& trailer market . 20200216_Trends in Truck Trailer 2030.pptx 2 This study was prepared by Roland Berger GmbH ("RB") and is based on publicly available information which has not been independently verified by RB, as well as certain assumptions, general assessments, projections and experience derived from RB's consulting activities ...
 Roland Berger study - msiberia.org
 Since 2001, we have published our annual Restructuring Study in Germany, Austria and Switzerland. In our 2017 study we focus on Non-Performing Loans (NPL). Especially for banks, the importance of NPL sales as an alternative to restructuring is increasing. We surveyed 800 restructuring experts, who shared their views on the current restructuring environment and economic development.
 2017 Restructuring Study — Roland Berger
 This study was prepared by Roland Berger GmbH ("RB") and is based on publicly available information which has not been independently verified by RB, as well as certain assumptions, general assessments, projections and experience derived from RB's consulting activities, in each case as at the time of the study's preparation.
 A4 RB PPT 50years Design3 - Roland Berger
 As the Roland Berger-study "Urban Air Mobility - The rise of a new mode of transportation" shows, drone services could provide an attractive solution for areas where merely increasing two-dimensional capacity would in no way ease the existing traffic situation.
 Passenger drones ready for take-off — Roland Berger
 At Roland Berger, we understand that these fundamental changes have left numerous firms on shaky ground. Many are unsure how to balance short-term demands with long-term strategy. We help our customers to navigate complexity in the transportation industry.
