The Engineering Drawing (common to all Engineering Trades) is

one of the book developed by the Core group members as per the

NSQF syllabus. The Engineering Drawing (common to all

Engineering Trades as per NSQF) 1st Semester is the outcome of

the collective efforts of experts from Field Institutes of DGT

champion ITI's for each of the Sectors, and

what is civil engineering drawing and its components. Civil

engineering drawings are technical civil language drawings that

show the information regarding construction buildings and the

land with the site details. These civil drawings help us understand

the images of construction buildings and a better way of

construction. there are some step to know before starting a civil

construction project ...
