NICHOLSON SILAS

A Novel HarperCollins

Phoenix Ashby is an acronym for puberty and adolescence. It is an acknowledgement of the issues which young girls face on their journey to self-fulfillment. The story is written through the eyes of a teenage girl who after reaching puberty finds herself on a roller coaster of sexual liaisons culminating in an abortion. Phoenix experiences growing up in the church-centered contradiction of a small Caribbean island, provides a fitting backdrop upon which her life story can be finally told. It is a mosaic of life, love, joy, pain and almost happy endings.

A fantastic short digital original from award-winning Will Elliott A brand-new surreal short story from multiple award winner Will Elliott.

Happy Endings Penguin UK

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil,

Atlas Shrugged is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's The Great American Read. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

Happy Endings Hogarth

There's nothing like being told that in three months you'll be dead to make you think about what

you really want in life "A novel about self-discovery, with plenty of surprises and a snappy, Bridget-Jones-gets-a-terminal-diagnosis vibe." -Booklist Jennifer Cole has just been told that she has a terminal blood disorder and has just three months to live--ninety days to say goodbye to friends and family, and to put her affairs in order. Ninety days to come to terms with a diagnosis that is unfair, unexpected, and completely unpronounceable. Focusing on the positives (she won't have to go on in a world without Bowie or Maya Angelou; she won't get Alzheimer's or Parkinson's like her parents, or have teeth that flop out at the mere mention of the word apple), Jennifer realizes she only has one real regret: the relationships she's lost. Rather than running off to complete a frantic bucket list, Jennifer chooses to stay put and write a letter to the three most significant people in her life, to say the things she wished she'd said before but never dared: her overbearing, selfish sister, her jelly-spined, cheating ex-husband, and her charming, unreliable ex-boyfriend--and finally tell them the truth. At first, Jennifer feels cleansed by her catharsis. Liberated, even. Her ex-boyfriend rushes to her side and she even starts to build bridges with her sister Isabelle (that is, once Isabelle's confirmed that Jennifer's condition isn't genetic). But once you start telling the truth, it's hard to stop. And as Jennifer soon discovers, the truth isn't always as straightforward as

it seems, and death has a way of surprising you....

Vinegar Girl Virgin Books Limited

Everybody, from Ice Warriors to UNIT veteran s, is attending the wedding of Jason Kane and Bernice S. Sum merfield. But there may not be a wedding at all since someone is trying to sabotage it '

Happy Endings Simon and Schuster

In a world of bad news and bleak prophecies, it's life-affirming to hear a story with a happy ending. These are true tales of passion and perseverance, chance meetings, unexpected romance, lovers whose stars are un-crossed. There is sorrow here. There are questions, too, but no universal answers and yet other people's happy endings inspire optimism in all of us.

A Memoir Lizzie Skurnick Books

The Rosie Project by Graeme Simsion is a story about love, life and lobster every Tuesday... Don Tillman has got his love life planned out. He knows exactly who he wants, but is it who he needs? -- ----- 'Adorable' Marian Keyes 'I couldn't put this book down. It's one of the most quirky and endearing romances I've ever read. I laughed the whole way through' Sophie Kinsella ----- ----- Love isn't an exact science - but no one told Don Tillman. A thirty-nine-year-old geneticist, Don's never had a second date. So he devises the Wife Project, a scientific test to find the perfect partner. Enter Rosie - 'the world's most incompatible woman' - throwing Don's safe, ordered life into chaos. But what is this unsettling, alien emotion he's feeling? 'Marvellous' John Boyne 'A sweet, funny rom-com . . . You'll be willing Don and Rosie on every step of the way' Marie Claire Hilarious, unlikely and heartbreaking' Easy Living 'Original, clever and perfectly written' Jill Mansell

A Memoir HarperCollins Australia

"Magnificent." —People Magazine The instant New York Times bestseller: Laugh-out-loud, deeply insightful, and emotion-filled essays from multitalented actress, comedian, podcaster, and writer Casey Wilson. Casey Wilson has a lot on her mind and she isn't afraid to share. In this dazzling collection, each essay skillfully constructed and brimming with emotion, she shares her thoughts on the joys and vagaries of modern-day womanhood and motherhood, introduces the not-quite-typical family that made her who she is, and persuasively argues that lowbrow pop culture is the perfect lens through which to examine human nature. Whether she's extolling the virtues of eating in bed, processing the humiliation over her father's late in life perm, mourning her mother's passing, or revealing her patented method for keeping the mystery alive in a marriage, Casey is witty, candid, and full of poignant and funny surprises. Humorous dives into her obsessions and areas of personal expertise—self-help, nice guys, cool girls (not her) and how to receive visitors in the bath—are matched by touching meditations on female friendship, anger, grief, motherhood, and identity. Reading *The Wreckage of My Presence* is like spending time with a close friend—a deeply passionate, full-tilt, joyous, excessive, compulsive, shameless, hungry-for-it-all, loyal, cheerleading friend. A friend who is ready for any big feelings that come her way—and isn't afraid to embrace them.

There Must Be Happy Endings Simon and Schuster

Pirate problems plague Robert as the class rehearses a pirate play, his bike is pirated away, and bossy Susanne Lee invites only half the class to a pirate party.

Hungry Man - A Happy Endings Story Live Oak Media (NY)

The popular stand-up comedian offers an offbeat, frequently raunchy memoir of his life, in which he shares his affinity for hookers, the time he stalked Black Sabbath and Alan Alda, his experiences with Opie and Anthony, his arrest on the infamous Voyeur Bus, and other controversial events.

15 Enchanting and Inspirational Stories for Children Penguin

Sierra On-Line was one of the very first computer game companies and at one time dominated the industry. The author, Ken Williams, founded Sierra On-Line Sierra with his wife Roberta who went on to create many of the company's best selling games. Sierra grew from just Ken and Roberta to over one thousand employees and a fan base that still exists today, despite the fact that the company was torn apart by criminal activities, scandal and corruption that resulted in jail sentences and the collapse of Sierra. This is the behind-the-scenes story of the rise and fall, as it could only be told by the ultimate insider.

True Stories about Finding Love Macmillan Publishers Aus.

When a wicked witch devises a plan to steal all the happy endings to bedtime stories, it is up to Jub--the keeper of the happy endings--to save the day and ensure sweet dreams everywhere. Original.

Lily and the Octopus St. Martin's Paperbacks

MatthewLife is good. Being the top porn star and producer in the world definitely has its perks. Too bad the rest of the world thinks sex is all I'm good for. So when I find out that my favorite author, the reclusive Luc Romano, is looking for a producer to turn his book into a movie, I jump at the chance to work with him. There's just one problem. Luc is a woman. A woman who sees me for more than just my cock. She's been hiding from her past for so long. Can I help her break free so she can finally step out of the shadows of her pen name? Or will my reputation ruin us both?

Don Tillman 1 HarperCollins

“Thank you for the perfect blend of nostalgia-drenched humor, wit, and heartbreak, Nora.” —Mandy Moore comedy = tragedy + time/rosé Twenty-seven-year-old Nora McInerney Purmort bounced from boyfriend to dopey “boyfriend” until she met Aaron—a charismatic art director and comic-book nerd who once made Nora laugh so hard she pulled a muscle. When Aaron was diagnosed with a rare form of brain cancer, they refused to let it limit their love. They got engaged on Aaron’s hospital bed and had a baby boy while he was on chemo. In the period that followed, Nora and Aaron packed fifty years of marriage into the three they got, spending their time on what really matters: Buffy the Vampire Slayer, each other, and Beyoncé. A few months later, Aaron died in Nora’s arms. The obituary they wrote during Aaron’s hospice care revealing his true identity as Spider-Man touched the nation. With *It’s Okay to Laugh*, Nora puts a young, fresh twist on the subjects of mortality and resilience. What does it actually mean to live your “one wild and precious life” to the fullest? How can a joyful marriage contain more sickness than health? How do you keep going when life kicks you in the junk? In this deeply felt and deeply funny memoir, Nora gives her readers a true gift—permission to struggle, permission to laugh, permission to tell the truth and know that everything will be okay. *It’s Okay to Laugh* is a love letter to life, in all its messy glory; it reads like a conversation with a close friend, and leaves a trail of glitter in its wake. This book is for people who have been through some shit. This is for people who aren't sure if they're saying or

doing the right thing (you’re not, but nobody is). This is for people who had their life turned upside down and just learned to live that way. For people who have laughed at a funeral or cried in a grocery store. This is for everyone who wondered what exactly they’re supposed to be doing with their one wild and precious life. I don’t actually have the answer, but if you find out, will you text me?

Lerner Digital ™

An enchanting novel about fate, second chances, and hope, lost and found, by the Amazon Charts bestselling author of *The Last of the Moon Girls*. Soline Roussel is well schooled in the business of happy endings. For generations her family has kept an exclusive bridal salon in Paris, where magic is worked with needles and thread. It's said that the bride who wears a Roussel gown is guaranteed a lifetime of joy. But devastating losses during World War II leave Soline's world and heart in ruins and her faith in love shaken. She boxes up her memories, stowing them away, along with her broken dreams, determined to forget. Decades later, while coping with her own tragic loss, aspiring gallery owner Rory Grant leases Soline's old property and discovers a box containing letters and a vintage wedding dress, never worn. When Rory returns the mementos, an unlikely friendship develops, and eerie parallels in Rory's and Soline's lives begin to surface. It's clear that they were destined to meet—and that Rory may hold the key to righting a forty-year wrong and opening the door to shared healing and, perhaps, a little magic.

Dear Mrs. Bird Bantam

The latest addition to the best-selling Words Are CATegorical® series, this fun-filled guide uses playful puns and humorous illustrations to creatively clarify the concept of pronouns. Key pronouns appear in color for easy identification to show, not tell, readers what pronouns are all about.

The Garden of Happy Endings HarperCollins Australia

A fantastic short digital original from award-winning Will Elliott A brand-new surreal short story from multiple award winner Will Elliott.

The Rosie Project Lerner Publishing Group

#1 New York Times bestselling phenomenon Nora Roberts—“America’s favorite writer” (*The New Yorker*)—begins her *Loving Jack* series with the story of an author enamored with her own imagined hero meeting a man who ignites her desires in reality. Three months of solitude in a gorgeous secluded summer rental home is the perfect atmosphere for Jackie “Jack” MacNamara to write the novel featuring the man of her dreams. She only wishes that her rugged Wild West cowboy existed. Then her reverie is interrupted by Nathan Powell, he’s a mild-mannered architect who is perplexed that his house has been rented without his knowledge and expects Jack to leave. But Jack’s not about to let her work be disrupted—unless she can convince her handsome host that fate has brought them together for a romantic adventure greater than fiction.

A Story About Cancer With a Happy Ending Penguin

Sarah Dessen meets the Wild West in this tale of wild mustangs, irresistible wranglers, and the first rule of horses: if you get bucked off, you have to get back on. Cassidy Carrigan wasn't planning to ever get on a horse again. She wasn't even planning on going to back to school after her dad moved out, her best friend ditched her, and her anxiety took over. But then she wasn't planning on being shipped off to a ranch in the mountains of Wyoming as a charity case either. Or falling for a cowboy with a broken nose and an even more broken soul. But sometimes you just have to do a stupid, dangerous thing to have the time of your life. Set in the wild, beautiful west, here is a story about fear and failure and falling in love when the odds are against you. Alternatingly heart-stopping and heart-breaking, *The Thief of Happy Endings* is a story that will stay with you, like a summer you'll never forget.
