Winter Fire (#3, Witchling Series)

Lizzy Ford

We're the D'Artigo sisters: savvy half-human, half-Fae operatives for the Otherworld Intelligence Agency. My sister Delilah is a two-faced werecat and a Death Maiden. Menolly is a vampire married to a gorgeous werepuma. And me? I'm Camille, a Moon witch married to three hunky husbands, and I'm about to journey through the veils to search for a long lost legend... With the war in Otherworld raging, the Queen of Shadow and Night summons me to her court. Aeval orders me on a quest through the mists to find an ancient ally of hers. I am to seek out The

Merlin and wake him from his long sleep. Surrounded by danger on all sides, with Morgaine and Bran along for the journey, I must pray they are allies rather than enemies, as we undertake a perilous search through the labyrinth of time...

The continuation of the Rhyn Trilogy saga. Death Finds Love. Recently appointed as Death, Gabriel's life can't get much worse. His underworld is in shambles, and he's racing demons to collect souls in the human world. To add to his mess, he discovers that his predecessor raised an unwelcome Immortal from the dead, one who threatens the Immortal Council that his friend, the Ancient Rhyn, is trying to hold together. When the underworld shuts Gabriel out, he's convinced he's hit rock bottom. Until he meets her, and he realizes things can get worse. Much worse.

Now in human form, Deidre - Gabriel's predecessor and long-time tormenter - is dying from a brain tumor. Rather than mourn, she decides to enjoy the rest of her short life by checking off every box on her bucket list. Little does she suspect that a weekend getaway to the beach will throw her into the hands of Death himself and overturn everything she knows about her world. Deidre has no idea who she was in her past life, but she must learn fast, or she'll never understand why the Immortals, demons and Death alike are after her. The secret is buried in her head, and the only way to uncover it will kill her. To survive, she must reach the wounded man behind the mask of Death and show him that the world is filled with more than tragedy and pain.

For fans of The Land of Stories comes an

adventure that reveals the secret warnings hidden inside all classic tales -- beware fairyland at all costs. Eleven-year-old Danny Monteverde believes in magic. He knows that pixie dust is real, that wardrobes act as portals, and that rabbit holes lead to Wonderland. Most of all, he believes that his older sister, Pili, is waiting for him somewhere in Rio Luna, the enchanted land in their favorite book of fairy tales. Danny doesn't care what the adults say. He knows that Pili isn't another teen runaway. When the siblings were placed in separate foster homes, she promised that she'd come back for him, and they'd build a new life together in Rio Luna. Yet as the years pass, Danny's faith begins to dim. But just when he thinks it might be time to put foolish fairy tales behind him, he finds a mysterious book in the library. It's a collection of stories that contain hints about how to reach another world. A map to Rio Luna . . . and to Pili. As his adventure takes him from New York to Ecuador to Brazil, Danny learns that meeting your favorite characters isn't always a dream come true. But nothing will stop him from finding his sister . . . even if it means standing up to the greatest threat the magical realm has ever known.

Dark Summer (#1, Witchling Series)

Bloomsbury Publishing

A beautiful fire witchling with a dangerous secret ... A race to save the Light from permanent Darkness ... A Dark threat

unites with an ancient evil ... If the Master of Light, Beck, has learned anything over the past few months, it's never to trust a pretty girl - or his own judgment, the source of several messes he's working hard to right. He saved his brother and girlfriend from Darkness but faults himself for not protecting them in the first place, like he's sworn to. The Light is receding again, and his earth magick warns him that an ancient danger has re-emerged in the hands of a beautiful, conflicted girl who's caught between Light and Dark. Drawn to her beauty and gentle heart, Beck is astonished to learn her magick will do more than set his blood on fire. Like his twin, the Master of Dark, Beck has a counterbalance, a woman who can help him protect the Light - if she doesn't fall to the Dark like the fire witchlings before her. Hurt too often by bullies in her own life, Morgan tries to protect those around her from similar pain. She and her brother arrive at the boarding school in the Rocky Mountains, only for Morgan to make enemies instantly with Dawn, the Dark witchling who tried to kill Summer twice. But Morgan is hiding something, a source of ancient evil, known as a soul stone, passed down through a thousand years of fire witchlings. Fire repels the coldness of the Dark, and only fire witchlings can safeguard the stone. Taking it into the middle of the source of Light awakens its powers. It finds an ally in Dawn and teaches the Dark witchling how to evade and seek her revenge upon the Masters of Light and Dark. Morgan grabs the soul stone and runs, only to entangle Summer and Biji in her desperate attempt to protect Beck. Hidden from the Masters of Light and Dark, they must find a way to escape Dawn with their lives - and souls.

The Grey God Simon and Schuster

A girl with no memory, hidden in plain sight ... A boy with no hope, spiraling into Darkness ... Only one knows the truth, and only one has the power to save them. Autumn doesn't know why she remembers a boarding school she's never visited, or why her reflection is sometimes that of a ghost named Summer. She struggles to recover her memories and understand the warnings conveyed through her magick. Caught between the Turner twins, she isn't certain who to trust: Decker, the mysterious Master of Dark, who makes her heart catch, or Beck, the cautious Master of Light, whose touch soothes her pain. Unable to recover from Summer's death, Decker slowly surrenders to the Dark. The guilt he feels when he falls for Autumn - and betrays Summer's memory - drives him farther from the Light, until he completely loses control and takes the

souls of Light witchlings. As the protector of Light, Beck is caught between his allegiance to his twin and his vow to protect new witchlings. He must keep the Darkness from consuming his brother, for if Decker fails, he'll take down the only person who has a chance of saving them all.

B is for Burglar, from Sue Grafton's #1 New York Times bestselling Kinsey Millhone Alphabet mystery series Beverly Danziger looked like an expensive, carefully wrapped package from a good but conservative shop. Only her compulsive chatter hinted at the nervousness beneath her cool surface. It was a nervousness out of all proportion to the problem she placed before Kinsey Millhone. There was an absent sister. A will to be settled--a matter of only a few thousand dollars. Mrs. Danziger did not look as if she needed a few thousand dollars. And she didn't seem like someone longing for a family reunion. Still, business was slow, and even a private investigator has bills to pay. Millhone took the job. It looked routine. Elaine Boldt's wrappings were a good deal flashier than her sister's, but they signaled the same thing: The lady had money. A rich widow in her early forties, she owned a condo in Boca Raton and another in Santa Teresa. According to the manager of the California building, she was last seen draped in her \$12,000 lynx coat heading for Boca Raton. According to the manager of the Florida building, she never got there. But someone else had and she was camping out illegally in Mrs. Boldt's apartment. The job was beginning to seem a bit less routine. It turned tricky when Beverly Danziger ordered Millhone to drop the case and it took on an ominous quality when Aubrey Danziger surfaced, making all kinds of wild accusations about his wife. But it only became sinister when Millhone learned that just days before Elaine Boldt went missing, her next-door neighbor and bridge partner had been murdered and the killer was still at large. A house destroyed by arson. A brutally murdered woman. A missing lynx coat. An apartment burgled of valueless papers, another ransacked in a melée of mindless destruction. And more murder. As Millhone digs deeper into the case, she finds herself in a nightmarish hall of mirrors in which reality is distorted by illusion and nothing--except danger--is quite what it seems. The Way to Rio Luna Penguin

Prepare to Be Mentored by the Sacred Hags!
