Workers in Training Manual Fig
Digging for Gold comes to fill the need to teach sound and balanced biblical truths. Emmanuel Elendu draws from his years in ministry and professional practices to lead groups and training classes. Elendu uses the question model in his study designs. The book deals with topical and contemporary issues to address simple but practical Christian living. Digging for Gold serves as a resource for Christian workers. The stories and styles of presentation meet students at a

crossroads while leading to the truth and the life. When you invest in stocks and bonds, you expect a good return on investment (with promising market dynamics). As you study with Digging for Gold, the return on your investment will be worth something more than gold. *Carriers of His Power* Kings and Queens LLC

The story of Jesus interacting with the Emmaus disciples after his resurrection provides an outline for what a gospel-centered kids ministry looks like: gospel-centered teaching that points to Jesus in every session, gospel-centered transformation that positions the gospel to change a child's heart and then his or

her behavior, and gospel-centered mission where kids join in on the big story of Jesus that continues to unfold. Seven out of ten kids will walk away from church after they turn eighteen. About five will return when they have families of their own. But two will never return. Clearly, something isn't connecting with our kids. As kids ministry leaders, we need to take a hard look at what we are missing in our kids ministries and provide kids the one thing that will satisfy them and keep them connected to the church—the gospel. Gospel-Centered Kids Ministry also addresses how to communicate with and encourage gospel-centered leaders and parents as part of your ministry.

Discipleship in a Digital Age is an inspired spiritual and Christian lifestyle guidebook that exhorts present-day believers to rekindle a spirit of mentorship and discipleship such that the church can become strengthened in

a day where direction and leadership is often lacking (WestBow Editorial Review). *Discipleship in a Digital Age* aims at teaching or instructing Christians to personal and practical ways of living for the Lord daily in a digital age. It is a discovery of a talent hunt that laces traditional discipleship blueprints with the reality of today's demanding moments of technology and Internet. It uses the basic tenets of discipleship to model the Christian man's approach to life in the face of our changing culture. It emphasizes the need for mentoring, training and sustainable weaning and learning in the wake of Christian engagement without due process to ministry assignment.

- This book is printed in a 16 pt. large font for easier reading. The History of the Church of Jesus Christ of Latter-day Saints is also the history of the opening and progress of the Dispensation of the fullness of Times; and as that dispensation bears an important relation to all dispensations which have preceded it, let us here ascertain in what that relation consists. By doing so we shall have a better appreciation of the full import of those events which make up the history of the Church. In publishing the History of the Church of Jesus Christ of Latter-day Saints, it is felt that a solemn duty is being performed to the Saints and to the world. The events which make up the history of the Church in this age are the most important that history can chronicle. It is due therefore

both to the Saints themselves and to the world that a faithful and complete history of the facts in which the Church of Jesus Christ of Latter-day Saints had its origin, together with the events through which it was subsequently developed, and all the circumstances, experiences and trials through which it passed be made known to mankind. Elder B. H. Roberts consulted diaries, printed sources, and remembrances of Church members to prepare a history of the Church that centered mainly on the life of Joseph Smith. Before it was published, Elder Anthon H. Lund and President Joseph F. Smith read and approved the work. The resulting seven volumes, over forty-five hundred pages, known as the History of the Church has since become a great resource to Church members and

historians alike.

Psychologists have long known that every person has two great longings and inward needs. The first is to be loved, and the second is to love. But when pressures and heartaches come into our lives, many give up any hope of ever finding love. The tragedy is that we often

look in the wrong places to fill this deep need and longing. Some substitute lust for love. Others pursue material things or superficial relationships--all in the futile attempt to fill a God-shaped vacuum in the human heart. But there is good news! There is a love worth finding and a love worth sharing. The Bible says, "For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life" (John 3:16). On the cross of Christ, God's mighty love was revealed and offered unconditionally to all who would be saved. Do you long to know this mighty love? Then I need to ask you the most important question you'll ever be asked: Do you know beyond a shadow of a doubt that God loves you, that your sins are forgiven, and that you are saved

and on your way to heaven? The great news is, you can know! Let me share with you how to discover the greatest love worth finding. Admit Your Sin. First, you must admit that you are a sinner. The Bible says, "None is righteous, no, not one. . . . For all have sinned and fall short of the glory of God" (Romans 3:10, 23). It is our sin that separates us from God and from fulfilling our deepest needs and longings. Sin is an offense against God that carries a serious penalty. According to Romans 6:23, "The wages of sin is death [eternal separation from the love and mercy of God]." Abandon Your Efforts. Second, you must abandon any efforts to save yourself. If we could save ourselves, Jesus's death would have been unnecessary! Even "getting religion" cannot get you to

heaven. The Bible says it is "not because of works done by us in righteousness, but according to his mercy" that we are saved (Titus 3:5). Salvation is by God's grace, "not a result of works, so that no one may boast" (Ephesians 2:8-9). Acknowledge Christ's Payment. What you cannot do for yourself, Jesus Christ has done for you! "But God shows his love toward us in that while we were still sinners, Christ died for us" (Romans 5:8). He died on the cross for you and then rose from the dead to prove that his payment was acceptable to God. But you must acknowledge and believe this fact. "Believe in the Lord Jesus, and you will be saved" (Acts 16:31). Accept Christ as your Savior. Salvation is God's gift to you. "The free gift of God is eternal life in Christ Jesus our Lord" (Romans 6:23).

When someone offers you a priceless gift, the wisest thing you can do is accept it! This very moment, you can receive Christ's gift of salvation by sincerely praying this simple prayer from your heart: Dear God, I know that I am a sinner. I know that you love me and want to save me. Jesus, I believe you are the Son of God, who died on the cross to pay for my sins. I believe God raised you from the dead. I now turn from my sin and, by faith, receive you as my personal Lord and Savior. Come into my heart, forgive my sins, and save me, Lord Jesus. In your name I pray. Amen.

Put your flawed foot forward. Pick up most leadership books and you'll find strategies for leveraging your power and minimizing your areas of weakness. But think about the leaders whose names have gone down in history. Most of them were so messed up that, if they were looking for work today, no executive placement service would give them the time of day. God's criteria for choosing leaders runs counter to the conventional wisdom. Our culture equates strength with effectiveness, but God favors leaders who know the value of brokenness. In *Leading With a Limp*, you'll discover what makes flawed leaders so successful. They're not

preoccupied with protecting their image, they are undaunted by chaos and complexity, they are ready to risk failure in moving an organization from what is to what should be. God chooses leaders who aren't deceived by the myths of power and control, but who realize that God's power is found in brokenness. If you are a leader—or if you have been making excuses to avoid leading—find out how you can take full advantage of your weakness. A limping leader is the person God uses to accomplish amazing things. To go deeper, check out the *Leading With a Limp Workbook*.

How the gospel will transform your kids, your church, your community, and the world BRILL

In the first book from popular Golf Channel analyst Brandel Chamblee, the network's "resident scholar and critic" (The New York Times) explores the common swing positions of the greatest players throughout history—and reveals how those commonalities can help players of every skill level improve our own games. Every golf game begins with the swing, and no two are identical. Years ago, however, Brandel Chamblee, the highly regarded Golf Channel analyst and former PGA Tour professional,

noticed that the best players of all time have shared similar positions in each part of the swing, from the grip and setup to the footwork, backswing, and follow-through. Since then, Chamblee, a student of game's history, has used scientific precision and thoroughness to make a study of the common swing positions of the greats. Now, in *The Anatomy of Greatness*, he reveals what he has learned, offers hundreds of photographs as his proof, to show us how we can easily incorporate his findings into our own swings to hit the ball farther, straighter, and more consistently. What does it tell us that the majority of the greats—from Jack Nicklaus and Byron Nelson to modern masters like Tiger Woods—employ a “strong” grip on the club? How did

legends like Ben Hogan, Sam Snead, Mickey Wright, and Gary Player unlock hidden power and control by “turning in” the right knee at address? Why are some modern teachers preaching “quiet” footwork when forty-eight of the top fifty golfers of all time lifted their left heels on the backswing, allowing them to build power? At the same time that Chamblee is extolling certain swing virtues, he also debunks a number of popular—but misguided—swing philosophies that have been hindering golfers for years. The result is perhaps the best and clearest explanation of how to hit a golf ball ever published. *The Anatomy of Greatness* is a book that golfers can take to the driving range and use Chamblee's clear explanations to build better swings—and get more speed and

consistency into their swings—immediately. It is like having a series of private lessons from the best golfers of all time, and it will help golfers build swings that make the game easier and more fun.

This book investigates the substantial and growing contribution which African

Independent and Pentecostal Churches are making to sustainable development in all its manifold forms. Moreover, this volume seeks to elucidate how these churches reshape the very notion of sustainable development and contribute to the decolonisation of development. Fostering both overarching and comparative perspectives, the book includes chapters on West Africa (Nigeria, Ghana, and Burkina Faso) and Southern Africa (Zimbabwe and South Africa). It aims to open up a subfield focused on African Initiated Christianity within the religion and development discourse, substantially broadening the scope of the existing literature. Written predominantly by scholars from the African continent, the chapters in this volume illuminate potentials and

perspectives of African Initiated Christianity, combining theoretical contributions, essays by renowned church leaders, and case studies focusing on particular churches or regional contexts. While the contributions in this book focus on the African continent, the notion of development underlying the concept of the volume is deliberately wide and multidimensional, covering economic, social, ecological, political, and cultural dimensions. Therefore, the book will be useful for the community of scholars interested in religion and development as well as researchers within African studies, anthropology, development studies, political science, religious studies, sociology of religion, and theology. It will also be a key resource

for development policymakers and practitioners.

Commitment to the Almighty God is the highest priority for the Christian and it cannot be taken lightly because of its eternal implications. There should be

assurance of salvation that is Bible based, which lasts forever. There is a need for an extra spiritual effort on the souls saved to get them established, localised in a church fellowship and mobilised until they too become soul winners. It is not enough for the believer in Christ to go forth and bear fruits in obedience to the Lord's command but must also ensure that the fruits abide. This is why the Workers-in-Training programme is packaged to equip believers for service unto God and the edification of the body of Christ. Our prayer is that at the end of these teachings, you would have become a true Christian, on fire for God and ready to take up mountains. God bless you as you get empowered for the work of ministry, in Jesus name. Amen

For centuries, parents have used the ancient method of learning and reciting questions and answers to teach the core doctrines of the faith. This beautifully designed book uses this regular rhythm of asking and answering to introduce children to spiritual truths and spark a hunger within them to know God even more.
