The Book of Satyr Magick Oxford  
University Press  
Book one of the New York Times-  
bestselling All Souls trilogy—"a  
wonderfully imaginative grown-up

fantasy with all the magic of Harry Potter  
and Twilight" (People). Look for the hit  
TV series "A Discovery of Witches,"  
streaming on AMC Plus, Sundance Now  
and Shudder. Season 2 premieres  
January 9, 2021! Deborah Harkness's  
sparkling debut, A Discovery of Witches,  
has brought her into the spotlight and  
galvanized fans around the world. In this  
tale of passion and obsession, Diana  
Bishop, a young scholar and a

descendant of witches, discovers a long-lost and enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, *Shadow of Night*, and concludes with *The Book of Life*.

*An Encyclopaedia of Charms, Spells, Formulas and Magical Rites* University of Chicago Press

An unwavering witch, a sexy dragon-shifter, and a snarky cat, on their most

dangerous adventure yet. I was never interested in becoming Queen Witch. Everyone knew my older sister was the favorite for the throne. It never even bothered me... until I learned she's actually a necromancer, raising bodies from the dead. As a princess, I have no choice but to compete in the Trials--a deadly series of events that will test me magically, mentally, emotionally, and physically. But now I must play to win. Heirs from all over the globe are contending, and it's going to take every ounce of power I possess to keep the kingdom of Terranea out of my sister's wicked hands. If I fail, the repercussions could be far worse than any war the world has ever seen... Fans of *The Hunger Games* and *Throne of Glass* are loving this action-packed fantasy! Start

this exhilarating magical adventure today! Get your copy NOW!

Witches Spell Book - Perfect for Both Practicing Witches Or Beginners.

EnchantmentThe Witches' Art of Manipulation by Gesture, Gaze and GlamourTraditionally, the Witch's arsenal of magical power has always included the ability to influence others from a distance, blessing, cursing and placing a glamour or the Evil Eye on someone in order to reward, punish or control them in some way. Many of these techniques

have been lost, though we can see their descendants in the techniques of mesmerism, faith healing and stage hypnotism. As part of his exploration of Visceral Magick, Author and Witch Peter Paddon has rediscovered techniques and exercises that enable the practitioner to use gestures, gaze and energy connections to influence others from across a room, or in some cases around the world. In this book, Peter describes the underlying theories and philosophies (drawing on the mysteries of Ancient Egypt, Pre-Christian Celtic Wales and medieval Christian Mysticism), and lays out a series of techniques and the exercises that develop the required skills to use them, on order to heal, curse, entrance, bless, and create illusions and other subtle influences in others to

manipulate their thoughts and actions. He includes a discussion of the ethical ramifications of these techniques, as well as practical applications in ritual, spell-crafting and daily life. Whether it is the "Evil Eye," "Jedi mind-tricks" or "defense against the Dark Arts," these techniques have been the mainstay of myth, legend and fantasy for millenia, but their place in our worldview stems from real magical tools wielded by our ancestors. "Too often, the modern witchcraft movement has focused its attention on being an "acceptable" practice in a modern world. It has often sacrificed much of its unique contributions upon the altar of religion. Albeit, this aspect of our resurgence heeded a deep call and the initial sacrifice had wisdom and purpose. But

as they say "how many stripes can a zebra lose before it is no longer a zebra?" In the case of the Craft, witches do witchcraft, and magic is at the heart of our soul; and we must return our "stripes." It is time for witches to be witches... and enchantment is one of the major stripes on the metaphorical zebra of witchery. Thank you Peter for bringing all of us to that state of spirit that wields the power of change through the arts of enchantment. This practice helps to give us back one of our most legendary attributes. My advice is that readers of this book apply the lore and techniques offered. It invites witches to wield the power of change upon self, the world and our universe. Now let's cast enchantment for a better life and a better world. It all starts in the mirror."

Orion Foxwood Author of "The Candle and the Crossroads" 2012 Red Wheel Weiser "Introduction to Southern Conjure" DVD 2009 Pendraig Publishing Season of the Witch Enchantment, Terror, and Deliverance in the City of Love A special middle grade debut of magic and courage in a world of witches, written with the charm and enchantment of Circus Mirandus and The Apothecary. Arianwyn has flunked her witch's assessment: She's doomed. Declared an apprentice and sent to the town of Lull in disgrace, she may never become a real witch-- much to the glee of her arch-rival, Gimma. But remote Lull is not as boring as it seems. Strange things are sighted in the woods, a dangerous infestation of hex creeps

throughout the town, and a mysterious magical visitor arrives with his eye on her. With every spirit banished, creature helped, and spell cast, Arianwyn starts to get the hang of being a witch--even if she's only an apprentice. But the worst still lies ahead. For a sinister darkness has begun to haunt her spells, and there may be much more at stake than just her pride . . . for Arianwyn and the entire land.

Protect your energy, honor your intuition, raise your vibration, and build spells for every part of your life.

"Hilariously conversational, deceptively deep, and phenomenally illustrated, Enchantments will blow your mind and make you laugh while imparting expert

knowledge of witchcraft and why it's so needed today."—Natasha Lyonne, actress and producer Mya Spalter spent years among candles, herbs, cats, and spells as an employee at New York City's oldest occult shop, Enchantments. In this beautifully illustrated book, Spalter sets out to share ways that she's found to live life magically and maintain spiritual connection with the elements and the universe. She offers an approachable compendium of magical knowledge that will equip you to construct your own original spells, build rituals around your intuition, and find your way toward being your own unique kind of witch. Black and queer, Spalter has written this friendly, inclusive guide that will teach anyone how to:

- Build an altar: Find the right tools to model the grace and beauty you

aspire to find in your life.

- Cast a self-love spell on yourself: Recognize your own strength and power to inspire happiness and fulfillment.
- Clear out negative energies: Identify and rid yourself of the things holding you back.
- Set meaningful intentions: Create daily practices that positively affect yourself and the world around you. You will learn how certain colors can help raise your vibrations, directions for herbal blends and potions, the keys to banishing unfriendly spirits (with cleansing rituals or even a dance party), and invaluable instructions in the timeless arts of astrology, tarot, crystals, and finding a parking spot downtown. Open this book and enchant your own life!

Enchanted Islands Rizzoli Publications  
 In Enchantment, Orson Scott Card works  
 his magic as never before, transforming

the timeless story of Sleeping Beauty into an original fantasy brimming with romance and adventure. The moment Ivan stumbled upon a clearing in the dense Carpathian forest, his life was forever changed. Atop a pedestal encircled by fallen leaves, the beautiful princess Katerina lay still as death. But beneath the foliage a malevolent presence stirred and sent the ten-year-old Ivan scrambling for the safety of Cousin Marek's farm. Now, years later, Ivan is an American graduate student, engaged to be married. Yet he cannot forget that long-ago day in the forest—or convince himself it was merely a frightened boy's fantasy. Compelled to return to his native land, Ivan finds the clearing just as he left it. This time he does not run. This time he awakens the

beauty with a kiss . . . and steps into a world that vanished a thousand years ago. A rich tapestry of clashing worlds and cultures, Enchantment is a powerfully original novel of a love and destiny that transcend centuries . . . and the dark force that stalks them across the ages.

In this must-have book for all fans of Oz big and small, artist and visionary

Gabriel Gale brings to vivid life all the creatures from L. Frank Baum's beloved series, from the iconic characters in *The Wonderful Wizard of Oz* to many others that are visualized here for the first time. *The Wonderful Wizard of Oz* was the best-selling American children's book of the twentieth century, and the classic 1939 movie of this quintessential American fairy tale left a permanent mark on the hearts and imaginations of devoted fans throughout the world. In *THE ART OF OZ: WITCHES, WIZARDS, AND WONDERS BEYOND THE YELLOW BRICK ROAD* artist and Oz archeologist Gabriel Gale brings to life all the creatures and inhabitants from L. Frank Baum's beloved series, many illustrated here for the first time: wicked witches and their armies, mythical beasts,

elemental fairies, robots, insects, one-legged and two-sided people, and many more sky, land, sea, and underground creatures. THE ART OF OZ also debuts the first-ever “Google Map” of the Land of Oz! Gabriel Gale has mapped the country and animated all the creatures he found there. He has sketched Emerald City the buildings and habitats of the enchanted Land. Through spectacular illustrations, in original and precise style, Gale portrays each character in detail, often with attention to anatomy, structure, size and scale. Gale’s fantastical, vivid, and delightful renderings are also accompanied by excerpts and drawings from the fourteen books in Baum’s Oz series and the most famous inhabitants of Oz—Professor H.M. Woggle-Bug, T.E., Dorothy, the

Cowardly Lion, the Scarecrow, the Tin Woodman, Toto, Glinda the Good, and the Wizard—add context to this magical endeavor This is the perfect book for the whole family to share and for anyone entranced by the fantasy and everlasting magic of Oz

In *Enchanted Islands*, renowned art historian Mary D. Sheriff explores the legendary, fictional, and real islands that filled the French imagination during the ancien regime as they appeared in royal ballets and festivals, epic literature, paintings, engravings, book illustrations, and other objects. Some of the islands were mythical and found in the most popular literary texts of the day—*islands* featured prominently, for instance, in

Ariosto's *Orlando furioso*, Tasso's *Gerusalemme liberata*, and Fénelon's, *Telemachus*. Other islands—real ones, such as Tahiti and St. Domingue—the French learned about from the writings of travelers and colonists. All of them were imagined to be the home of enchantresses who used magic to conquer heroes by promising sensual and sexual pleasure. As Sheriff shows, the theme of the enchanted island was put to many uses. Kings deployed enchanted-island mythology to strengthen monarchical authority, as Louis XIV did in his famous Versailles festival *Les Plaisirs de l'île enchantée*. Writers such as Fénelon used it to tell morality tales that taught virtue, duty, and the need for male strength to triumph over female weakness and

seduction. Yet at the same time, artists like Boucher painted enchanted islands to portray art's purpose as the giving of pleasure. In all these ways and more, Sheriff demonstrates for the first time the centrality of enchanted islands to ancient regime culture in a book that will enchant all readers interested in the art, literature, and history of the time.

An empowering, sex-positive guide to glamour magic with spells and fashion advice for all budgets and body types.

Sophie Saint Thomas knows fashion and

glamour and how to use them to make magic happen. “Vanity is not a sin,” she writes, “but a tool of power to be embraced. Costume is power, and through fashion, makeup, and other glamour magick tools, we can step into such power.” In *Glamour Witch*, Sophie offers a history of glamour magick from a modern perspective complete with a bounty of glamour magick spells. Her message is that not only can you have fun with your appearance—be it a sparkly David Bowie-esque getup or a laid-back wood nymph vibe—but you can also use glamour to express yourself and get what you want. People are turning to this form of self-care more than ever. Men are increasingly being included in wellness, fashion, and jewelry trends. It’s high time that more people know that

you can use your dress for power before some idiot tries to use it against you (insert throwback to being called to the principal’s office for dress code violations). Embracing glamour and dress is no longer a tool of repression but a tool of expression—and this book will teach you how, at all price points and for all genders.
