The Town Mouse And The Country Mouse : Fabulous Fables

Om Books International

The country mouse is visiting his friend in the big city to see how extravagant life can be. For the first time, he basks in endless amounts of sweetmeats,

champagne, and the finest cheeses a mouse could ever want. But when life at His Majesty's Court starts to show its darker sides, the country mouse quickly learns that the town's riches aren't worth losing the peace and tranquility of his own quiet home. In this classic tale of two of friends, Paul Galdone's gorgeous illustrations and simple prose remind us where we find life's true treasures.

The classic tale of “The Town Mouse and the Country Mouse” highlights that one can live in peace and happiness in a poorer home—and appreciate it! It also shows the virtue of knowing yourself and in what environments you thrive. Such lessons can be hard to learn without living through them, but Aesop’s fables present them to readers in an understandable, lively way. Colorful illustrations spark readers’ imagination as they

absorb each lesson through terrific, succinct storytelling like “The Peacock and Hera” and “The Farmer and Fortune.”

In the tradition of Logicomix, Donald J. Robertson's *Verissimus* is a riveting graphic novel on the life and stoic philosophy of Marcus Aurelius. Marcus Aurelius was the last famous Stoic of antiquity but he was also to become the most powerful man in the known world – the Roman emperor. After losing his father at an early age, he threw himself into the study of philosophy. The closest thing history knew

to a philosopher-king, yet constant warfare and an accursed plague almost brought his empire to its knees. “Life is warfare”, he wrote, “and a sojourn in foreign land!” One thing alone could save him: philosophy, the love of wisdom! The remarkable story of Marcus Aurelius’ life and philosophical journey is brought to life by philosopher and psychotherapist Donald J. Robertson, in a sweeping historical epic of a graphic novel, based on a close study of the historical

evidence, with the stunning full-color artwork of award-winning illustrator Zé Nuno Fraga. [The Town Mouse and the Country Mouse](#) Penguin Town Mouse decided to visit his cousin in the country.
