Japanese stitch patterns are eye-catching and much sought after by devotees, but before now, they often seemed out of reach, whether locked behind Japanese-only instructions or tangled up in difficult-to-decipher illustrations. Japanese Stitches Unraveled offers 150 rare patterns inspired by these elusive and intricate Japanese stitch designs, along with fully illustrated charts, familiar symbols, and clear instructions for every single stitch. Each stitch pattern receives Bernard's unique four-direction makeover—topdown, bottom-up, back-and-forth, and in-the-round. To showcase the knitting in action, Bernard also includes instructions for six garments as well as her famous formulas for

knitting without a pattern. 35 quick and colorful knits on a loom Goodknit Kisses Loom knitting--the art of creating woven fabric using pegs and a hook instead of traditional knitting needles--is quicker and easier on the hands than knitting, but the results are just as lovely! The easy-to-follow lessons in this book start with the basics and progress to more complex techniques--an invaluable visual reference for loom knitters of all levels.

Learning to create knit garments without needles is the focus of this stitch-pattern collection and instructional reference. By using long looms, crafters can simplify two-color work, master larger projects, and make double-knit fabrics with more options for surface texture. From simple scarves to detailed felted

slippers, the designs in this resource will allure seasoned experts looking for new ways to knit, as well as beginner-level stitchers who are still trying to master using needles. Projects are accompanied by instructional photographs and include a baby blanket, an afghan, a tasseled scarf, a shawl, and a garden party table setting.

Lace gets a whole new look! Lace has traditionally been knit in finer weight yarns to create airy, delicate designs. But when knit in bulky yarns, lace becomes bold, graphic, and dramatic. Working with thicker yarns also makes the projects move along more quickly and the lace repeats shorter, so it's easy to learn new stitches and techniques. For those new to bulky yarns, Barbara Benson shows you how these yarns work best in lace designs and provides tips and tricks for reading and executing lace patterns. Then you are ready to knit any of

the 20 patterns for beautiful lacy shawls, mitts, hats, cowls, blankets, and more. Gorgeous photography by Gale Zucker shows the pieces to their full, stunning effect. Get those big needles and chunky yarn ready to roll! Cables, Colorwork, Lace and Other Stitches \* 30 Scarves, Hats, Mittens, Bags and Shawls \* Plus All the Basics Rowman & Littlefield Make hats, scarves, sweaters, an afghan and more-- without knitting needles!-- Loom Knitting Pretty Flowers for Beginners: Flower Knitting - Gifts for Mother Rowman & Littlefield Learn the essential crochet stitches with this comprehensive, beginner-friendly, and gorgeously illustrated guide. Starting with the fundamental skills of crochet, this step-by-step guide builds on basic stitches with a series of creative variations and techniques. Each stitch and variation is presented in easy-to-follow color illustrations. The encyclopedic, dip-in, dip-out approach is well-suited for beginners looking to build a foundation of stitch techniques as well as seasoned crafters who will

appreciate the handy reference. Perfect for visual learners, the classically designed Stitch Encyclopedia series also includes volumes on Embroidery and Knitting. **Knitting Know-How from A to Z** Loom, Knit, Stitch Dictionary Loom Knitting Pattern Book 38 Easy, No-Needle Designs for All Loom Knitters "Popular loom knitting maven Isela Phelps is back with a new book containing patterns for afghans, blankets, and throws. As the projects are arranged from beginner to advanced, new loom knitters can progress through the designs while learning and mastering techniques along the way. An illustrated introductory chapter explains and demonstrates everything you need to know about loom knitting and serves as a great refresher course. A finishing section helps you achieve expert results and provides instructions for how to personalize your designs with a range of embellishments. "-- Knitstrips Createspace Independent Publishing Platform Loom knitting uses a circular or rectangular loom, or knitting board, consisting of a frame with

pegs. Looms are easy and fun to use, even without conventional knitting experience. You can create almost anything, from knitted tubes for hats or socks to flat panels for scarves, shawls and sweaters. Loom Knit Baby Wraps Abrams Contains 500 different knitting patterns. Amazing Loom Knits Rowman & Littlefield An illustrated manual offering basic knitting skills as well as links to online knitting tutorials. Rugged Knits Macmillan The "must-have" book for loom knitters by the top expert on the subject is now updated to reflect the newer looms on the market. Like the previous edition this new edition still contains everything you need to know about loom knitting, like gauge, yarn thickness, increasing, decreasing, color work, different cast on and off methods, and more. Additionally, it includes Isela's precise and easy how-to instructions, now newly updated, for making basic stitches and variations, and for using all the different types of looms, round and long looms, currently in the market. The project section is also updated to include more

specific information about the looms used, with a handy chart of all the looms, with their gauges, currently on the market. But what hasn't changed is the straightforward information and the need for this book, making it the one to have for all loom knitters. If you only purchase one loom knitting book, this is the one to get!
