 Forestry Clubs for Young People
 Suggestions for Leaders of Forestry Clubs Formed in Connection with the Work of 4-H Clubs, Boy Scouts, Schools and Other Organizations
 This publication has been prepared primarily for the use of leaders of young people's forestry clubs. Its purpose is to suggest forestry activities suitable for young people and ways and means of carrying on those activities. Some are suitable only for clubs formed by

boys and girls, living on farms or in smaller towns; others are more suitable for young people living in the larger cities.

Report of the Attorney-General of the State of Texas
 Taylor Trade Publications
 This book is the third volume of a three volume reference set that will provide comprehensive information on breeding

commercial horticultural crops. In a systematic way, it deals with the history and commercial importance of each fruit, the origin and early development of cultivation, regional characteristics, breeding objectives, and fruit characteristics such as color shape and disease resistance. Volume III deals with, for example, almonds, pecans/hickories, and walnuts.
