Jewish Stories
of Love and
Marriage
offers a
treasury of

tales that speak to the tenderness and passion, difficulties and blessings of love. Jewish tradition overflows with love stories from the Bible, Talmud, and Midrash. Folktales continue the tradition, and contemporary writers highlight the way their faith and love interweave and enrich each other. From Adam and Eve to Song of Songs, from legends of Solomon to the letters of Alfred and

Lucie Dreyfus, these are stories of heartbreak, devotion, and celebration. They tell of how people fall in love and how they grow in love. The narratives are as old as the Bible and as new as the twenty-first century. They come from places as far-ranging as Yemen and New York. The relationships are heterosexual and homosexual, arranged and spontaneous, young and mature. Though the

stories reflect the times and places in which they were told, they have a universal message about longing and romance, relationship, respect, and commitment. Noted storyteller Peninnah Schram and Rabbi Sandy Eisenberg Sasso collect these narratives and letters for the first time, inviting readers to delve into these stories for entertainment and inspiration, at

engagements, weddings, and anniversaries, to recall what once brought people close and what continues to hold them in love.

The Love Letters of Kahlil Gibran and Mary Haskell and Her Private Journal

Crossway
In the spring of 1944, Antoine de Saint-Exupéry left his wife, Consuelo, to return to the war in Europe. Soon after, he disappeared while flying a reconnaissance mission over occupied

France. Neither his plane nor his body was ever found. The Tale of the Rose is Consuelo's account of their extraordinary marriage. It is a love story about a pilot and his wife, a man who yearned for the stars and the spirited woman who gave him the strength to fulfill his dreams. Consuelo Suncin Sandoval de Gómez and Antoine de Saint-Exupéry met in Buenos Aires in

1930—she a seductive young widow, he a brave pioneer of early aviation, decorated for his acts of heroism in the deserts of North Africa. He was large in his passions, a fierce loner with a childlike appetite for danger. She was frail and voluble, exotic and capricious. Within hours of their first encounter, he knew he would have her as his wife. Their love affair and marriage

would take them from Buenos Aires to Paris to Casablanca to New York. It would take them through periods of betrayal and infidelity, pain and intense passion, devastating abandonment and tender, poetic love. Several times in the course of their marriage they would go their separate ways, but always they would return. The Tale of the Rose is the story of a man of extravagant dreams, and

of the woman who was his muse, the inspiration for the Little Prince's beloved rose—unique in all the world—whom he could not live with and could not live without. Written on Long Island in a quiet spell of reconciliation, The Little Prince was Antoine's greatest gift to the woman he never stopped loving, the only child to emerge from their union. The Tale of the Rose is Consuelo's

reply—the love letter she never could write to her husband—a fable of its own, just as magical, poetic, and tragic as The Little Prince. Praise for The Tale of the Rose “We find in these pages all the tenderness and patience, but also the tenacity, of a woman who loves. Consuelo does not seek to explain or even to understand her husband, she accepts him and leads him to what he must be. . .

. Written with a strong and authentic voice, *The Tale of the Rose* is a book to read for its strength of character, and for the adventure that it offers.”—Elle [Jewish Stories of Love and Marriage](#) Reformation Trust Publishing The Song of Songs written by King Solomon is a love story between a man and woman but overflows with the symbolism of Jesus Christ and his love for his Bride,

his Church, his Ecclesia Come along with me now in this expansion of the greatest love story in the universe. Look over their shoulder at their love letters to each other beginning with the time he finds her in the clutches of Satan and pays the terrible ransom to free her. He takes her to their Garden and they fall even more in love. Then on to the times she wanders away and he follows her to bring her back to

him. Their story ends in Revelation with Ecclesia calling to him. He replies, "I am coming soon." That, indeed, is what our Lord is called out to us today. He is coming! Soon he is coming! *A Study of Kahlil Gibran Zonderkidz* "Fun, fanciful, and even informative." —People The first comprehensive history of felines—from the laps of pagan gods to present-day status as meme stars—as revealed by a

very learned tabby with a knack for hunting down facts Since the dawn of civilization, felines have prowled alongside mankind as they expanded their territory and spread the myth of human greatness. And today, cats are peddled on social media as silly creatures here to amuse humans with their antics. But this is an absurd, self-centered fantasy. The true history of

felines is one of heroism, love, tragedy, sacrifice, and gravitas. Not entirely convinced? Well, get ready, because Baba the Cat is here to set the record straight. Spanning almost every continent and thousands—yes, thousands—of years, Baba’s complex story of feline survival presents readers with a diverse cast of cats long forgotten: from her prehistoric feline

ancestors and the ancient Egyptian cat goddess Bastet to the daring mariners at the height of oceanic discovery, key intellectuals in the Enlightenment period, revered heroes from World Wars I and II, and the infamous American tabbies. Baba, a talented model in addition to a scholar, goes beyond surface-level scratches, pairing her freshly unearthed research with

a series of stunning costume portraits to bring history to life. A pawson journey through the feline hall of fame, with in-depth research and four-legged testaments that will make you rethink who defines history, *A Cat's Tale* is a one-of-a-kind chronicle that introduces readers to the illustrious ancestors of their closest companions and shows, once and for all, that cats know exactly what they're

doing. *Patris Corde* Zonderkidz Capturing an ever-changing San Francisco, 25 acclaimed writers tell their stories of living in one of the most mesmerizing cities in the world. Over the last few decades, San Francisco has experienced radical changes with the influence of Silicon Valley, tech companies, and more. Countless articles, blogs, and even movies have tried to capture the complex

nature of what San Francisco has become, a place millions of people have loved to call home, and yet are compelled to consider leaving. In this beautifully written collection, writers take on this Bay Area-dweller's eternal conflict: Should I stay or should I go? Including an introduction written by Gary Kamiya and essays from Margaret Cho, W. Kamau Bell, Michelle Tea, Beth Lisick, Daniel Handler,

Bonnie Tsui, Stuart Schuffman, Alysia Abbott, Peter Coyote, Alia Volz, Duffy Jennings, John Law, and many more, *The End of the Golden Gate* is a penetrating journey that illuminates both what makes San Francisco so magnetizing and how it has changed vastly over time, shapeshifting to become something new for each generation of city dwellers. With essays chronicling the impact of

the tech-industry invasion and the evolution, gentrification, and radical cost of living that has transformed San Francisco's most beloved neighborhoods, these prescient essayists capture the lasting imprint of the 1960s counterculture movement, as well as the fight to preserve the art, music, and other creative movements that make this forever the city of love. For anyone

considering moving to San Francisco, wishing to relive the magic of the city, or anyone experiencing the sadness of leaving the bay—and ultimately, for anyone that needs a reminder of why we stay. Bound to be a long-time staple of San Francisco literature, anyone who has lived in or is currently living in San Francisco will enjoy the rich history of the city within these pages and relive

intimate memories of their own. • GIVING BACK TO THE COMMUNITY: A percentage of the proceeds will be given to charities that help those in the bay experiencing homelessness. Every copy purchased offers a small way to help those in need. *Love Letter to the Earth* Createspace Independent Publishing Platform 66 books, one incredible message God's Word is many things—instru-

ctive, historical, poetic. Yet to Jennifer Rothschild, the Bible is also an incredible love letter. In 66 Ways God Loves You, she walks you through each of the sixty-six books of the Bible and shows, in concise and thoughtful ways, how every book reflects God's love for each of us, such as: In Genesis God fashions me with His hands. In Esther He Makes me royalty In Acts God's Spirit

comes to live in me. In I Peter God gives me victory over suffering. Each chapter includes a succinct, meaningful reading on the message of that book in the Bible, along with a simple takeaway to help you bring the message to light in your own heart and life.

Folktales, Legends, and Letters

Penguin Best Book of the Year NPR • The Washington Post • Boston Globe • TIME •

USA Today • Entertainment Weekly • Real Simple • Parade • BuzzFeed • Electric Literature • LitHub • BookRiot • PopSugar • Goop • Library Journal • BookBub • KCRW • Finalist for the National Book Award • One of the New York Times Notable Books of the Year • One of the New York Times Best Historical Fiction of the Year • Instant New York Times Bestseller A singular and stunning debut novel about the forbidden union between two enslaved young men on a Deep South plantation, the refuge they find in each other, and a betrayal that threatens their existence. Isaiah was Samuel's and Samuel was Isaiah's. That was the way it was since the beginning, and the way it was to be until the end. In the barn they tended to the animals, but also to each other, transforming the hollowed-out shed into a place of human refuge, a source of intimacy and hope in a world ruled by vicious masters. But when an older man—a fellow slave—seeks to gain favor by preaching the master's gospel on the plantation, the enslaved begin to turn on their own. Isaiah and Samuel's love, which was once so simple, is seen as sinful and a clear danger to the plantation's harmony. With a lyricism

reminiscent of Toni Morrison, Robert Jones, Jr., fiercely summons the voices of slaver and enslaved alike, from Isaiah and Samuel to the calculating slave master to the long line of women that surround them, women who have carried the soul of the plantation on their shoulders. As tensions build and the weight of centuries—of ancestors and future generations to come—culminates in a

climactic reckoning, *The Prophets* fearlessly reveals the pain and suffering of inheritance, but is also shot through with hope, beauty, and truth, portraying the enormous, heroic power of love. [Why I Love the Apostle Paul](#) Rowman & Littlefield *The Love Poems of Khalil Gibran*, with calligraphy by Lassaâd Metoui and a preface by Malek Chebel. Composed of extracts from

Gibran's works, including 'The Prophet', conveying the eternal power of love, illustrated by Lassaad Metoui's calligraphy. *Easter Love Letters from God* Alfred a Knopf Incorporated Prose poetry teachings of the prophet Almustafa who speaks to the listener about life, love, good and evil, religion, and death. [The Love Letters of Kahlil Gibran to Mary Ziadah](#) Independently Published

Dietrich Bonhoeffer and Maria von Wedemeyer came from urbane, highly educated families. By 1933, when Hitler came to power, Bonhoeffer had earned his doctorate, traveled widely, served a church in Spain, and had taken a position as lecturer and student chaplain at the University of Berlin. He was twenty-seven years old. Two days after Hitler's inauguration, Bonhoeffer preached a radio sermon condemning the German leader's policies. The transmission was interrupted. In 1935, Bonhoeffer was appointed head of an underground seminary at Finkenwalde. The Gestapo closed the school two years later, but Bonhoeffer's resistance activities continued. Bonhoeffer had met Maria von Wedemeyer years before, but when they became acquainted again in 1942 they fell in love. Shortly after their engagement in early 1943, he was arrested. Dietrich and Maria would never see each other again outside prison walls. But through their correspondence their relationship grew deeper, more affectionate, and more passionate. Volumes have been written about Bonhoeffer the theologian and martyr, but none of these works

reveals the side of the man known by his fiancée. As we read these letters, we glimpse hopes, dreams, longings, and fears - and we witness a timeless love story.

Kahlil Gibran and May Ziadah knew one another solely from the letters they exchanged and from a deep admiration for each other's work. Yet their correspondence endured a

lifetime, as did their love. This collection of letters, the first ever to appear in English, reveals the eloquence and beauty of Gibran's writing in a form and style that is both profoundly personal and emotionally evocative. Illustrated throughout with Gibran's ink sketches and fascinating photographs of his original letters, this exquisite gift edition presents a moving insight into the writer

behind The Prophet, the bestselling book of the twentieth century. *The Love Poems of Khalil Gibran* Oneworld Publications While many experts point to the enormous complexity in addressing issues ranging from the destruction of ecosystems to the loss of millions of species, Thich Nhat Hanh identifies one key issue as having the potential to create a tipping point. He believes

that we need to move beyond the concept of the "environment," as it leads people to experience themselves and Earth as two separate entities and to see the planet only in terms of what it can do for them. Thich Nhat Hanh points to the lack of meaning and connection in peoples' lives as being the cause of our addiction to consumerism. He deems it vital that we recognize and respond to the stress we are putting on the

Earth if civilization is to survive. Rejecting the conventional economic approach, Nhat Hanh shows that mindfulness and a spiritual revolution are needed to protect nature and limit climate change. Love Letter to the Earth is a hopeful book that gives us a path to follow by showing that change is possible only with the recognition that people and the planet are ultimately one and the same.

The Letters of Abelard and Heloise
 Oneworld Publications Limited
 In "Letter from Birmingham Jail," Martin Luther King Jr. explains why blacks can no longer be

victims of inequality. *This Man from Lebanon* Beloved Prophet The Love Letters of Kahlil Gibran and Mary Haskell and Her Private Journal The Civil War's greatest general as you've never seen him before, in a revealing collection of letters to his wife Julia introduced by Ron Chernow. Ulysses S. Grant is justly celebrated as the author of one of the finest military autobiographies ever

written, yet many readers of his Personal Memoirs are unaware that during his army years Grant wrote hundreds of intimate and revealing letters to his wife, Julia Dent Grant. Presented with an introduction by acclaimed biographer Ron Chernow, *My Dearest Julia* collects more than eighty of these letters, beginning with their engagement in 1844 and ending with the Union victory in

1865. They record Grant's first experience under fire in Mexico ("There is no great sport in having bullets flying about one in every direction but I find they have less horror when among them than when in anticipation"), the aching homesickness that led him to resign from the peacetime army, and his rapid rise to high command during the Civil War. Often written in haste, sometimes

within the sound of gunfire, his wartime letters vividly capture the immediacy and uncertainty of the conflict. Grant initially hoped for an early conclusion to the fighting, but then came to accept that the war would have no easy end. "The world has never seen so bloody or so protracted a battle as the one being fought," he wrote from Spotsylvania in 1864, "and I hope never will again."

The Love Story Behind The Little Prince Library of America
If a picture speaks a thousand words, a love letter speaks a thousand more . . . Even in this age of e-mail, faxes, and instant messaging, nothing has ever replaced the power of a love letter. Much the way light displays every color when passed through a prism, love letters express the spectrum of our emotions, offering a colorful

glimpse into the soul of the writer, and of the writer's beloved. For passionate readers and lovers of words, a letter is irresistible. Internationally renowned collector David Lowenherz sifted through hundreds and hundreds of historical and contemporary epistles and selected the most ardent, witty, whimsical, sexy, clever, and touching letters for this inspiring collection. Unlike interviews or

biographies, these letters give us marvelous insight into the lives of some of history's most famous lovers and provide intimate glimpses into the hearts of some whose fervent or amusing expressions of devotion will come as a great surprise. Since Heloise is one of Abelard's pupils, the love quickly invites scandal. When Fulbert, Heloise's uncle and sole guardian, discovers their romance, he forbids it. The two lovers continue their affair in secret, but it

becomes impossible to hide when Heloise gets pregnant. After the birth of their son, Heloise is sent away to live in a convent, and Abelard soon follows her suit, becoming a monk after a violent run-in with Fulbert and his friends. Each struggle with their own religious journey, one born from necessity and shelter, the other from devotion. Though apart, Heloise and Abelard try to stay in touch

and sustain their love, despite the public scandal and unfavorable odds. Told through a series of letters, witness the intimacy of this 12th century romance. Filled with scandal, passion, and emotion, The Letters of Abelard and Heloise gives readers a personal view into the famed and real-life relationship of Abelard and Heloise. This classic romance has since inspired

love stories, while Abelard and Heloise remain legends in French history, and fascinating characters of history. Heloise's embodiment	of feminist values provide much needed representation in classic literature. With a brilliant new cover design and a readable font, The Letters of	Abelard and Heloise not only tells the true and dramatic story of a forbidden romance, but also offers insight into Middle Age culture and religious life.
