial and forbidden at the time in England. The novel

tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon's attitude toward her own sexuality is anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.

A Little Life World Book

In an alternative 17th Century Northern Germany, Trudi von Hippe buys more than she bargained for at the Hagen Carnival: a new pair of eyes. Thirty years later, Karl Yangler must arrange and conduct a decadent birthday party for Trudi, whom he has met before. But they are both in danger from the designs of her brother and questionable help from those who may be friends or enemies or both.

Tree of Life Simon and Schuster

By Caldecott Medal winners Alvin Tresselt and Roger Duvoisin, *The Frog in the Well* is the charming tale of a brave frog who beats his fears and explores the world. Once upon a time there was a frog who lived at the

bottom of a well. The well was the frog's whole world, until the day the well ran dry and the bugs began to disappear. What was happening to the world, the frog wondered, and what could he do? The hungry frog decided he must hop to the top of the well to see what he could of the end of the world. Conquering his fear, he peered out, and what did he see? Trees, flowers, meadows, marshes, and all kinds of end-of-the-world creatures! Entranced, the little frog ventured forth to find out more about the world outside his own. Based on a classic Chinese fable, and written and illustrated by the Caldecott-winning Alvin Tresselt and Roger Duvoisin, *The Frog in*

the Well is a charming tale of one brave frog and his journey into wisdom.

There has been a terrible mistake. Instead of having thirty classrooms side by side, Wayside School is thirty storeys high! (The builder said he was sorry.) Perhaps that's why all sorts of strange and unusual things keep happening – especially in Mrs Jewls's classroom on the very top floor. There's the terrifying Mrs Gorf, who gets an unusually fruity comeuppance; Terrible Todd, who always gets sent home early; and Mauricia, who has a strange ice-cream addiction. Meanwhile, John can only read upside down, and Leslie is determined to

sell her own toes. From top to bottom, *Wayside* is packed with quirky and hilarious characters who are all brought to life in this new edition with delightful illustrations by Aleksei Bitskoff throughout. This is an unmissable, irrepressible story of mixed-up mayhem from Louis Sachar, the bestselling author of *Holes*.

A Memoir of an Extraordinary Ordinary Life

Harlequin

Explores every facet of water and examines the issues surrounding water scarcity and what can be done to ensure that humans have plenty of clean water in the future. By the best-selling author of *The Wal-Mart Effect*. Reprint.

Diary of an Oxygen

Thief Little, Brown Books for Young Readers

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a household classic that will now reach an even wider audience. Never before have Shel Silverstein's children's books appeared in a format other than hardcover. Since it was first published fifty years ago, Shel Silverstein's poignant picture book for readers of all ages has offered a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Shel

Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half, Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss these other Shel Silverstein ebooks, *Where the Sidewalk Ends*, and *A Light in the Attic!* [A Novel](#) Harper Collins Now a Netflix film

starring and directed by Chiwetel Ejiofor, this is a gripping memoir of survival and perseverance about the heroic young inventor who brought electricity to his Malawian village. When a terrible drought struck William Kamkwamba's tiny village in Malawi, his family lost all of the season's crops, leaving them with nothing to eat and nothing to sell. William began to explore science books in his village library, looking for a solution. There, he came up with the idea that would change his family's life forever: he could build a windmill. Made out of scrap metal and old bicycle parts, William's windmill brought electricity to his home and helped his family pump the water they

needed to farm the land. Retold for a younger audience, this exciting memoir shows how, even in a desperate situation, one boy's brilliant idea can light up the world. Complete with photographs, illustrations, and an epilogue that will bring readers up to date on William's story, this is the perfect edition to read and share with the whole family.

The War of the Worlds

Albert Whitman & Company

A #1 New York Times bestseller! An Amazon Best Books of the Year 2019 selection! From the bestselling creators of *The Bad Seed*, a timely story about not having to be Grade A perfect! Meet the good egg. He's a verrrrrry good egg indeed. But trying to be so good is

hard when everyone else is plain ol' rotten. As the other eggs in the dozen behave badly, the good egg starts to crack from all the pressure of feeling like he has to be perfect. So, he decides enough is enough! It's time for him to make a change... Dynamic duo Jory John and Pete Oswald hatch a funny and charming story that reminds us of the importance of balance, self-care, and accepting those we love (even if they are sometimes a bit rotten). Perfect for reading aloud and shared story time!

The Incredible Biodiversity of Life on Earth Penguin

A shockingly powerful exploration of the lasting impact of prejudice and the indomitable spirit of

sisterhood that will have readers questioning what it truly means to be an ally, from sister-writer duo Maika Moulite and Maritza Moulite, authors of *Dear Haiti, Love Alaine*. ISN'T BEING HUMAN ENOUGH? When teen social activist and history buff Kezi Smith is killed under mysterious circumstances after attending a social justice rally, her devastated sister Happi and their family are left reeling in the aftermath. As Kezi becomes another immortalized victim in the fight against police brutality, Happi begins to question the idealized way her sister is remembered. Perfect. Angelic. One of the good ones. Even as the phrase rings wrong

in her mind—why are only certain people deemed worthy to be missed?—Happi and her sister Genny embark on a journey to honor Kezi in their own way, using an heirloom copy of *The Negro Motorist Green Book* as their guide. But there's a twist to Kezi's story that no one could've ever expected—one that will change everything all over again. Praise for the Moulites' debut novel, *Dear Haiti, Love Alaine* "I couldn't put *Dear Haiti, Love Alaine* down!" —New York Times bestselling author Jasmine Guillory "An enchanting and engrossing novel full of wit and laughter." —Edwidge Danticat, author of *Breath, Eyes, Memory* "Remarkable, funny, and whip-smart." —Ibi Zoboi,

author of American Street, National Book Award finalist “Maika and Maritza Moulite have created quite the masterpiece.”

—NPR.org “Alaine’s sarcastic quips...are worth the price of admission alone.”

—HYPEBAE “A beautiful story from start to finish.” —Buzzfeed

The House in the Cerulean Sea Memoir by Donna Rhodes Reveals how all living things are separated into five kingdoms--all of which contain different facets of life on Earth--in an introduction to biodiversity.

Out of the Way! Out of the Way! Penguin UK When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and

must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.

The First Men in the Moon GENERAL PRESS Uses humor in both text and illustrations to describe what it would be like to live without clean water and describes how people access water and the importance of making sure that water is not polluted or wasted. One of the Good Ones Children's Press When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and

begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form in 1898, and is considered a classic of English literature.

Water Dance Kids
Can Press Ltd
It's hard to
imagine—the

molecules in the glass of water you just finished might have once been part of a water hole that dinosaurs drank from! In this fascinating new book about the water cycle, readers will find that while it might be hard to imagine, it's true. The author, Robert E. Wells, explains the complete water cycle and also discusses ocean currents, ocean and lake habitats, and hydroelectricity. He also touches on water pollution and our responsibility to keep our water clean. The author's bright cartoon illustrations make this information especially appealing to kids.
